PRO-LIFE MINISTRY~DAY 1~Developing Baby--"I'm Here!"

At the moment of conception a new and unrepeatable human being comes into existence, complete with her own unique set of DNA. Although she is only one cell, everything about this little person is already present: color of eyes, blood type, the height she will grow to be, color of hair--everything! She will play a role in her family and her community--a role only she can play! Nothing is added after conception to make her a complete human being. She already exists; all she needs is nourishment, a safe, warm environment, and most of all--love. Her parents may not even know she exists yet. Pray for them to safely bring their baby to birth so she can fulfill the mission God has for her. Thank you for your continued prayers for these precious babies!

St Olaf Parish,

Thank you so much for the love and sympathy that you have shown our family since the death of Janice. We are truly honored to have family and friends, such as yourselves, in our lives. Your love, sympathy, generosity, and companionship have meant the world to us, and we cannot thank you enough. We have been overwhelmed with your kindness. You have given us strength through this hard time, and we are so grateful to be a part of this parish community. Please continue to keep our family in your prayers.
