POSTSECONDARY
## Electronic Standards Council

**Established in 1997 and located in Washington, D.C.,
the Postsecondary Electronic Standards Council (PESC) is a
non-profit, community-based, umbrella association
of colleges and universities;
professional and commercial organizations;
data, software and service providers;
and state and federal government agencies.**

**PESC's mission is to lead the establishment and adoption
of data exchange standards in education.**

**The goals of the mission are to enable
the improvement of institutional performance
and foster collaboration across educational communities
in order to lower costs, improve service,
and attain system interoperability.**
