Greetings

Thank you for supporting our mission to uplift students and strengthen our community through education, arts, and opportunity. As we prepare for our 2026 Talent Hunt and celebrate our chapter's five-year anniversary, we invite you to join us as a sponsor or program booklet supporter.

Your partnership directly fuels our scholarship initiatives. To date, we have awarded over \$720,000 in scholarships to students across Greater Columbus. These funds help young people access higher education, discover their potential, and step confidently into their futures.

Your Impact Matters

Every sponsorship level and every purchased ad contributes to our 2026 scholarship fund. Your support will:

- Provide direct financial assistance to deserving youth.
- Recognize artistic, academic, and leadership excellence.
- Expand opportunities for students who need it most.
- Strengthen our capacity to serve the community through education and mentorship.

Your generosity truly makes a difference.

What is

Talent Hunt

Talent Hunt is an internationally mandated program of Omega Psi Phi Fraternity, Inc. The first Talent Hunt was held on April 19, 1946, in Charlotte, North Carolina. The necessity for Talent Hunt was born out of the reality that there were limited opportunities afforded to some populations in the country for youth to give full expression to their artistic and creative abilities.

Talent Hunt provides exposure, encouragement, and financial assistance to talented high school students in grades 9 through 12. Students compete for scholarships and the opportunity to showcase their talent to a distinguished group of judges. Local and District Talent Hunt programs are competitive. The International Program is a demonstration of first-place winners from around the world.

Our Scholarship Program

The Eta Nu Nu Chapter Scholarship Program stands as a testament to our dedication to education and community empowerment. Over the years, we've made a significant impact by providing financial assistance to deserving students, helping them overcome the challenges of affording higher education. These scholarships are awarded not only based on academic achievement but also on leadership potential and commitment to community service, ensuring that our recipients represent the values of excellence and uplift that our fraternity embodies.

Beyond financial support, our scholarship program opens doors to mentorship and opportunities for personal and professional growth. We partner with schools, families, and community organizations to ensure that recipients are equipped to succeed in their educational journeys. By investing in these students, we aim to foster a generation of leaders who will continue the legacy of service, excellence, and community building. Through these efforts, we're not just funding education—we're creating pathways to brighter futures.
