Wednesday March 18 is a special program rescheduled from last May. The History of Toys in Summit County, Presented by Michael Cohill of Akron Marble Museum. Some of you have met him at the Olde Thyme Fayre in September. He kept us all enthralled with his wonderful demonstrations. He is well worth the wait.

Our regular Open house will be Sunday, March 29 from 2:00 to 5:00. If you have not visited in a while you will be pleasantly surprised.

The Trustees have been working hard. One of our biggest challenges is fund raising. We are custodians for four buildings and they all need a lot of care taking. Our newest challenge is the Moses Roach House next to the Congregational Church on the square. It is a wonderful example of Georgian architecture but it needs a lot of work. Many of the repairs have been completed but there is still much to do. All donations are welcome.

The new quilt is on display. We will be selling raffle tickets all year. You can get a good close look whenever you are in the museum. Contact us on the website if you want to buy a ticket. They are \$5.00 apiece and the quilters donate the quilt and the proceeds to keep us going. These quilts are one of a kind and handmade by our Tuesday group.

Have you been to our annual meeting? This year it will be on, Saturday April 18 at 5:00pm at the First Congregational Church on the Square. It is a potluck supper. Bring your plates, eating utensils and a tasty recipe to share. We will hold our election of officers. If you might be interested in becoming more or joining the trustees contact Bonnie Williams. We are looking for new folks with new ideas to join our very dedicated group.

Thanks to all who are helping or helped with our February events. Trustee, Dr. Constance Longmire chaired the Black History celebration. Keith Harris is/was our Master of Ceremonies and Mark Curtis is/was our Keynote speaker.

This could be the year that you get involved. We are in need of folks to help with our Open Houses. Students are welcome too. We can train anyone to be a docent and act as a tour guide for our Open Houses and for our special events. We are looking for more ways to connect to the community of three. Whether it is the city, the township or the village of Reminderville. We can use your support. The Face Book page gets a lot of traffic. Do you have a suggestion as to how we can make it better? Send us an email or give us a call. We love to hear from you.

You are never too old or too young. www.twinsburghistoricalsociety.org. 330-487-5565. Like us on Facebook. Remember you need to answer the two questions so that we can welcome you.

Charitable Giving

The Historical Society relies upon the generous financial support of private individuals & of our local businesses to help us preserve and care for Twinsburg's historical legacy. We hope that you will help your Twinsburg Historical Society continue its important work by considering us in your will, trust or by beneficiary designation.

History is preserved not through government institutions but through the actions of selfless individuals who became aware of a momentous event or were touched personally, then inspired to do what they could do to save it. As a society we grow learning from our past and we hope you will join us in preserving this knowledge for the future.

Bequests in your will, trust or by beneficiary designation cost you nothing now. You can hold on to your assets for as long as you need them & you can change your beneficiaries at any time.

Leaving a financial gift in your will to charity is not done on a whim. It is a deeply personal decision that reflects your values and beliefs. It is an easy thing to do. Just contact your lawyer or financial advisor & tell them that you appreciate the Twinsburg Historical Society & want to support it for future generations with a gift by bequest in your will.
