The Gulf Arab States and the State of Israel are forging normalization of relations with each other. The Shi'ite Triangle. The Shi'ite Triangle consists of 3 main Nations, Iran, Lebanon, and Yemen. They comprise a trifecta of radicalized version of Islam known as Shia.

The Shi'ite agenda is primarily to achieve the destruction of Israel. The 2<sup>nd</sup> aim is to take over the mantle of Islam as the vanguard and control Mecca's holy sites. The 3<sup>rd</sup> aim is to control the holy sites of Jerusalem, that is the Temple Mount and 'liberate' the Palestinians. The last goal is to actively export their brand is Islamic radicalism to take over the entire globe.
