Fuller Sand & Gravel would like to submit the following price to install bituminous concrete :

### Access Road: 2,840' x 40'

Cold Plane 2,840'x40' =	12,622 s.y.	@ \$2.00/ sy	= \$ 25,244.00
Full Depth Reclaim, Compact and Grade	12,622 s.y.	@ \$1.75/ sy	= \$ 22,088.50
Pave: 2 1/2" Base & 1 1/2" Top =	2,804 tons	@ \$88.00/ton	= \$246,752.00
Class 1 – DI reconstruction	Qty 7	@ \$1,250./ea.	= \$ 8,750.00
	TOTAL Access Rd.		= \$302,834.50

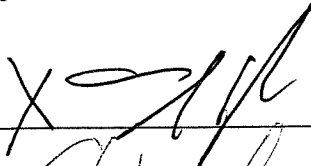

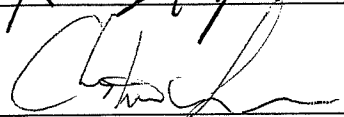

### SHOULDER GRAVEL where required

Install Shoulder Gravel:

**\$30.00 /c.y.**

\*\*The above price includes traffic control, sweeping and emulsion.

\*Because of the volatility in the liquid asphalt market, Fuller Sand & Gravel Inc. based its price on NYSDOT Port pricing on date of quote. Any fluctuation will be changed at the time of paving. Any price adjustment will be given to the road foreman prior to installation for approval or changes in the tonnage.
