Rounds

The first round will be determined randomly with following rounds run as a Swiss tournament.

Your Army

All official units released prior to the event will be available to use within your 1000 point army. Alternate models will be allowed during the tournament if it is clear what that units represents.

Scoring

Scoring will be determined by the following in order -

1. Win/Loss points
2. Strength of Schedule
3. Points Defeated

Grand Admiral

No battle plan survives first contact with the enemy... but this player has used wit and tactics to complete their missions. The player with the most wins and highest ranking of Strength of

Schedule will be awarded the rank of Grand Admiral. In the case of a tie the highest Sportsmanship score will be used to determine the sequence of overall rank between players. Awards will also be presented to the second placed player.

Best Painted Force

Master of the brush! The player with the highest Painting Score will win this award. In the case of a tie the player that received the most Sportsmanship Points will win. To enter the Best painted Force award you must have painted all of your units yourself. The painting standard of your force will be rated by the following.

Painting Award checklist.

Points Standard (up to 8 painting points)

- 0-4 Is the entire force cleanly and neatly painted?
- 0-2 Does the force “look” like a cohesive force? (i.e. consistent colour scheme and/or style)
- 0-2 Have bases been painted and/or textured?

Advanced (up to 8 painting points)

- 0-2 Have the details been painted? (weapons, accessories etc.)
- 0-3 Has shading, highlighting, weathering or decals been used?
- 0-3 Is there any freehand work or conversions?

Player’s Choice (4 painting points)

- 4 The single player with the highest number of votes received from all players (only 1 player can receive these points).

Sportsmanship Award

All round nice guy that has also mastered the art of war!

The player with the highest Sportsmanship Score will win this award. In the case of a tie, the sequence of rank between tied players will be determined by Tournament Points as it’s often more difficult to maintain a good sportsmanship score if your beating your opponent to a bloody pulp!

This category has been included to encourage players to take part in the competition with the right spirit. Players can receive a maximum of 20 Sportsmanship Points and a minimum of 10. At the end of Sunday matches, you will rank your opponents 4–1 on your score sheet. They will receive the following Sportsmanship Points to their overall score: 4 points for being your ‘best’ sport, 3 points for being your second best sport, remaining opponents will each received 2 points for being your ‘least best’ sports

opponents.

Disagreements in Game

Occasionally opponents disagree in game over a rule and in these case’s it’s expected that players will be able to come to some agreement. The usual method is to roll a dice over it. However, if you and your opponent are still at loggerheads then take your rule query to the Tournament Organiser and they will make a ruling. Remember it’s only a game.

Tournament Organiser’s Call

On the day, the Tournament Organiser may make decisions that could impact you or how your games are run. Whilst every effort will be made to be fair and impartial, unbelievably, even Tournament Organisers can get it wrong.

Their decision, even if it is wrong, is final and no further discussion will be entered into. It’s expected that all players will adhere to the ruling made. Feel free to flame on message boards later... but just remember the Tournament Organiser is trying to do the best they can to make this a fun tournament for everyone.

Complaints

If during the competition a player wishes to discuss another player’s conduct, please speak to the Tournament Organiser. If a player receives two complaints, they will be spoken too and depending on its merits may receive a penalty in Tournament Points (up to -10 Tournament Points). If the tournament organiser receives three or more complaints about a player (depending on the nature of the complaints), then the organiser may require the player to leave the tournament. If this decision is made, it will be final.
