Under Sheriff Mona Vines speaks to students during Red Ribbon Week

By C. Wittak

Under Sheriff Vines took the opportunity to speak to students throughout the week about the Drug Free Campaign. Students were given drug-free bracelets with a message to be kind or be the change they want to see in the world. JMG (Jobs for Montana's Graduates) prepared for the week and planned the delivery of the bracelets, stickers with positive messages and treats for being aware of the purpose of the Red Ribbon Week. Thanks for Under Sheriff Vines for taking the time to share with the students and answer questions that they asked her throughout the presentation.

Anna Williams, Scobey junior, wins trip to Washington, D.C.

By C. Wittak

Congratulations to Anna for winning a trip with the Leadership Essay for JMG. Anna was informed on Wednesday, Oct. 26th that she was one of four winners in the state for the competition. She wrote a letter about admiring her dad, Tim Williams, as a leader and role model for her and her siblings. She wrote about the many instances that quick thinking and adapting in their journeys had made her realize that her family was blessed to have their Dad to help them. With decision making skills modeled and the many challenging experiences they have had camping and in their lives, their Dad has been a significant champion for them, and their mom as well.
