**\*Fresh or Oven-ready:** Not sure which one to choose? The fresh turkeys are by the pound and ready for you to add your own spices and dressing. For the best value, we suggest our signature oven-ready birds. It is the same turkey as above with the added value of us cleaning the giblets out, rinsing, brining, and then seasoning with butter and our special turkey seasonings from Starlight Fresh Herbs. This choice comes complete with a disposable roasting pan and cooking instructions, so it's ready to go into the oven.
