

All Who are Thirsty

"As the deer pants for the water brooks, so pants my soul for You, O God.
My soul thirsts for God, for the living God" (Psalm 42:1-2) NKJV.

There is a deep place inside each of our hearts which is longing to be filled. It is a need for God which cannot be satisfied by anyone or anything else, a thirst that happens in the invisible realm of the soul and the spirit. Here, the psalmist gives us the picture of a thirsty deer, panting in desperation as it seeks a place to drink. He says, "So pants my soul for You O God."

This may be a feeling that you have experienced, your insatiable thirsting for the presence of God and the things of heaven. Think of a time you were nearing the end of a long journey and literally gasping for a drink of water, and you will be identifying with what David expressed in this psalm. That deer was not looking for coffee, juice, or any other beverage. It needed water to satisfy the dryness in its being. A sip of cool water tastes so amazing, when you have been longing for it and needing it for a while.

The thirsty deer finds water, and drinks until it is satisfied. We have the capacity to do the same to drink and be full, until we thirst again. God wants you to know that He is not far away from you.

Dear friend, there is nothing that can keep you away from the love of God. There is nothing that can stop you coming into His presence. The blood of Jesus already opened the way for you and me. He removed the hindrances and blocks that came from sin, from spiritual blindness, from the inability to hear His voice. You may have been going through a painful situation which has made you weep night and day, or maybe you have been experiencing a time of discouragement and depression.

Today the Holy Spirit would have you know that there is no distance too wide for Him to bridge. There is no sin that cannot be forgiven and cleansed by the power of the blood of Jesus. The world around you will see the very real presence of God upon your life as you step into your breakthrough and see God moving on your behalf. God loves you. He is with you!

There is someone reading this message who decided to distance themselves from the house of God, because of something that happened in the past, but the Holy Spirit is calling you back. There has been a sadness and a loneliness in your heart, which only the presence of God can heal, hurts which are calling for your wholehearted forgiveness.

There is an amazing time of healing and health that is coming into every aspect of your life, including your finances and relationships, as you receive this word and act upon it! I declare the power of God is coming upon your heart. You are beginning to experience the presence of God in a whole new way, in the mighty name of Jesus!

God is inviting you to come and drink from the Pool that never runs dry! There is a river of glory, a river that flows from the throne of God (Revelations 22:1). It is a river of life, which brings peace and healing, and ends all strife. If you acknowledge your need for the presence of God and ask Him to fill you, you will be filled today to overflowing.

It is time to taste and see that He is so good! (Psalm 34:8). The more you drink of Him, the more you need, and there is always more of Him to fill you up, hallelujah! Be blessed today, and know that God is with you and you can have as much of Him as your heart desires. He can fill your need!
