

DOLOMITE JAZZ TYPE 3

FEATURES

Simple to operate, one-touch height adjustment

Memory Locking Handle Adjustment - Patented design ensures that when handles are lowered for transport, they can be returned to the proper setting every time

Hybrid Non-Linear Braking - even braking force at both the beginning and at the end of the braking cycle Exclusive hinge mechanism - allows the rollator to be folded to 8.5"

Comfortable, Waterproof Seat - Provides additional comfort while using Jazz in the seated position. Seat pads are easily removed for cleaning
