

Feel My Heart

Can't you hear my heart?
Can't you hear my heart beat?
Can't you hear my heartbeat, heart beat, heartbeat?
It beats for you.

Can't you hear my heart?
So steady and true?
Can't you feel my heart?
There, it skipped a beat for you.
Can't you hear my heart?
Can't you feel my heart?

Feel the beat of my heart thumping.
Hear the rhythm of my blood pumping.
See the blood in my veins running.

Can't you hear my heart?
Can't you hear my heart beat?
Can't you hear my heartbeat, heart beat, heartbeat?
It beats for you.

Can't you hear my heart
So steady and true?
Can't you feel my heart?
There, it skipped a beat for you.
Can't you hear my heart?
Can't you feel my heart?

Feel the beat of my heart thumping.
Hear the rhythm of my blood pumping.
See the blood in my veins running.

Feel my heart.
Feel my heart,
Feel my heart.
Feel my heart,
