

August 2025

Dear Friends of MultiArt STUDIO,

Why not welcome the new school year by dedicating some time for yourself to spark creativity? At MultiArt STUDIO you will always find support for your ideas whether you want to participate in a group or work individually. Feel free to call for a free brainstorming consultation.

A few upcoming dates for your calendar:

From October 23 to November 2 there will be an Artischock exhibition called, "Dein Stuhl auf unserer Bühne!" at the Alte Kaserne Wallisellen. Creativity will flourish! I will have a small multimedia sculpture entitled, Rocking Horse Dreamer.

On November 7 there will be a First Friday cultural evening with Found in Translation at the Galerie Vogtei Herrliberg, starting at 19:00. The Found in Translation project will come to life with Shukri Al Rayyan, author of *Nacht in Damaskus (2025, edition Bücherlese)* reading his fascinating short story autobiography. I will share the art installation I created to illuminate the story, and Alba Chantico Ledesma, Founder and Director of Found in Translation will lead us in a few minutes of connectivity, reflection and empathy. Apéro to follow by our hosts, VOGTEI live!

Until then, I wish you and your families a splendid Autumn and Winter filled with abundant health, colorful adventures as well as peaceful moments.

Happy art making,

Kathie
