Since 1978, Reed Eye Associates vision center and eye care goal has remained very simple: "Provide patients with the best possible eye care & most current technology available." In the process, always keeping the total health and happiness of the patients in mind.

With six full service offices in Monroe, Wayne, and Genesee counties, Reed Eye Associates offers and delivers the finest in eyecare and vision services including surgical care. Reed Eye Associates' partnership with Westfall Surgery Center, located in Brighton, has brought together a professional and caring environment for patients needing fashionable eyewear, prescription vision center services, or fully comprehensive surgical procedures and eye care.

Reed Eye Associates has been serving the community of Newark since September of 2011. We then moved from High Street to our brand new location on Driving Park Avenue near the hospital in November of 2012.
