The institution must require written consent from the student or guardian before releasing any student information in response to a third- party request or unless otherwise required by law. Students and parent/guardians of dependent minors are guaranteed the right to access and review the student's educational file. Students must submit a written request to review their file to the school director. The student will be granted supervised access to their records within five business days of the request. Any third -party request for information will require written authorization from the student or parent/guardian of a dependent minor. Princess Institute of Beauty requires a release form be completed for each third -party request of information. Princess Institute of Beauty provides access to student records without written consent to its accrediting agency, the United States Department of Education, the State Licensing Agency, and any other school official. The institution maintains a record of all release forms and requests for information.

### **Leave of Absence (LOA) Policy**

1. Students may experience extended personal, medical or unforeseen events which may hinder them from attending class. Princess Institute of Beauty allows for these circumstances by allowing a Leave of Absence (LOA) from the program. However, LOA's can only be granted under special circumstances and if a written request is formally made in advance by the student and approval is granted by Princess Institute of Beauty Director, in accordance with policy. The written request must specify the following:
  - Reason for Leave of Absence
  - Specific date of departure from school
  - Specific date student will be returning to school
  - Student Signature
2. A granted LOA will have a beginning and ending date and will last no more than a maximum of 30 calendar days. In order for a LOA to be granted, there must be a reasonable expectation that the student will return from the LOA. In addition, the student and a school official must sign and date an enrollment agreement addendum prior to the LOA. The institution will not assess the student any additional institutional charges as a result of the LOA. A student who is granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time. The institution will extend the student's maximum time frame and the contract period by the same number of calendar days taken in the LOA. An addendum to the enrollment agreement must be signed by all parties. Students that returns to school after a **granted LOA** will retain all clocked hours and examinations prior to the LOA.
3. Students who fail to return on the specified date of the LOA will be dismissed from the program. The student withdrawal date for the purpose of calculating a refund is always the student's last day of attendance (LDA).
4. In a rare case, such as a medical condition, a LOA may be granted up to 6 (six) months in a 12 month period with a written requested from a physician. A student will not be granted a LOA if the LOA, together with any additional LOA's previously granted, exceed a total of 180 calendar days in any 12-month period.
5. Princess Institute of Beauty understands that there are some unforeseen circumstances that will prevent a student from formally requesting a LOA in advance. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to school, the student would not be able to request the LOA in advance. The institution may grant an LOA to the student who did not request prior to the LOA due to unforeseen circumstances if the institution documents its decision and collects a written request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the institution to be the first date the student was unable to attend school because of the car accident or other unforeseen event.

### **LIABILITY**

## **CAMPUS SECURITY POLICY/ CRIME REPORT**

### **Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics**

Any student, faculty member, or employee of Princess Institute of Beauty should directly report any potential criminal act or other emergency to Maria E Moore, Director, at 559-637-0503 for any crimes committed during school hours. Maria E. Moore, Director, will immediately call the local police station. If any potential criminal act or emergency occurs after school hours, reports should be made to the local police station.

**Reedley Police Department**

**559-638-4250**

**Fresno County Sheriff Department**

**559-600-3111**

Upon receipt of a call, officers are dispatched to the site, an investigation is conducted and appropriate action taken. Please be as detailed as possible when providing a physical description of a suspect or perpetrator to the police and to Maria E Moore, Director. Along with describing a person's height, weight and build, try to include information pertaining to facial hair, skin complexion, jewelry and tattoos (where applicable). Vehicle descriptions should include, make, model, color and approximate year of manufacture. When possible, try to record marker plate, state of origin, and any notable damage to the vehicle. It is also imperative that crime scenes not be disturbed so as to preserve any physical evidence that may exist.

Princess Institute of Beauty does not have its own campus security or enforcement authority nor does it possess the arrest authority needed to halt a perpetrator. All crimes on campus should be reported to the Director, who will report the crime to the Reedley Police Department for record keeping purposes.

If you are the victim of a crime and do not want to pursue action with Princess Institute of Beauty or the criminal justice system, you may still want to consider making a confidential report. With your permission, Maria E Moore, Director can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, Princess Institute of Beauty can keep accurate records of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for Princess Institute of Beauty.

### **Timely Warnings**

In the event a serious situation arises, either on or near campus, which constitutes an ongoing or continuing threat to students and employees, a campus wide "timely warning" will be issued. The warning will be issued to students, faculty, and staff.

The decision to notify the campus community will be based on a case by case basis unless issuing the notification would compromise efforts to assist a victim, or to contain, respond to, or otherwise mitigate the emergency. The initial recommendation will be made by law enforcement

personnel at the scene. The law enforcement personnel at the scene will request notification of the campus community based on their professional judgment. This recommendation can be made to any senior administrator, but is typically made to the Director. In the event of an incident that would require the larger community to be notified, information will be sent through the internet, local media, and local cable channels if appropriate.

Princess Institute of Beauty will take the actions described above without delay.

Depending on the circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the Director, will immediately notify the campus community by posting a notice on the Princess Institute of Beauty website at [www.piofb.com](http://www.piofb.com). All instructors will be provided a copy of the announcement to notify their students during class. Anyone with information warranting a timely warning should report the circumstances to the Director by phone 559-637-0503 or in person, 1605 E. Manning Avenue Reedley, CA 93654. The Director will work with the local police in communicating information about crimes reported to them that require timely warning.

### **Daily Crime Log**

While the college does not have an on-campus security or enforcement department, Princess Institute of Beauty tracks all crime reports on campus that are reported to the Administration office. The Director, Maria E Moore is responsible for preparing and publishing this report. The log contains records of criminal incidents by date reported and includes the nature of the crime, date and time the crime occurred, the location of the crime and the disposition of the complaint if known. Copies of the log are available upon request in the Administration Office.

## **Violence Against Women Act (VAWA)**

On March 17, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA) which amended the Jeanne Cleary Disclosure of Campus Security Policy and Campus Crime Statistics Act (Cleary Act). After negotiated rulemaking committee reached consensus, the final regulations went into effect July 1, 2015.

Each year, the campus will report statistics for domestic violence, dating violence, sexual assault and stalking in accordance with the definitions used in section 4002 (a) of the Violence Against Women Act of 1994. Princess Institute of Beauty has added VAWA to our institutional crime log and will begin reporting the information. All perspective and continuing students and employees will be provided a training prevention program at the time of hire and/or as part of new student orientation.

Princess Institution of Beauty prohibits the offenses of domestic violence, dating violence, sexual assault and stalking. Each of these offenses are defined as follows:

- **Domestic Violence**  
Includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- **Dating Violence**

- Violence committed by a person:
  - Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
  - Where the existence of such a relationship shall be determined based on a consideration of the following factors:
    - The length of the relationship
    - The type of relationship
    - The frequency of interaction between the persons involved in the relationship

### **Sexual Consent**

Sexual activity requires consent, which is defined as positive, unambiguous, and voluntary agreement to engage in specific sexual activity throughout a sexual encounter. Consent cannot be inferred from the absence of a "no"; a clear "yes," verbal or otherwise, is necessary. Consent to some sexual acts does not imply consent to others, nor does past consent to a given act imply present or future consent.

- Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Consent cannot be obtained by threat, coercion, or force. Agreement under such circumstances does not constitute consent. Consent cannot be obtained from someone who is asleep or otherwise mentally or physically incapacitated, whether due to alcohol, drugs, or some other condition. A person is mentally or physically incapacitated when that person lacks the ability to make or act on considered decisions to engage in sexual activity. Engaging in sexual activity with a person whom you know or reasonably should know to be incapacitated constitutes sexual misconduct.
- Consent can only be accurately gauged through direct communication about the decision to engage in sexual activity. Presumptions based upon contextual factors (such as clothing, alcohol consumption, or dancing) are unwarranted, and should not be considered as evidence for consent. Although consent does not need to be verbal, verbal communication is the most reliable form of asking for and gauging consent, and you are thus urged to seek consent in verbal form. Talking with sexual partners about desires and limits may seem awkward, but serves as the basis for positive sexual experiences shaped by mutual willingness and respect.

### **Bystander Intervention**

If you are the bystander to domestic violence, dating violence, sexual assault or stalking, below are some options for the bystander:

- If you witness sexual violence, get support from people around you. You do not have to act alone.
- Practice with friends and family about what you would say and how you would say it.

- When intervening, be respectful, direct and honest.
- Contact your local sexual assault center to see if they offer resources or training on bystander intervention
- If you see or hear something and you do not feel safe, contact the local police.

### **Risk Reduction and Ongoing Awareness**

Princess Institute of Beauty provides risk reduction and ongoing awareness through orientation of new staff and perspective and ongoing students. In our orientation program, staff and students are provided information on general crime prevention, how to interrupt situations of harm and the appropriate notification system when an act occurs.

### **Sanctions**

Students found responsible for violating any of the institutions policies may receive disciplinary sanctions. The fundamental principle guiding the imposition of sanctions in the student discipline system is founded in the institution's effort to balance upholding community standards with the educational development of its students in addressing individual behavior.

The sanctioning regimen is designed to reestablish order while considering the common good, which sometimes necessitates the temporary or permanent removal of the offender. The mechanism within which offenders can reflect upon their actions and their impact on both themselves and restoration of the offender to good standing within the community provided the safety of the community is not jeopardized by the individuals' presence or return. The sanctions listed below is not meant to be exhaustive.

- Suspension from the institution
- Dismissal from the institution

The final determination of the appropriate sanction is done by the Director.

Employees found responsible for violating Princess Institute of Beauty's policies may receive disciplinary sanctions that could include a written warning, final written warning and/or dismissal from employment depending on the specific violation of the institution's policies. The final determination for employees is decided by the Director.

### **Preserving Evidence after a Sexual Assault**

Evidence of a sexual assault should be preserved as soon as possible after the incident, even if the reporting student is unsure about reporting or filing criminal charges. A Sexual Assault Forensic Examination (SAFE) will preserve evidence and may be done up to 84 hours after an assault. A SAFE may be done regardless of whether or not the student receiving the examination wants to pursue criminal charges. The student does not need to provide his/her name to police to have the exam and for the evidence to be preserved. Preserving evidence, including from a SAFE, does not obligate the student to pursue criminal charges or appear in court. Steps to preserve evidence:

- Do not shower or douche
- Try not to urinate. Urinating may reduce the ability to detect “date rape” drugs
- If there was oral contact, do not smoke, eat, or brush teeth
- Do not change clothes. If you have already changed your clothes, place them in a paper bag (plastic may destroy evidence) If you haven’t changed, keep the original clothes on and bring an extra set to wear home from the hospital
- Go to a hospital with the capability of providing a SAFE exam and request the exam. The cost of a SAFE examination is paid for from a state fund

**IF YOU HAVE BEEN SEXUALLY ASSAULTED:**

There are many resources for victims who are unsure what to do when dealing with domestic violence, relationship abuse and stalking. One option is the criminal justice system. Do not be afraid to call the police if you have been abused. The goal of the police and legal system is to provide some measure of safety for victims of violence and to provide information about additional resources, such as temporary living accommodations if necessary. One immediate alternative is to obtain a Temporary Restraining Order. If you have been recently threatened, hurt, or abused, or are being stalked by your current or former intimate partner, **call 9-1-1** .Tell the dispatcher that you are in danger and that you need help immediately.

The police are required to write an incident report for all domestic violence calls, even if the batterer has already left the scene. Although it is best to make the report as soon as possible, you may call the police anytime, even days or months, after you have been abused. Alternatively, you can contact a domestic violence and dating violence hotline at any time at **800-799-SAFE**.

Princess Institute of Beauty encourages individuals to report a sexual assault to the police having jurisdiction where the assault occurred. Additionally, victims are encouraged to seek guidance and support from professional resources.

**Student Sexual Assault Survivor’s Bill of Rights**

Federal law entitles sexual assault victims to the following rights. The accuser and the accused have the same opportunity to have others present throughout disciplinary proceedings. Both parties shall be informed of the outcome of any disciplinary proceeding. Victims shall be informed of their options to notify law enforcement. Victims shall be notified in writing of health and mental health counseling services available on and off campus. Victims shall be notified in writing of options for changing academic and living situations, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other protective measures regardless of whether the victim reports the incident to law enforcement.

**Sexual Assault, Rape, or Misconduct**

Any behavior that constitutes a sexual offense under this policy will subject the offender to disciplinary action and sanctions by Princess Institute of Beauty up to and including dismissal, whether or not criminal charges are filed and without regard to whether the conduct occurred on or off campus. Prohibited conduct includes sexual assault, rape, attempted sexual assault or rape,

indecent exposure, voyeurism, or possession or distribution of illegal pornography. With regard to any disciplinary proceedings, both the accuser and the accused are entitled to the same opportunities to have others present and both the accuser and the accused will be informed of the outcome. In addition, sexual assault, rape and other sexual offenses are illegal under California criminal statutes and may be prosecuted in a court of law.

Sexual assault occurs when a person performs or compels another person to perform any sexual act or to have any form of sexual contact without consent. Rape is a specific kind of sexual assault that involves any vaginal, oral, sodomy, anal, or urethral penetration with any body part or object without consent. Consent requires mutually understandable and communicated words and/or actions demonstrating agreement to participate in the proposed sexual act.

Lack of consent may result from inability because of mental impairment of the victim (due to, for example, intoxication), or physical helplessness of the victim (due to, for example, being asleep). Lack of consent may also result from intimidation (due to, for example, the aggressor's language, size, or threatened or actual use of force) that silences the victim. Attempted sexual assault or rape occurs when a person intends to commit the offense and engages in conduct that would lead to it.

Students will also be disciplined for other sexual offenses which are criminal in nature or which violate other community standards. After the alleged sex offence, Princess Institute of Beauty will change the academic situation of all parties involved during the school's investigation.

Victims and witnesses of sexual offenses should be assured that care, confidentiality and consideration of the victim's wishes will be taken into account throughout the investigation. The administration will consider requests for changes in programs and work with victims to reach available and reasonable solutions. Individuals who feel that they are victims of any sexual offense are urged to file a complaint with the Reedley Police Department and the Office of the Director. Victims should seek immediate medical assistance from medical facilities in the Reedley vicinity.

Victims of sexual assault should:

- Seek immediate medical assistance. A victim may have internal or external injuries and may need treatment for disease or infection.
- Report such acts to the institution Director and the Reedley Police Department. At the victim's request, officers or administrators will assist in the notification of local law enforcement. Princess Institute of Beauty's disciplinary system may proceed against any alleged violator of institutional policy, whether or not state or federal criminal proceedings exist or are pending.
- Preserve any evidence of the assault for proof of a criminal offence.
- If necessary, seek counseling and/or emotional assistance and support. Speaking with a trained counselor can be critical to the emotional or mental well-being of the victim.

Such behavior will subject the harasser to appropriate sanctions, including, but not limited to, counseling, suspension, expulsion, or civil or criminal action. Sexual harassment is a form of illegal discrimination referring to a wide range of inappropriate behaviors and/or unwanted conduct of a sexual nature that effectively denies the victim of the harassment the opportunity to work and/or study in a non-threatening, stress-free environment.

Princess Institute of Beauty defines sexual harassment in the following ways: Sexual harassment shall include, but not be limited to, unwelcome sexual advances, direct or indirect sexual demands, requests for sexual favors, sexual comments, gestures, or other physical actions of a sexual nature when:

- Submission of such conduct is made either explicitly or implicitly a term or condition of an individual's educational success.

- Submission to or rejection of such conduct by an individual is used as the basis for educational decisions affecting the individual.
- Such conduct has the purpose or effect of unreasonably interfering with an individual's academic performance or creating an intimidating, hostile, or offensive educational environment.

Princess Institute of Beauty is committed to maintaining a multicultural academic community in which the dignity and worth of each of its members is respected. It is the policy of the institution that acts of intolerance, abuse, or harassment by students, faculty, staff and visitors, will not be tolerated.

Any individual who violates this policy will be subject to appropriate action, including, but not limited to, counseling, suspension, expulsion, termination from the campus, or civil or criminal action.

Acts of intolerance and abuse are defined as any offensive verbal, written, or physical conduct directed at a person or group based upon race, color, national and/or ethnic origin, gender, sexual orientation, disability, religion, veteran's status, age, or association with persons different from oneself where such behavior is intimidating, hostile, demeaning, or could or does result in emotional or physical harm, embarrassment, or fear of one's personal safety.

Abuse and harassment include offensive behavior that interferes with a person or group's educational status or participation in campus activities, or which creates a hostile academic or social environment. Prohibited behaviors include threatening or offensive letters, use of threatening or demeaning language, vandalism, or graffiti to campus property, and stalking or aggression relating to dating relationships.

If the reported incident is not of a serious nature or in situations where miscommunication is occurring, the Director may attempt to resolve the matter through discussion and mediation with the alleged harasser's supervisor. In situations where serious misconduct is reported, Maria E.

Moore will investigate and determine the appropriate action. The complainant and the alleged perpetrator will be notified of the disposition within 45 days.

# **STANDARDS FOR STUDENT ACHIEVEMENT**

## **SATISFACTORY ACADEMIC PROGRESS POLICY**

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school enrolled in a specific program for a particular category of attendance (full time/part time). It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

### **I. EVALUATION PERIODS**

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology	450, 900, 1000
Skin Care	300, 600
Nail Care	200, 400

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course. Students are evaluated for Satisfactory Academic Progress at the point at which the actual hours of the course are completed.

\*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

### **II. ATTENDANCE PROGRESS EVALUATIONS**

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

### **MAXIMUM TIME FRAME**

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

<b>COURSE</b>	<b>MAXIMUM TIME ALLOWED (150%)</b>	
	<b>WEEKS</b>	<b>SCHEDULED HOURS</b>
Cosmetology (Full time, 30 hr/wk) – 1000 Hours	51 Weeks	1500
Skin Care(Full time, 30 hrs/wk) – 600 Hours	30 Weeks	900
Nail Care (Full time, 30 hrs/wk) – 400 Hours	21 Weeks	600

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 67% of the scheduled contracted hours.

**Students who have not completed the course within the maximum timeframe would be over the contract end date. These students will be terminated from the program and thereafter be permitted to re-enroll in the program on a cash pay basis in a manner consistent with the re-enrollment provisions of the institution’s admissions policy.**

**III. ACADEMIC PROGRESS EVALUATIONS**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a cumulative grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments.

Numerical grades are considered according to the following scale:

90% - 100%	EXCELLENT

Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. \*This institution calculates refunds according to the State Accrediting Agency requirements. The calculation that results most favorable to the student is the one selected on the final calculation.

**THE SCHOOL RESERVES THE RIGHT TO MAKE CHANGES TO THE CATALOG OR CANCEL THE CLASS START SCHEDULE WHEN NECESSARY TO ACCOMMODATE THE NUMBER OF PROSPECTIVE STUDENTS INTENDING TO ENROLL.**

## **FEDERAL OR STATE LOANS:**

If a student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid programs funds. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur:

1. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
2. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

obtain materials or books, as specified on the front of this agreement, and return it in new condition within thirty (30) days following your withdrawal, the school will refund the amount paid by you for your equipment. The amount owed equals the hourly charge for the program multiplied by the number of hours of instruction for which the student was scheduled to attend prior to withdrawal. If the amount you have paid is more than the amount you owe, then a refund will be made within forty-five (45) days of your withdrawal date. If the amount that you owe is more than the amount you paid, then you will have to make arrangements to pay the difference.

**ENROLLMENT: Is defined as scheduled hours of attendance, that portion of the course scheduled to be completed between the actual starting date and the date of the student's last day of physical attendance at the school**

## **RETURN OF TITLE IV FUNDS POLICY**

### **Determination of Withdrawal Date from the Institute**

- Students who give official notice to the institute, in writing or orally, the determination of withdrawal date is the date the school received the notice.
- Students who are absent without contact for four-teen (14) consecutive school days will be withdrawn. The determination date is the 14th day from the last date of attendance (LDA).

### **Title IV refund purposes:**

- For students who give official notice to the institute, in writing, the determination date is the date the school received the notice.
- For students who do not officially withdraw from the institute, the determination date is

the date the school determines the student is withdrawn. For all students, the withdrawn date is the last day of attendance (LDA).

### **Calculation of the Amount of Title IV Earned by the Student**

The amount of Title IV grant or loan assistance that is earned by the student is calculated by determining the percentage of Title IV grant or loan assistance that has been earned by the student. This percentage is applied to the total amount of Title IV grant or loan assistance that was disbursed (and that could have been disbursed) to the student, or on the student's behalf, for the payment period. Any funds that could have been disbursed will be identified by type and amount of Title IV funds that may make up a post-withdrawal disbursement. If the student is owed a post-withdrawal disbursement of grant funds, those funds will be applied to the student's account. If the student is owed a post-withdrawal disbursement of loan funds and outstanding charges exist on the student's account, the student (or parent if PLUS) will be contacted within 30 days with options. For all students, the percentage of Title IV grant or loan assistance that has been earned by the student is based on the last day of attendance; if this date occurs on or before completion of 60 percent of the payment period. If the student's withdrawal date occurs after completion more than 60 percent of the payment period, 100 percent will be earned. The unearned amount of Title IV assistance to be returned is calculated by subtracting the amount of Title IV assistance earned by the student from the amount of Title IV aid that was disbursed to the student as of the date of the institution's determination that the student withdrew. Return of Unearned Aid, Responsibility of the Institute – The Institute must return, in the Order of Return of Title IV Funds, the lesser of:

- The total amount of unearned Title IV assistance to be returned as calculated; or
- An amount equal to the total institution charges incurred by the student for the payment period multiplied by the percentage of Title IV grant or loan assistance that has not been earned by the student. "Institutional charges" are tuition, books, fees, room and board (if the student contracts with the Institute for the room and board) and other educationally-related expenses assessed by the Institute.

### **Return of Unearned Aid, Responsibility of the Student**

After the institute has allocated the unearned funds for which it is responsible, the student must return assistance for which the student is responsible. The amount of assistance that the student is responsible for returning is calculated by subtracting the amount of unearned aid that the institute is required to return from the total amount of unearned Title IV assistance to be returned. The student (or parent in the case of funds due to a PLUS loan) must return or repay, as appropriate, to:

Any Title IV loan program in accordance with the terms of the loan; and

Any Title IV grant program as an overpayment of the grant; however, a student is not required to return 50 percent of the grant assistance that was disbursed (or could have been disbursed) for

the payment period. A student who owes an overpayment on a Title IV grant remains eligible for Title IV, HEA program funds through and beyond the earlier of 45 days from the date the Institute sends a notification to the student of the overpayment, or 45 days from the date the Institute was required to notify the student of the overpayment if, during those 45 days the student:

1. Repays the overpayment in full to the Institute; or
2. Enters into a repayment agreement with the Institute in accordance with repayment arrangements satisfactory to the Institute; or
3. Signs a repayment agreement through Department of Education, which will include terms that permit a student to repay the overpayment while maintaining his or her eligibility for Title IV, HEA program funds. Within 30 days of the date of the Institute's determination that the student withdrew, a school must send a notice to any student who owes a Title IV, HEA grant overpayment because of the student's withdrawal from the Institute. A student who owes an overpayment is ineligible for Title IV, HEA program funds:

If the student does not meet the requirements on the day following the 45-day period; or

As of the date the student fails to meet the terms of the repayment agreement with the school or the Secretary entered in accordance of this section. A student who is ineligible regains eligibility if the student and the Department of Education enter into a repayment agreement.

### **Order of Return to Title IV and other Earned and Unearned Funds**

Funds returned by the institute or the student, as appropriate, in accordance with the institute's Refund Policy, will be credited to outstanding balances for the payment period or period of enrollment for which a return of funds is required or requested in the following order:

- Unsubsidized Federal Direct Loan
- Subsidized Federal Direct Loan
- Federal Parent (PLUS) Loan
- Federal Pell Grant
- Federal Supplemental Opportunity Grant
- Other State assistance
- Private and institutional aid
- Payments made by the student

The institute will return the amount of Title IV funds for which it is responsible as soon as possible but no later than 45 days after the date of the institute's determination that the student withdrew. The institute will determine the withdrawal date for a student who

withdraws during a session without providing notification to the institute no later than 14 days of non-attendance.

### **Distribution and Disbursement of Federal Financial Aid**

Financial aid is awarded based on an academic year. The disbursement of aid varies by the type of assistance.

Financial Aid and Title IV funds will be disbursed at Payment Period 1, 2 and 3. Students must meet these clock hour requirements in order to be eligible for Title IV funding disbursement. Each student will be evaluated on an individual basis to determine eligibility based on total hours and weeks completed during the payment / evaluation period.

### **Statement Regarding Credit Balances**

A credit balance occurs when tuition payments using Title IV funds have been received by the institution more than the amount of charges assessed to the student for the payment period. Credit balances are paid within 14 business days from the day the credit balance was generated in the form of a check. It is the student's responsibility to budget their own funds and to ensure that the funds are used for education related expenses. Federal Student Aid regulations refer to the amount of aid that exceeds the allowable charges as a credit balance.

### **PROFESSIONAL JUDGEMENT:**

The Higher Education Act allows student financial aid administrators to address special/unusual circumstances utilizing professional judgment. If you or your family's financial situation has significantly changed from 2021 (the tax year used on your 2023-2024 aid application), you may request a re-evaluation of your aid eligibility using more current information. The change may result in a revision of your Expected Family Contribution (EFC), which in some cases may increase your financial aid eligibility. Unfortunately, we cannot guarantee that each review will produce a specific, desired outcome.

#### **Submission Deadline:**

- 30 days from the receipt of original FAFSA.

#### **To initiate a Professional Judgement (PJ) Appeal:**

- The student will need to call the office to request an appointment with the Financial Aid Administrator.
- After the appointment, if the circumstances appear to warrant an adjustment, the student will be contacted directly.

#### **What is needed:**

To submit an appeal, you will need to provide:

- Detailed statement describing your special circumstances.
- Documentation supporting your circumstances. Submitting as much detailed documentation as possible reduces the need for additional follow-up.

**NOTE:** If you were selected for verification, those documents must be submitted, and the verification process completed before a PJ appeal can be processed.

Any professional judgement decisions made by Princess Institute of Beauty staff members are final and cannot be appealed to the U.S. Department of Education (ED).

***Changes in circumstance which could qualify for review, but are not limited to:***

- Recent Layoff/Unemployment from student, spouse or contributing parent.
- Changes to family income, assets, etc.
- Dislocated Worker
- Housing change due to homelessness
- Divorce/Separation
- Medical and dental bills are not covered by insurance.
- Change in the number of family members in the household whom you or your parents provide more than 50% support.
- Parental abandonment, incarceration, etc.

***Please note that if it is determined that granting a professional judgement request will not make a change or will negatively impact the student it will be denied, and no changes will be made.***

**STUDENT TUITION RECOVERY FUND**

**\*EFFECTIVE 4/1/2024 – STUDENT TUITION RECOVERY FUND\*\***

**The Student Tuition Recovery Fund (STRF) assessment rate has changed from (\$2.50) per \$1000 of institutional charges to (\$0.00) per \$1000 of institutional charges.**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, California, 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number."
