LETTER OF APPRECIATION

ALICE LEE AMERICAN TENNIS ASSOCIATION LIFE MEMBER

Whereas a letter of appreciation is hereby presented to Alice Lee for introducing the historical and cultural contributions of the American Tennis Association to junior tennis athletes in the Maryland and DC area.

Whereas the American Tennis Association presents this letter for her support to connecting tennis, education, history, and culture by implementing roots within junior and adult tennis players.

Whereas the American Tennis Association, for more than 100 years, provided awareness of tennis thriving in diverse American communities, with an emphasis on adult/junior competitive tournaments, Ms. Alice Lee personifies that commitment to tennis and to junior and adult competitive development within the American Tennis Association.

Therefore, I, Roxanne Aaron as President of the American Tennis Association salute Ms. Alice Lee for her love and support of the American Tennis Association this 9th day of December in the year of 2019.

Roxanne B. Aaron
President, American Tennis Association
