**GUYZ SMOOTH AMBER** aka '**AMBER**' is sired by A Smooth Guy and out of the dam Amber Holland. Joy Wargo trained the mare. Amber was the High Selling two year old in the 2015 Myers Performance Horse Sale. She is owned by Harry LaToush. I just recently got "Amber" in training to start running at the Futurities.

The mare felt great, real solid. She really knows her job and tries so hard. I just tried to keep her feet moving and going forward. I won around \$6,100 on her. She is so fun to ride and to have in my program.

I also ran **MR SASSY FRENCHMAN** and won around \$2,000 on him. I placed 2nd on Mr Sassy Freanchman and 4th on Guyz Smooth Amber, in the first round. In the second round I placed 2nd on Guyz Smooth Amber; winning the average on her. Unfortunately, I had a little bad luck on Sassy in the second round and tipped the second barrel. He felt great and is very special. I can't say enough great things about him.

The barrel race was run smooth and in a professional manner. Great crew! Thanks to everyone that puts in all the hard work. We couldn't do what we do without the barrel races to go to.

**Things I do with all my horses...** I try to keep them soft in the face and broke in the shoulders. The main thing is keeping them happy.

**Things I look for in a prospect...** athletic, light on their feet and moves clean through the front end.

**Favorite bit...** ring snaffle, and a rope draw bit. I ride in the Old Talmage Green saddles.

**I feed...** alfalfa and Assure Guard Gold.

**Therapy...** Salt water spa, P3, and Back On Track products.

**Leg care...** is a huge part of my program. Packing feet, mudding, and icing legs.

**Keeping horses fresh by...** not overworking them and keeping them happy and feeling their best.

### **A few past winning horses...**

**CRAIG STRITZKE** grew up in Chewelah, WA and started riding horses when he was two. He started barrel racing at a very young age through his family and then started training futurity horses in high school.

***"Thanks to my mother for all she has done for me and picking up the slack when I'm away barrel racing. I couldn't do it without her. And thanks to all the others that are involved in my program. It takes an army!"***
