J & F Creations

Meet Jenny and Fred Brown of J & F Creations in the Corner Shops Mall. Since 2003, Jenny has been selling her all natural hand-poured soy candles and wax melts at the market. Jenny has a background in marketing so when she discovered products she liked to use and endorse she was well-equipped to go into business. J & F Creations has 200 unique scents from woodsy to fruity to clean. The soy used in her products comes from US farmers. Soy candles last longer and don't produce soot - making them a cleaner choice than traditional wax candles. Among the smell-good products you'll find here are therapeutic grade essential oils, fragrance oils, diffusers, incense cones and sticks, smudge sage,

all-natural handmade soaps, bath bombs, backflow burners and all the accessories that go along with making your home smell wonderful. Jenny's customers are always greeted with a warm, friendly smile which is one of the reasons people return year after year to purchase her products.

You'll find Jenny and Fred in the Corner Shops Mall at booths 49, 88 and 89. Their products are on the web at jfscentedcandles.com.
