IMPORTANT CHANGES

The DDA Bulletin is going all-digital!

Starting with the Summer 2019 season, your copy of the DDA Bulletin will only be emailed to you (*make sure we have your current email address*). All of the information for each season will also be found on the DDA website - pictures, applications and all the news will be there. Printed application forms will also be available at sponsor locations.

Our new webmaster - Meg Harris - has been working diligently to upgrade the site with more photos, current information and more informational items. She is doing a great job and would love it if people would send her news and photos from different DDA events to post.

Board Changes

Please welcome Chelsea Letts, who has joined the board as our new secretary, taking over for Lindsay Patterson who left to tackle a great new job.

And after 14+ years of service as trustee, V.P., Tournament Director and all-round helper, Randy Wright has had to step down from the board due to health issues. We will sure miss all of his efforts - but we welcome Monte Yates as our new V. P.! Mike Wood will finish his term.

Also, Chris Walhrab had to resign as trustee to devote more time to his thriving business. We wish him well! His place was taken by Krista Arbogast, a 1st time trustee - welcome aboard!

Sponsor Changes

Mark your calendars as a true change in Dayton Darts - three of our longest sponsors are undergoing major changes. Hank Duff, owner of Hanks Pub, sold the bar to a new owner - appropriately named Chris "Hank" Shay. He has plans to add a kitchen and other amenities to this popular throwing establishment, but keep other things the same. Welcome!

Talk about a change!! Our defacto DDA headquarters, drop off point, and home of supplies, **D.E.A.D.**, is closing for good at the end of December. Lou and Jann, the owners and lifelong supporters of darts, are moving to Oregon. Lou will remain for a while to wrap things up, but now is the time to stop by and say thanks for everything. We wish nothing but the best for both. You will be missed!

Meanwhile, DDA member Dave Holmes has bought the Dart Train on 201 in Huber Heights. Let's all support him!
