

OPPA! Learning Outcomes

OPPA's Education Department strives to create **better communities through better citizens**. Our objective through teaching the performing arts is to foster and encourage in our students the following skills and behaviors:

LEADERSHIP

- Communicate and convey ideas
- Be a positive example
- Develop confidence and courage
- Collaboration
- Effective listening

EMPATHY AND UNDERSTANDING

- Character analysis
- Create a connection between emotions and behaviors
- Observation
- Assessment and evaluation
 - Receive assessment and evaluation gracefully
 - Give constructive and respectful assessments and evaluations

WORK ETHIC

- Respect for self and others
- Self-regulation
 - Accountability and responsibility for personal learning and enjoyment
 - Manage personal preparation
 - Emotional understanding and control
- Integrity
 - Ownership of mistakes
 - Commitment
 - Follow-through
 - Self-reflection
