A photograph of Rhonda D. Brooks and Rodney D. Brooks, the creators of Wallaroo. Rhonda is on the left, wearing a leopard-print top, and Rodney is on the right, wearing a teal polo shirt. They are both smiling and holding large, orange, plush Wallaroo puppets. Between them is a framed sign that says "Welcome to Kangarville" and features a colorful illustration of a town with kangaroos. The background is a dark, patterned fabric with repeating logos and text, including "A-L RAMEL 2 ADULT NITZ" and "PROVOT FRERES".
