# Welcome to The Original Pancake House in St. Louis!

We are excited to offer a quality breakfast with the very best ingredients & truly authentic recipes here in Missouri. Our menu was created by Les Hight & Erma Hueneke in 1953, inspired by their years of culinary experience & exposure to old world methods. This unique menu originated in Portland Oregon but instantly garnered national acclaim, including a James Beard Award. These preparations call for us to grow an old-fashioned sour starter just like grandma used to make & age it in our kitchen for 5-7 days. This cultured 'start of yeast' results in a fluffy & flavorful buttermilk batter that is well worth the effort. In fact we prepare all of our batters, syrups & sauces from scratch. We are also well known for our many signature items. These include our decadent cinnamon glazed apple pancake made with a rich German batter & the light & fluffy Dutch Baby which is deliciously prepared with a lemon glaze at your table.

The Original-Original Pancake House, Portland, OR

The other secret to breakfast nirvana is simple; never compromise on quality ingredients. Offering 93 score butter, 40% whipping cream, thick sliced hickory smoked bacon, fresh grade AA eggs and hard wheat unbleached flour results in genuine goodness.

We serve fresh-squeezed orange juice & freshly whipped cream & butter. We also serve lingonberries imported from Sweden, real aged cheddar, amazing fresh berries, Wolfermann's Deluxe English Muffins, our own special recipe sausage & St. Louis roasted Dubuque coffee made exclusively for The Original Pancake House. As a third-generation family run business, we provide all of these memorable extras to set us apart from the rest. We believe a satisfying breakfast never comes from a box, but from real food prepped in-house by people who care.

It is our mission to provide you with a comfortable & friendly atmosphere while experiencing a truly delicious American breakfast tradition. Thank you for visiting The Original Pancake House.
