

BURGERS & PANINIS

All hamburgers feature free-range beef from the Green Springs Box R Ranch. Box R steers are never confined to feedlots or treated with antibiotics and hormones. Our thick-sliced bacon is specially packed for Cherry Street Meats in Medford, Oregon.

Beef and specialty burgers are served on house-made whole grain buns with lettuce, tomato and onion with a sweet & tangy remoulade (where indicated). Each meal includes a choice of fries, salad or house-made soup.
