## Golf News & Information

## Coastal Bend Championship

Northshore Country Club  
18-hole stroke play championship  
Saturday, January 19, 2019

We are honored that the Golf Channel has selected our Club to host the Coastal Bend Championship for 2019! The course will be closed for regular play on Saturday, January 19 for this event. Registration is open for the event and is available online at [gcamtour.com](http://gcamtour.com) for anyone interested in signing up. Then entry fee is \$150, which includes lunch.

As some of you know, we have already had a few frost delays this year. Kevin has done a remarkable job in conditioning the golf course, particularly our greens. Frost delays are an important part of protecting the work Kevin has done to improve our course. We use Clubster to notify everyone when this happens, and to post general notices about course conditions. Please refer to Clubster regularly over the next several months, as winter weather will dictate many of these decisions. Also, the 90 degree rule is in effect from now until March, and it is very important to follow this rule and help keep the course in the best condition possible over the winter months.

The MGA event in November was cancelled due to the weather. The MGA Toys For Tots outing is Saturday, December 8. Call the pro shop to sign up and bring a toy!
