

CAW's 2022 Fun Run, Walk & Wheel Fundraiser

Last year's Fun Run was SUCH a blast, and we are SO excited to be bringing it back! This document is intended to give you all the information you need in order to participate, help CAW raise money, and have SO MUCH FUN in the process. Please take some time today to look over the details, and don't hesitate to reach out if you have any questions.

Questions about the event? Contact Laura: lauray@camparrahwanna.org

Event Goal: We need to raise \$70,000 in order to finish the Stearns Cottage Remodel project, which is already underway and due to be complete this August! Read more about why this project is important on our website: <https://www.camparrahwanna.org/giving.html>. The total expected cost for all the things we want to do with Stearns Cottage is \$340,600. Thanks to CAW's 2021 Spring Fun Run and Fall Fundraiser events, and a grant from the OSU Extension Services: Outdoor School, we have raised \$270,764 towards that total, leaving around \$70,000 to go before we can say we have enough to complete the work.

How the Fun Run works: Camp Arrah Wanna is a community made up of thousands of people – and when we do things together, GREAT things happen! We hope you will help us raise this \$70,000 by registering for the event and asking EVERYONE you know to sponsor you! Your friends, family, neighbors, co-workers, classmates, and church peeps can donate in your honor so we can reach that goal this summer – the more people you ask, the more successful we can be. We have even provided you with a pre-written "Letter of Support" that can help you invite friends to take part in this meaningful event. And don't forget...PRIZES will be awarded to people who raise notable amounts and participate creatively!

Other Tips & Options to make the Fun Run EVEN MORE FUN:

Assemble a team and run/walk/wheel together! Families? Co-workers? Friends? YES! YES! YES!

Create a Team-Theme and sport your cool (or totally silly) costumes – and GET PICS!

Participants will have 2 hours to run/walk as many laps/loops as they can (10:00-12:00), so the faster you go, the more money you raise for CAW! Distance: 1 Lap = 1 mile

Make your own short (5-minutes or less) video about why YOU are participating and post it on social media as a way to invite your friends to get involved - [#CAW2022FunRun](#)

Share the event website on your social media (Facebook, Instagram, Twitter, etc.)
