

2024 Esplanade + Telar XP Bare Ground Program

February 1, 2024 through September 20, 2024

Get flexible vegetation control and save when you combine the power of Esplanade and Telar XP.

Tank mixing Esplanade® and Telar® XP provides proven suppression of kochia and tough to control weeds such as Canada thistle and field horsetail along with many other weed and grass species. Applicators will receive a \$1,500 year-end rebate for each combined purchase of 24 L of Esplanade plus one case of Telar XP.
