Certification Committee

RMGA will offer its certification program in 2017 to members with one or more years affiliation with RMGA. Participation in the pre-test study group is an option, not a requirement, for taking the test, and previously certified members who want to hone their skills are welcome to join the group, as well. Those interested in participating in the study group should plan to meet at the Englewood Library, 1000 Englewood Pkwy, Englewood, CO, near Santa Fe and W Hampden, on Saturday, January 7, 2017, from 10 a.m. to 12 p.m., though we likely will finish before then. The purpose of the meeting is to establish the study group's meeting dates, times, and locations, and to get organized. The test will be administered in spring, after the study group has completed its work, and thus TBD. Members have previously been sent information on the certification and re-certification programs. Contact committee chair Mary Bendelow at mmbtravel@gmail.com or 303-838-2089 with questions or comments.
