

9

Name _____

Date _____

Complete the area model. Then multiply by using the standard algorithm.

1. 48×36

a.

b.

			3	6
×			4	8
+				

2. 34×461

a.

b.

			4	6	1
×				3	4
+					

Draw an area model to find the partial products. Then multiply by using the standard algorithm.

3. 71×342

a.

b.

			3	4	2
×				7	1
+					

REMEMBER
