

# From the Depths

Rachael Martin 9,22,2016

Have you ever been swimming and you jump in and as you reach the bottom and you turn to come up, your looking up to break the water at the top, and you kind of gauge how much air to let out as you shoot back to the top?

Well... have you ever miss-calculated the amount of air you have and almost ran out before you get to the top and you break the water gasping??

Now is the time to cling to the Rock Who is higher than us... we've been talking about walking in His love and sacrificing the things in our lives that will bring us closer... I'm here to tell you that just when you thought He wasn't close – He's even closer.

The Bible is filled with time after time of the Lord rescuing His children – (Moses, Daniel, Joseph, David, Elijah, Peter and even Lazarus!) His loved ones, His chosen ones from the snare of the enemy. He is still doing the same today – in this day and age – He is **CONSTANTLY** working around the clock on our behalf and He is giving His angels charge over us to pull us up, to brush us off, to open shut doors, to light dark paths, to restore broken situations – to heal broken hearts, to set the captive free and to bring us deeper with and in Him.

Right now in Jesus name I send angels to yours and my rescue to bring what is needed for us and for our family today. I pray that the plan of the enemy for my life and yours – would be pushed back by the **ALMIGHTY** hand of our Father God of the Universe. I activate faith in my life and yours right now and say – greater is He Who is in you and me than anyone in this world. I speak to the mountains in my life and yours – to be cast into the sea and that even in the struggle we will breathe the breath of Holy Spirit and have **EXACTLY** what we need to fight the fight wherever we are for this day – for this week – for this month – for this season. The Lord says **YES** – He says time is **NOTHING** – He can and will move the hindrances and the naysayers – and He will cause the enemy to be crushed under our foot – today – I'm letting out my breath – because I'm trusting the Lord will pull me up and He will do the same for you, amen?

**Psalm 18:16 - He reached down from heaven and rescued me; he drew me out of deep waters.**
