## **Section 2. Contests with Out-Of-State Schools**

- 9-2-1** Schools may travel out of state to compete in contests in states or provinces in Canada that are contiguous to Ohio regardless of distance to travel. The states include Indiana, Kentucky, Michigan, Pennsylvania and West Virginia. The province includes Ontario. Additionally, schools may travel out of state one time per sport per interscholastic season to compete in contests in states or provinces in Canada that are not contiguous to Ohio provided there is no loss of school time. "School time" is defined as any time during any day during which the school is in session as stipulated in its Board-adopted school calendar exclusive of contingency days. Penalty for violation: The school shall be ineligible for the OHSAA postseason tournament in the sport in which the out-of-state travel was involved and could be subject to additional penalties as referenced in Bylaw 11.
