

Organizational Structure Review by CMCS

What you get

- Examination of your structure
- Information about similar organizations
- Comparisons
- Recommendations for change

Special features

- Based on input from Management and staff
- Augmented by CMCS knowledge and BIG Ideas

How we help

- Review of your structure and research of similar organizations
- Focus group sessions with staff
- One on one interviews with management
- Identification of options
- Discussion of options with management staff
- Final report (see sample cover)

Why a BIG Ideas Organizational Review is better

- Third party objectivity
- Capacity to obtain quality input from those involved
- Research and knowledge of other similar organizations
- Testing of ideas before including them in final report

Testimonial

We thank you for it – for its clarity and its honesty. It will provide a basis for moving forward.
