

Middle School Choir

Dates: Wednesdays June 13th-August 1st

From 2:45—3:45

Goals of the middle school choir are to work with students on proper vocal technique and choral singing as well as proper performance etiquette. They will work on expressiveness, focus and discipline during a rehearsal. They will also develop their ear training skills to be able to sing two and three-part music.

With weekly classes through the summer, this class allows a student to miss a class for vacation.

Middle School Choir will perform at The Venue Theatre Summer Showcase on August 3rd at 1:00 pm (Dress rehearsal 11:00 am)
