

The Worldwide Exchange

Privacy Policy 2019

The Worldwide Exchange does not harvest, sell or share any of your personal information for any of our products. Currently we develop and market Cobo.Dating App & Px2 Visual Classified Ads Apps on the Apple App Store. We do own the images and videos you post on your account, for reasons of safety for our users. We have no business model and have not contemplated any scenario to share or harvest your information with any third parties for profit or not for profit. Please read the terms & conditions for more detail as to the company policies and your responsibilities when using our products.

Thank you – 2019
