CUSTOM HEARING PROTECTION

All Ears Hearing Products and Services (All Ears HP&S), is a local, owner operated, all-in-one, hearing conservation business that in addition to training and testing, offers the best hearing protection option available.

I'm Kevin Wolf, the owner of **All Ears HP&S**. I am **C.O.A.H.C Certified**. I make all the ear impressions for **All Ears HP&S**. I've made thousands of pairs of custom earplugs over the past 25 years. I'm very good at what I do and the custom hearing products I make and offer are second to none, custom or otherwise. And I can prove it!

All Ears HP&S Goes To You Company Providing Services as follows:

- OSHA Compliant Custom-Fit Hearing Protection.
- Hearing Conservation Testing.
- Training.

I offer the best hearing protection in: **Comfort, Cost, Peak Compliance & Actual NRR**. I offer every kind of custom earplug there is, including filtered, but the two main types of custom-fit hearing protection used in the workplace are as follows:

1. IM2 PROS/Corded or Uncorded:

- **Cost** = \$60.00 a pair/average about \$1.75 per "work month". Price includes everything!
- 29.9 dB. NRR. (as high as the NRR. of the highest rated earmuff).
- Last an average of 150x40 hour work weeks of use.
- Available in 5 different colors.
- Includes storage case.
- Made in minutes – Ready to use in 5 hours.

2. CHAMELEONS/ Uncorded Only:

- **Cost** = \$120.00 a pair/average \$2.00 per "work month". Price includes everything!
- 28.8 dB. NRR.
- Last 5 years or longer, but at 5 years getting a new pair is advised due to everyone's ears continuing to grow throughout their life. After 5 years these custom earplugs may begin to be less effective at blocking harmful noise.
- Available in dozens of colors and color combinations.
- Includes storage case.
- Allow up to 3 weeks for delivery.

Payment Can Be Made Via Cash, Card or Invoice. 30-Day 100% Money Back Guarantee!
