Development timeline

Data Exchange Model

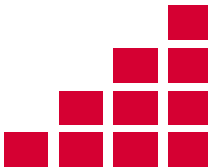

Next phases

2021 and beyond

- + Data receivers
- + Data providers
- + Data types

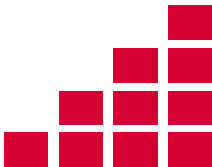

2019 - 2020

- Phase II – institution-to-institution
- PIA - updated
- Institution data mapping
- New institution-side interface
- Improved reporting
- New Brunswick institutions implementing

Lessons Learned

- You don't have to be big to have a big impact
- Plan for the unexpected – be flexible
- Conflicting priorities
- Engage all partners from the start
- Provide support – financial and technical
- Collaboration – locally, regionally, nationally
- Dedicated project manager
 - Keep the momentum
 - Set a regular meeting schedule and stick to it
