## Company Overview

Military Veteran Consulting Solutions, LLC. ("MVET") is a result of an IT Security Consultant, P. Eboni Mearieweather, who saw the opportunity to fill a need for IT Security solutions and to provide jobs for fellow veterans.

Prior to becoming an IT Security Consultant, P. Eboni Mearieweather served in the United States Air Force. Ms. Mearieweather has over 15+ years in the IT Security field with experience.

Military Veteran Consulting Solutions, LLC. ("MVET") is committed to a solution-driven result-oriented process of teamwork. Our Certified IT Consultants deliver the best services to our clients. MVET is comprised of professionals with extensive military and corporate experience creating, building, and managing solutions that support our clients within the public and private sectors.

MVET strives to evaluate, configure, manage, and deliver today's leading industry Information Technology Securities.

Our Team of consultants have spent countless years dedicating our service to our country. Current, Retired, and Veterans of but not limited to U.S. Air Force, U.S. Navy, U.S. Coast Guard, U.S. Marines, U.S. Army, U.S. Guard and U.S. Reserves make up Military Veteran Consulting Solutions (MVET).

MVET is a IT Consulting Solution Company geared towards bringing today's Cyber Security, Mobility, and Mobile Device technologies to the forefront of company demands.

Our experienced Consultants and business focus enable MVET to solve many complex business problems by combining our exceptional Technical skills with our analytical capabilities to mold our interpersonal and communication skills into end-to-end solutions with our clients and exceeding service expectations
