CWC competition singlets are available to check out for use at tournaments. CWC singlets should not be worn to practices. A refundable \$25 cash deposit is required to check out a singlet.

### TOURNAMENTS

While practice is an excellent way for kids to learn wrestling skills, participating in tournaments is the best way to put to use what is learned. Many CWC members are achieving great success at area and state tournaments. Youth tournaments are learning environments with coaches, officials, and teammates offering support throughout each match. If you're a new wrestling parent and want more info on tournaments, please talk with one of our coaches/board members! It's up to each wrestler and his/her parents to determine what tournaments to compete at. On any given weekend throughout the season, there are many tournament options around the state of Iowa and beyond. As a club, we will do our best to communicate each week the tournament that our club coach(es) will be at. Some wrestlers may choose to go to that tournament and some may choose a different option. It is the parents' responsibility to sign their wrestlers up for tournaments. The club does not do this. An extensive listing of Iowa youth tournaments along with the registration forms can be found at:
