

UNITYWORKS

Summer Training Institute

Monday–Friday, August 7-11, 2017, Yakima, WA

UnityWorks is a nonprofit organization that supports educators as they build capacity towards a practice of increased inclusion and equity for the benefit of student success. Involvement in the Program begins with an action-packed, weeklong training designed to prepare teams with the knowledge, tools, strategies and resources needed to improve school culture and student engagement, and to design and carry out a successful Diversity Action Plan.

Training fee includes tuition, light breakfast, lunch, snacks, workbook, and all materials while at the Institute. See our [website](#) for current rates, with special discounts for teams, administrators and students.
