Grapes From the Vineyard, Wool From The Flock

May 1, 2016

The kindness and wisdom of Our Lord Jesus be with you all Heartdwellers. I'm going into prayer after I post this so there maybe a message later today. Please forgive my delays, I'm not quite 100% yet, but I do so appreciate your prayers and kind words to me. I have the most loving and kindly audience I have ever seen on a YouTube channel and I am profoundly grateful for each one of you. Thank you so much for your prayers.

Lately, I've been a little complaining...poor Jesus. I ask for crosses and then when He allows them, I complain. Lord, teach me to be thankful even in adversity. I want this with all my heart.

Gratefulness opens the door to God's blessings in our lives. When we are grateful, mountains of problems are leveled, doors that were slammed shut begin to open, relationships that were frozen cold begin to thaw, heart's desires begin to be manifested through God's intervention. I've seen that over and over again, so the last thing I want to do, even on a practical level, is complain!

I believe the most hurtful thing I have done to the Lord, has been my ungratefulness, complaining and impatience. I believe we all get tunnel vision and forget the many benefits that sustain us every day of our lives, things that we have not earned, things that God has protected and blessed us with.

For instance, I take for granted the blessings others have labored over and forget to really engage those who have helped me with substantial signs of gratefulness. A phone call, a card, special prayers, perhaps a gift, mean so much to those who have supported us, prayed for us, carried our burdens along with their own heavy crosses. But now, our channel has grown so big, we do not have the staff to do that any longer the way we would like to.

I find it interesting that ministries like Voice of the Martyrs also do not acknowledge gifts. They are spending money in the mission field on Bibles, food, tents and blankets, for the destitute. They're really, really living on the raw edge out there. We have a missionary couple who are in Belgium right now, or...gone to Greece, actually. To serve in the camps there for the displaced persons and the refugees. Those people are desperately poor. I really have to give Voice of the Martyrs credit, because they're not doing all kinds of programs to raise money. They simply take care of their people, and they don't get involved with all of that. I may not get a thank you card from them, but I know what they're spending their money on. That makes it all worthwhile.

I believe God's servants and ministers are the most overlooked group of people who work selflessly to help others. They are not the 'hired hands' who run when the wolf attacks the flock. They day after day lay down their lives, their comforts and their agendas to protect those who have looked to them for encouragement in the drought, comfort in an uncaring and callous

world, the truth of Jesus and His teachings in a confused and misinformed world. Their work reaches into the very heart of our lives and helps to keep us connected and healthy to the wellspring of life, Jesus Our Lord.

I believe that how we feel about the Lord is reflected in the way we treat His servants. Are they last on the list in our lives, or first? Do we show our gratefulness by seeing to their basic needs or do we just take them for granted and assume they are independently wealthy.

This is very funny and couldn't be further from the truth in our case. We used to live on less than 1/3 of the national poverty level for the United States. In other words, think of the poorest people you know and consider what life on only one third of their income would be like - and that was us. But kind listeners have helped us and now we are even able to help the desperately poor on occasions.

Our expenses have gone up because we have volunteers that have given freely of their time and we have tried, when possible, to help them along since they, too, live on a very small income. Why? Because we love the Lord with all our hearts, all our strength and our life. Our only love and concern is to feed the flock and bring the Bride into the Bridal chamber. We don't charge for our music, our books or our videos. We do not want anyone to go without the teachings and music God has given us. Freely we have received, freely we give.

The Lord has asked us not to receive any government funding. Come on, guys - don't write into me and say you feel guilty because you're getting government help. Do do that! Because everyone's a different situation. Since we work for the Lord fulltime, He wants us to rely on Him. I can't speak for those of you who are on disability or that kind of thing. I only know what He has told us to do and not to do. So, please don't get scrupulous about this ahead of time, I'm just mentioning it, 'cause I know someone is going to get all upset and worried, "Am I sinning??" So, I'm not going to go there. I just want to say that this was for us in a particular way. Actually, we've lived on His providence for about 30 years now.

He's asked us not to receive any government funding, not Medicare or Medicaid or any other form of income support (accepting nothing from the Gentiles). He has told us that we are a blessing to the Body in that we give her the opportunity to show her love and concern for Him and an opportunity to exercise charity which covers a multitude of sins. Aside from the preaching of the Word, believe it or not, the opportunity we give others to give is one of the greatest blessings we offer.

"Beloved, it is a faithful thing you do in all your efforts for these brothers, strangers as they are. ...You will do well to send them on their journey in a manner worthy of God. For they have gone out for the sake of the Name, accepting nothing from the Gentiles. Therefore we ought to support people like these, that we may be fellow workers for the truth." 3 John 1:5-8

We have gone to war at our own expense, we have planted a vineyard and not demanded our share of the grapes. We have tended a flock and not asked for its milk, so I ask you dear ones to remember us and the poor we serve here in Taos, some of those go without firewood and food even as we speak. We offer you everything without charge, because it is our heart's desire to see you prosper in the Lord. And I think one of the hardest things for us, when we were in need of ministry materials was not being able to afford them. That was really hard, it really left and

impression and I promised the Lord, I will NEVER make materials unavailable to the poor. If they need something, all they have to do is write and we'll take care of it. And as you've noticed on Amazon, we've got the lowest prices possible on our books and things.

Isn't it a truth that your abundance can cover for our lack, and our abundance covers for your lack, and when one in the Body suffers, do we not all suffer? So please, consider the needs we have just to maintain our ministry, so we can continue to love you with His Words, and help the truly impoverished that are right around us.

Thank you, guys, for all your prayers and kind hearts. We are so blessed to have you as our family. And hopefully there will be a message later on today.

Now we ask you, brothers and sisters, to acknowledge those who work hard among you, who care for you in the Lord and who admonish you. Hold them in the highest regard in love because of their work. Live in peace with each other. I Thess.5:12-13

Is Satan Pulling Your Strings??

May 2, 2016

May the courage and truth of God triumph in our lives. Amen. May the dark ways in our souls be revealed by Holy Spirit. Amen. May the sweet peace of Jesus be our witness to all truth that opposes error. Amen.

Well, Heartdwellers, this is the most important teaching I have offered you in a long time. It is the result of those whose souls are in danger. I would ask you to listen all the

way through, because there are some important things the Lord has brought up in my heart that I've shared with you here.

There are some listening in right now who have fallen by the wayside. They are perilously close to losing their salvation and they don't have a clue. Why do I say that? They have not gotten deep enough with the Lord and therefore they cannot discern good from evil. Their discernment has failed them as they follow men and not God.

I will tell you how to recognize if you are one of those according to Scripture. Do you feel bitterness? Anger? Indignation? Self-righteousness? And that you've been chosen to set deceived Christians straight and your way is the only right way?

Who among you is wise and understanding? Let him show by his good behavior his deeds in the gentleness of wisdom. But if you have bitter jealousy and selfish ambition in your heart, do not be arrogant and so lie against the truth. This wisdom is not that which comes down from above, but is earthly, natural, demonic....James 3:13-15

Since there is jealousy and strife among you, are you not fleshly, and are you not walking like mere men? For when one says, "I am of Paul," and another, "I am of Apollos," are you not mere

men?...What then is Apollos? And what is Paul? Servants through whom you believed, even as the Lord gave opportunity to each one...I Corinthians 3:3-5

So, the primary evidence that we're not walking in the Lord is bitter jealousy, selfish ambition, arrogance, lies against the Truth, indignation, self-righteousness and really, a lack of peace. If all these things are churning inside of you and there's jealousy and strife among you, you are not walking in the Lord.

Now, this is only a symptom. I want to go deeper in this.

Please, for the sake of your soul, take a moment, ask Holy Spirit to bring up hidden attitudes that are poisoning your walk with the Lord. Ask Him, then sit quietly before Him and pray this Psalm:

"Who can discern their own errors? Forgive me my hidden faults. Keep your servant also from willful sins; may they not rule over me. Then I will be blameless, innocent of great transgression." Psalm 19:12-13

Go deep, this is about your eternal salvation.

I will tell you why. If you cannot discern good from evil, God from Satan NOW, you will have little hope when the great deception engulfs the world. You say, "Oh no! Never me! I won't be deceived!"

What did Peter say to the Lord at the Last Supper, Jesus said unto them, "All you shall be offended because of me this night: for it is written, I will smite the shepherd, and the sheep shall be scattered. But after that I am risen, I will go before you into Galilee."

But Peter said unto him, "Although all shall be offended, yet I will not." And Jesus said unto him, "Truly, I say unto you, that this day, even in this night, before the cock crows twice, you shall deny Me three times."

But Peter spoke the more vehemently, "If I should die with you, I will not deny you by any means." Likewise also said they all.

Here is a man who was with Jesus the entire time of His ministry. He saw all His miracles, the raising of Lazarus, the Transfiguration with Moses and Elijah, the healing of the lepers, casting out of demons. He was the chosen apostle that was given the knowledge that Jesus was the Son of the Living God, the Christ, and Jesus in turn called him the Rock.

So, what happened here? Very simply, Peter was un-tested and self-assured. He hadn't been through the fiery trial and yet he believed himself impervious to error.

"Oh no! Not me, I will never be deceived. After all I've been a Christian for 25 years, taught and ministered, I know God from the demon, I will never be deceived!"

Do you know, fools rush in where angels fear to go? What do the Scriptures say about that? "Do you see a man wise in his own eyes? There is more hope for a fool than for him." Proverbs 26:12

The number one thing I have taught on this channel in discernment is that we are ALL prone to error. There is no one free from deception. And if you think you are, think again. Think about Peter. Are you greater than Peter? Do you know Jesus better than Peter? Have you witnessed greater miracles than Peter?

Beloved, Paul has warned us, “Let him who thinks he stands ,take heed that he does not fall.” I Corinthians 10:12

Please, take another look inside yourself. Do you feel self-righteousness, indignant, even angry, because you perceive someone to be teaching error, and that you have been chosen to set the world right?

Are you harboring resentment for what a church has done or has failed to do in the past? Were you looked down upon, taught serious error, or did the church fail to lead you to Jesus to have a born again experience? Have you forgiven their failures or is there still a root of bitterness in your heart...that rises up being indignant when anyone mentions that church?

Look at your walk in those days. Were you going along with the crowd, were your motives pure? Were you enjoying the fellowship and not wanting to step out of line? Or were you pressing in, in prayer, seeking Him until you found Him. I don't care what church you are in, Jesus responds to those who seek Him with their whole hearts. Was there corruption in that church? Did you forgive them or are you still dwelling back there in the dirt, hating what was done or not done for you?

What I am saying here is that Satan is incredibly brilliant and knows exactly how to entrap you and control your thinking, steering you without your awareness of it. He knows how to set you up, how to parade lies before you that you'll swallow because you trust the source, and the source was not God. Or you are harboring unforgiveness and these lies justify your feelings. He knows how to set you up to be wounded so you will hate anything that even remotely reminds you of those who wounded you, so you will carry bitterness and hatred around for anything that smacks of that church or your past in it.

Yes, he is the master deceiver. And unless you take everything to the Lord as a matter of habit and get His opinion, you may seriously be deceived and not even have an inkling that you've been manipulated. Most people do not know they have pride and do not know they are being manipulated. That's just a fact. It takes Holy Spirit's intervention and a very sincere soul to be able recognize pride in themselves.

It also takes a soul that refuses to follow man. A soul that refuses to be bitter about the past. A soul that refuses to accept a respected opinion without first taking it to God. A soul that does not fear being ostracized by the crowd for their beliefs, or losing dear friendships. Most of us follow the crowd and protect our friendships and we don't want to step out of line one way or another. Because we don't want to be alienated. And take the pastor's word for everything. Then later we find out they were wrong and we hate them for it.

Whose fault is it, truly? Well, yes, part of it is theirs for leading us into error, but God allowed it didn't He? What was He doing when He gave permission for us to be a cookie cutter Christian?

Was it His fault you didn't go through the painful steps to learn discernment and have the self-control to step out of the crowd and seek the Lord's opinion alone?

"Well pastor so and so said it. He has 5,000 attending his church and he's been to seminary and is mature, 30 years in ministry. So it must be true!" So, you just believe it based on hearsay? It's your responsibility to learn right from wrong. If you're too lazy to do that...well, then you risk your soul.

Why am I being so serious about this? You haven't seen anything yet. You think you're going to stand? For those of you who have abandoned this channel because you heard clever arguments, stupid lies and rumors, tell me. How will you stand before a Muslim with a ten-inch knife in his hand asking you if you are a Christian?

How will you stand at the grocery store, when your children haven't eaten in two days, your cupboard is empty and all you have to do is sign a piece of paper and take a chip in your hand and you're good to go with all the food you need?

I am seriously concerned for those who have not pressed into the Lord and gotten to the bottom-line truth. They cannot recognize truth from error. This is serious, guys. For those who are being manipulated by their anger and resentment at the failures of churches in the past. For those who are so incensed they have no problem throwing the precious baby out with the filthy bath water. If you can be manipulated this way when the wood is green, how in the world will you stand when the wood is dry???

Yes, I am seriously concerned for you. Your eternal salvation is hanging in the balance. You are not pursuing Christ and His love for others; you're feeding on lies, slander, wicked accusations and dusting off your shoulders as if you were a mighty man of God.

Your heart should tell you. Your conscience should have warned you, you are walking in bitterness, anger, bigotry, ignorance and pride. If you feel even a twinge of this, I entreat you to seek the Lord until you find Him. Repent of the dirt you have fed your soul, and find God. Seek His counsel and prepare yourself for what is ahead of you. This is not about me and our channel. This is about your discernment for what is ahead of you.

We are all going to be tried and sifted to the max. If you don't walk in true discernment, humility and charity now, you are a puppet in the hands of the demons. They can get you to accept this and reject that in a heartbeat, because they know your personality. They know your past. They know how to manipulate you into rejecting what is right. And they will have their way with you. You are not assured a tomorrow or time to repent at the last moment. Satan will get you to take that mark and your brain will be tuned out to the Lord and the desire for God forever.

"Oh, no - that will never happen to me. Not me!" Think again. Remember Peter?

So please, go deeper. Seek the Lord until you find Him. I know it's hard work. It's very hard work. But it's work for your soul and your salvation. Seek His wisdom, His counsel and learn to go beyond the surface of what is presented to you. Learn to seek Him until you KNOW you are

walking in truth. And how do you know that? You will feel humility, kindness, gentleness, charity and above all - Peace.

If you don't have Peace, if things are churning and grinding inside of you, and the people you're talking to on Youtube - they are churning and grinding, angry and bitter and hurling accusations - you are not on the right track. This is your salvation. Don't follow those who steal your peace. Get right with God. Discern the Truth. Walk in kindness, gentleness, charity and abide in peace. These are signs that you are walking in the Truth.

Please, take the time to discern. Seek Him with all your heart. And please, I would ask you, that if you know people that have formed channels against us and you've been on those channels, that you would leave a link to this message for them. Because I really feel it's important for people who are engaging in this slander, for the safety of their souls.

The Enemy's Next Move Against You

May 3, 2016

Dear Heartdwellers, be sly as a serpent and gentle as the dove. May your ears be opened to the instruction of the Lord, and may your hearts receive His courage and grace. He truly is with us, even as we speak. Amen.

Well, before I share the message with you, I really want to thank you all for responding to the needs of our channel. Many of you have been very kind, and we certainly appreciate it. It makes it possible for us to be faithful to you everyday. So, a great big thank you to those of you who care so much.

And I just wanted to take a moment to clarify something, so there's no confusion. Yesterday was a teaching, but I really felt that the teaching was from the Lord. When the Lord talks about it here, He talks about it as a message. And that's probably just because I was really sharing from my heart, and He was really behind that teaching yesterday. I just wanted to straighten that out so you'd understand why He referred to yesterday's teaching as a message.

I began speaking with the Lord, "Jesus, my heart is so pained about yesterday's message."

He began, *"I have wanted to address this, Clare. I've been tugging at you to listen. My Children and My Brides, have I not warned you that evil was on the increase? I have seen how fragile you all are, falling under pressure. That is why I allowed the weasel to take CERN down.*

"I warned you months ago that things were going to get very, very hard. Everyday harder. I was quite serious, but many of you did not pay very close attention, or you had no way of anticipating and knowing what was really going to happen. And some of you have fallen for Satan's deceits and are no longer with us.

"When I say harder, I mean in every conceivable realm. Not just physically, but emotionally, spiritually, mentally. Yes, evil is on the increase exponentially. I am also releasing graces

exponentially, but many of you have not been vigilant and strengthened what remained. So now, I am calling your attention to it. Strengthen what remains. I'm giving you instruction to strengthen you. You're growing. You're growing in grace and stature and in strength against the enemy. You're becoming formidable against the enemy. Continue to grow in this. But you'll only grow if you're vigilant and you don't allow Satan to steal anything from you.

"Some of you I have allowed to fall because of your pride. It is better for you to see yourself as you are now while there is time to change. Some of you fell because you were not paying close attention. Some of you fell because you thought you were stronger or smarter - especially here on the channel. You couldn't understand how others could be so ugly and thought to yourselves, 'I will never do that.' Then curiosity led you to listen to their lies. The lies took root and undermined your faith in Me. They put cracks in the foundation.

"Oh, do you know that this an invitation to evil? Those very words, 'Not me. I will never fall.' Yes, that is an invitation to the enemy. He sees that you feel secure and he also sees your limitations, so he exploits them. Unless you are highly vigilant and spending sufficient time with Me, he can easily outsmart you. That is exactly what has happened here. Certain people didn't realize how vulnerable they were to men's reasonings. They didn't realize they had a bias, an area of scorn, contempt and bitterness for others. And that opened the door to a fall.

"Whenever I instruct you, there is a very specific reason. I am warning you of the enemy's next move. I can see the traps as they are preparing for you. I can also see your weaknesses. I pinpoint a dynamic everyday to warn you of what is coming. If you don't obey, you open yourself to a fall. You cannot outsmart the enemy if you do not follow Me in obedience. You are no match for them without Me. And when you go out from the sheep pen without Me leading you, you are indeed without Me, in the sense that I cannot protect you from what you openly pursue against My will.

"So, I gave some very serious warnings beginning in February, that evil had increased and would continue to increase as we approached the day and the hour. I told you it would get harder and harder but I would be with you to help you overcome your trials. I never left you, but some of you left Me.

"Now I say to the new ones on this channel, never take My warnings or instructions to you for granted or take them lightly. Always pay serious heed, because I am preparing you for the snare that has been laid at your feet. And if you obey, you will not be captured.

"If you are approached by evil behind everyone's back on this channel, do not entertain or try to reason with these people. Many of them have been trained in years of religious arguments to take away your freedom in Me. Others are just well trained trolls, souls for hire that are happy to defame anyone for the right price. Some are atheists and totally blind to the truth. They pose as Christians to capture their audience but they are full of beguiling and rebellious spirits and their only motive is to kill, steal and destroy all the good I have imparted to you in your walk with Me.

"I am ever by your side, continually watching over you, whispering in your ear: 'Don't go there. Do this - it would be good if you did that.' 'Don't answer that, delete it.' Yes, I am advising you continually. But My voice is so familiar to you, you actually believe it to be your own. But if you

listen very carefully, you will realize that thought did not originate with you...it came from a different source.

"So you say, 'What if it came from the enemy?' Well, you will know immediately because you will lose the peace you had five minutes ago. When that happens the suggestion is from the evil one, rest assured. That is THE acid test. Did it leave you in peace? Or in turmoil?"

"Well, My precious ones, how I dislike to give you a negative message two days in a row, but I am preparing you for the battle that lies ahead and there is no easy way to do that. Understand that if you have discerned it is truly Me speaking to you through this Still Small Voice channel, and you are contacted by people claiming to want to save your soul, they are either very deceived or hired by the enemy. In any case, they are working for Satan, whether they are aware of it or not.

"The Pharisees seemed pious and good, but they crucified Me. That same spirit is now stalking you on this channel; forewarned is forearmed. If you post here, you will most likely be targeted by them. Do not reason with them. You cannot reason with a religious spirit, you cannot reason with a bigot, you cannot reason with a Satanist or an atheist. And they will try to draw you into a dialogue by saying something that isn't true to get you to begin your response. You will go to defend Clare and then they will have you engaged. The next thing you will lose is your peace. They are very skilled in doing this.

"Atheists in particular are extremely irrational and have no sense of the realities of this world. I could stand in front of them and make lightning descend from Heaven and they would look at Me and say, 'O.K. you got me there. How'd you do that?'" And they would continue to assert deception on My part, because they are in total darkness and blind.

"So you see, these are the types that will go behind Clare's back and try to reason with you. I have warned you, Dear Ones. Now I bless you with the grace to arm yourselves with My instructions and protect the deposit of faith I've entrusted you with. Some of you are being raised up as My front line warriors and you are learning invaluable things about your enemy. Understand: that is one of the main reasons this channel is targeted. The enemy is furious that I am teaching you about his tactics.

"I love you, My Bride. I cannot wait to be with you forever."

How Does A Fall Happen?

May 2, 2016/May 5, 2016

The Lord is with us dear family, and may the blessing of His wisdom rest upon us.

Forgive me again, Heartdwellers. The Lord gave me this message on May 2nd, which was two days ago. I saw it on my desktop but I thought 'Oh, I didn't finish that message.' So, I thought I'd pick it up again the next day.

Little did I know that it was almost complete. So, I got started on it last night, and what should happen but the power went out - all over Taos, right after I started it. So, this message should have been up this morning, but because of things beyond my control, it wasn't. So, I'll go ahead with it.

When I picked this message up, I saw that it was along the lines of the last two. I asked the Lord, "Dear Lord, have you anything new to add to this message?"

Jesus began, *"Only that I wish you had given it yesterday."*

I'm sorry, Lord.

"These things happen." He replied. "But it's time to move on. Yes, post the message and let Me say that many of you have recognized things planted in your hearts by the enemy and you've turned your course around. With you, I am well pleased. You have learned and taken to heart a great deal in a very short time. So, now you know yourself and your enemy better and better. What I have for you next is another layer of blessings. It's time to move on and live in My blessings until I come for you.

"Some of you have anointings. You can feel them rising up in you. Things to do you've never had the courage to do before. You will be opposed, but ignore the opposition and hold to the inspiration. Protect it like a newborn babe, for surely it is just that full of life and vulnerable to the scorn and contempt of those who prefer to stay where they are and not tackle anything that could result in failure. But the wisdom you have garnered about the operation of the enemy against you is something you need to set in concrete and not allow the enemy to steal from your memory."

And I just want to say on that note, the Lord, when He said that there are those who don't want to tackle anything that could result in failure - oh, I've certainly been guilty of that. In fact, that's kind of why I balked on doing the portrait, 'cause what I have in my mind is way beyond anything I've ever done before in art. So, there was a part of me that was afraid of failing.

Because of that I didn't start on it sooner. And that's one of the reasons I'm lagging behind on the messages. I've been getting all my materials together and there are images bubbling up inside of my heart. I'm waiting for one more thing to arrive and I can really get started. This portrait that He's asked me to do is going to be different, because He's going to be looking right at you, and He's going to be in love with you. And you'll pick that up the minute you look at it. "Wow, He's in love with me!" So, that's the main thrust of the portrait

And, by the way, I'm expecting Him to execute that! I'm not for one minute thinking I'm going to be able to do that. I have a certain amount of ability, but this is WAY beyond my skill level. And if He hadn't assured me that He would do it, I wouldn't be touching it with a ten-foot pole! I have to say that this project, and other things that the Lord is bringing up for Ezekiel, has transformed our household into a joyful place, filled with new life.

So, if you've got something on your heart that He's putting there, don't put it off. Don't put it off! Go for it.

"I will bless what you undertake on My behalf," Jesus said. "Just proceed with caution knowing that whatever you try to do in My Name, the fruit will be copious and so will the opposition. Ignore it and follow the sweet anointing in your heart."

Okay, now this is a message from May 2, 2016. And it goes along very well with the other two. A little bit out of sync here.

May 2, 2016 After communion I saw the Lord with the crown of thorns and weeping.

"There are some who will not listen to this message and for them it is the beginning of the decline of their souls, and some will never recover."

"They had such sweetness in My presence here, Clare. They were truly making progress in their relationship with Me. Each day they were growing in holiness and awareness of their sins. But now they have turned a deaf ear to Me and to this channel and are stubbornly pursuing their rancor under the guise of crusading for the truth."

"Oh, how I weep for these! Their souls are in decline, some of them will never recover. Yes, some of them will pay the ultimate price. If the devils could not get them to sin in the flesh, since they could not entice them in this way, (in order) to retaliate against Me for this channel, they are falling through arrogance and pride and taking as many with them as they can. They have lost all sense of conviction and holy wisdom."

And I know about that arrogance, guys. I got a taste of it yesterday. I got involved in something quite a ways back, investigating something. This was long before the Youtube channel. Investigating something that I was curious about. And the Lord had discouraged it, really. But I was just - I was so far into self-will on this topic I just thought to myself, 'I gotta know this.' And I just pushed through until He finally got through to me and I put it down.

But not before I had solved, what I felt, solved the mystery. And I'm not going to tell you what it is, because if I do, you'll all want to get involved, too!

So, I made the mistake of sending this around to the prayer chain, to share with them. One particular person had some prior knowledge of it and they had a different viewpoint, and they sent their reply back to me. I pressed in on my viewpoint. I mean, it wasn't ugly or anything, but there was obviously a difference of opinion there. I went to write this person a letter, and I started thinking, 'I shouldn't have ever done this.' It really was not what I was supposed to be thinking about. I wasn't supposed to be sharing it with the prayer group.

I said, you know, I wasn't obedient. And then I heard in the background, "And you're very arrogant, too."

I knew that was the Lord. I knew I was being arrogant, just asserting myself. "I'm right. You're wrong." Ugh, so I know about arrogance. I can fall into that in a heartbeat. That's the reason why He didn't want me getting involved in that investigation. He didn't want me getting involved in that, because He knew it would bring up my pride and arrogance and feed the wrong side of my character. So, it can happen in a heartbeat! Beware, lest you think you can stand. You may very well fall.

So, repeating what the Lord said, *"Oh, how I weep for these! Their souls are in decline, some of them will never recover. Yes, some of them will pay the ultimate price. If the devils could not get them to sin in the flesh, since they could not entice them in this way, to retaliate against Me for this channel they are falling through arrogance and pride and taking as many with them as they can. They have lost all sense of conviction and holy wisdom.*

"They are blinded by bitterness and pride, unable to see the gifts I have placed before them. Having lost recollection of their progress on this channel, they are sliding back into their old ways and have lost sight of Me in their lives. To them, I was but a phantom, a deception who never existed. My overtures of love have been scorned now and replaced with bitterness, envy and pride.

"Oh, how I lament for these who have slipped through My fingers. Pray for them, dear ones, pray for their salvation. For the judgment they passed on this channel has become their own before the courts of Heaven. Yet, never will I abandon them. But do you understand? I offered them the choice fruits of My Kingdom: My love, My fellowship, My very heart. And now all of that has been swept away and concealed under a carpet of bitterness woven with beguiling threads of self-righteousness, envy, pride and arrogance.

"My heart aches for them. And all I showered upon them now will go to other souls who have Me in their midst. Souls that will respond to My tender invitations to grow in holiness as I lead them hand-in-hand. Yet I lament the darkness has settled over so many, having lost their connection with Me. They now are the ones falling under the spell of beguiling spirits of Self-righteousness, Religious spirits who applaud them for their valor in coming against Me and denouncing you.

"This is the lot of those who refuse to seek Me until they find Me. The lot of those who spurn humility and meekness and seek to rise above others in stature. This is the lot of those who stopped short in prayer and received the deceptions of men offered to them, that they might be "knights" taking down an evil doer, rather than pressing in, fighting the good fight and recognizing their own error, bitterness and jealousy.

"My children, do not abandon the daunting task of discernment, ever. Your very soul rests upon this knowledge and ability to recognize good from evil. Once you lose that, you are like a pilot in the fog, who cannot tell up from down, who cannot get his bearings and eventually crashes to the ground.

"You can never afford to trade opinion for discernment. Never. Please, let it be a lesson written in My Blood: never choose opinion over heart-wrenching prayer and discernment. The days of the dry wood are approaching and the campaigns for replacing good with evil have already begun. Many who thought they were impervious to deception are even now approaching closely, without recognizing they are in danger.

"Satan will use the weakest parts of their character to lure them in. For many, it is financial security, for others popularity and solidarity. They did not recognize rancor in their spirits at the very onset. Rather, they toyed with evil and listened to lies. Soon, those lies took root and they became disseminators of deception. Evil fed their sense of importance and self-righteousness and they began to throw off the fetters of deep, persevering prayer in favor of the accolades in defaming the innocent. The devils around them rejoiced and they felt high and important. This only spurred them on to greater and greater calumnies. Now they have thrown off all fetters of

decency and run with the demons that incited them, collecting more and more arguments for their errors.

"My children, never, ever, throw off prayer and discernment for the opinion of men or demons. Never respond to rancor and throw your lot in with evil-doers. Never trade the mansion in Heaven for a place in the furnace prepared for the devils. Never be lazy in prayer and discernment. Understand: your very salvation can be put at risk by coming under the yoke of calumny and gossip.

"Now, I will explain to you how it is with those "Christians" who lose their salvation. They are like the seed thrown on the rocky soil. At first they receive the message with joy, but when the honeymoon wears off and they are called to holiness of life, they balk. Satan watches for these, the crows come and snatch up the sprout and devour it.

"I offered them Love, but they disdained the discipline of the Lord. They saw the great price involved in loving others and conquering their sin nature and putting on My meekness. This was too great a price to pay. Secretly, they congratulated themselves that they were OK and even better and wiser than others. They thought they could toy with evil, slander and lies and remain unmoved. In the meantime, the devils fed them with the most clever and logical arguments, shredding their faith in My simple goodness to pieces.

"I 'never knew' them in the sense that they did not lay their lives down once and for all at My feet and allow Me to surgically remove sin from their lives. They were invited into the depths, but they never persevered until they truly knew Me and My goodness. They were double-minded, clinging to their intellect and questioning those things that resonated deeply in their souls. Rather than accepting like a little child, they cut it open with their intellect and lost their innocent faith.

"Yes, the devils are clever, especially for those who are holding back from Me and not dying to themselves once and for all.

"There are others that have been innocent, but deceived. Their only fault was that they opened themselves to poison. They knew it was evil, but they listened anyway. My Spirit warned them, but they ignored the warning. Very much like you do, Clare, when you want to watch different teachers and prophets.

"They felt the uncleanness of strife, rancor, but for the sake of entertainment and perhaps learning something they listened anyway. I warned them. Many of these souls were here when I went on an extended campaign to warn them against gossip and slander.

"I will tell you this: many very clever demons have been assigned to assassinate your character. Many extremely skilled Theologian, Pharisee, and Religious spirit demons have undertaken this endeavor for the enemy, who has offered them rewards for each soul they divest of the intimate relationship they once had with Me.

"So, there you have it. The very sad truth and how the dynamics of the enemy have succeeded with souls that lent their ear to what I warned them to stay away from. There is tremendous power in words. That is why I have prevented you from reading their posts. I do not want your

faith in Me weakened in any way. As long as you obey, Clare, you will do well. But if you get curious, you will pay the price of agony and injury to your heart."

And I would like to say, as an aside here, please. Please. Let this go deep. I have discovered that curiosity is the number one tool the enemy uses to get us off track. The other demons step in and take you the rest of the way, depending on what your particular fancy is. But they get us started going in the wrong direction with curiosity and the "need to know". Which happens to be one of the by-products of Pride. Because when you have pride, you want to have the answers. So please, be forewarned. Curiosity is highly dangerous. Cut it off as soon as you feel it rising up in you. Cut it off before it really allows you to be damaged.

The Lord continued, *"Please obey Me in this. Stay away from slander and evil speaking. When you do come across that post that begins to detract, delete it immediately. Do not entertain it or try to reason your way through to them. You cannot reason with a demon. They will always find the hole in your armor and stab you where it hurts the most. Rather lift that shield of faith and cut the wicked head off before it reaches your heart.*

"Now, I have brought many new brothers and sisters to this channel, and in this teaching, I am advising you - do not suppose you can play with fire and come away without being burnt. You have discerned that I am truly on this channel. Do not go probing around in the garbage out of curiosity. Follow your heart, and your discernment. Do not allow yourself the liberty of engaging in curiosity. Protect your relationship with Me. I have begun the good work in you and if you are faithful and obedient, I will complete it. You have a choice. Choose wisely.

"I bless you now with the grace to recognize evil and cut it off before it takes root in your heart."

Your Very Special Destiny

May 7, 2016

The sweet Presence of Jesus be your consolation and hope, dear Heartdwellers.

I asked the Lord, "What's on Your mind today, Lord?"

And He answered me, *"Brevity. The brevity of life and how I wish for you all to make the very best of it. That does not mean conforming to the will and norms of the world. No, it means seeking Me until you find Me and conforming to My will.*

"You see, the world has its own agenda and it shouldn't take much thought on your part to discern who's behind that. It is rigged so that you will be streamlined right into the place that is convenient for the world and its norms, not for your individuality and who I've created you to be, who you truly are, and what gifts you've been given. Those that are lying dormant that you're not aware of.

"It takes a strong soul to think outside the box and swim against the current. A very strong soul. Some are endowed with this strength, others can obtain it or even gain more from Me. Either

way, when you and I work together, I will fulfill My agenda for your life. You walk in a supernatural anointing that will carry you through every storm.

"Most have had their dreams stolen at a very young age. They are taught that money is the norm, security and respectability is essential and those become your life goals without even thinking about it. How terribly this strips the soul of incentive! The unique qualities I've endowed them with just wither in the heat of these demands. Before a soul strikes out on any endeavor, he asks himself, 'Can I make money? Will I be secure in this work? How can I build my life with this work?' Those are sad, sad questions, totally missing the point of life and the things that will bring you the most joy.

"People with musical gifts 90 percent of the time abandon the idea of living as a musician and sign up selling insurance, or as store clerk, or a desk job where 5% of their ability is called upon to do a job. Some dedicate their lives to advanced training in universities so they can make more money, in the hopes that that will buy them the free time they so long for to devote to their music.

"Do you see, Clare? The most profoundly beautiful parts of a soul's life are cut off before they can mature.

"My Heart is that every soul is endowed with skills and gifts that bring joy to their work and those they serve. Every soul has something to give that fits into the scheme of things and makes the world a more joyful and rewarding place. These are the little things that are so often overlooked in favor of security and respectability.

"These gifts are either tangible or intangible - like prayer. When a soul finds this gift, he should embrace it with his whole heart and never let it go in favor of a carnal agenda or the agenda of his parents. Your parents have lived their lives and made their choices. You now, in turn, have the opportunity to make your life count in this world in the time left to you.

"Very soon now, the world will be catapulted into survival mode and that will open opportunities for you all to take another look at your lives and where you were headed. But until that happens, I am calling you to press into My Heart. Dwell in My Heart. Do good wherever you find an opportunity, grow in virtue and fight against the temptations that assail you, even by calling your love for Me to mind. A demon cannot gain control of a heart that is full and running over with Love for Me.

"As you grow in virtue, I will begin to release to you the secret dreams of your heart. The pure ones, not the concocted ones that feed the ego, the bank account, or your popularity. No, the ones from Me, planted there to someday be activated and grow into a tree that bears sweet fruit and shade for the birds of the field.

"Some of you have had glimpses of this place but not the courage to pursue it. The courage will come from Me. I will anoint you, open doors and bring you along by a way you've never thought possible. I will lead you down crooked paths that result in a straight line to the destiny I planned for you before you were sent into this world.

"My ways will make no sense to you. I may tell you where I am taking you, but you mustn't run ahead of Me. I have to take you through many layers of lessons before you can function safely and eventually shine in your calling. Each thing you do, each job you have will prepare you for the next. I will give you joy at each step along the way. You will know you are in the right place, because you will feel a certain peace. Saying, 'Yes, this feels right. I don't know what You're doing, Lord, but this does feel right. It feels like You.'

"The greatest danger is for you to take things into your own hands and say, 'Well, He's given me this vision, so I'd better do this next.' That is why you must dwell in My heart. I will lead you with My Love and you will have a peace that is beyond what the world gives you, even in the lowliest of positions, even in the most difficult circumstances. You will have My peace."

And at that point, I was thinking of the mistakes I've made in running ahead of the Lord when I had a vision, or He gave me a word about something. The Lord wanted me to share it.

And I said, "Oh Lord, this is awkward."

"Transparency always is when you're not perfect. Please share with them?"

Well, I knew that someday I would be leading a community of sorts. I knew the Lord was going to use me in a teaching and healing the inner man capacity. And I had an extreme love for the wilderness. I imagined this community would be in the wilderness of the Sangre de Cristo mountains, and the Lord even pointed out the land. So, we obtained this land and built several buildings on it. People came sporadically, but Ezekiel and I did not yet have the maturity to lead a group and we had internal family issues that really needed to be resolved first.

Nevertheless, I held onto this dream, along with the dream that we would be traveling in an RV and meeting people all over the country and the Lord would draw them to a community. I was so frustrated when the Lord made it clear we were not to have an RV and things on the mountain were not solid enough to include others.

I remember, we went shopping for an RV and found one that was perfect. We were going to buy it, but that night the Lord began to show us that was NOT His will. I remember saying, "But Lord!!! How are we going to travel? You know I can't stand motels." But He was silent.

So, we started attending a local church, getting to know people and we found they were totally uninterested in our spirituality. Just...blah. Just totally uninterested. We had one meeting here and it was a flop. Again, this was done in my own will and in my flesh. It was never meant to happen in this town.

Never did I expect for Him to build a cyber community of people from all around the world who were hungering for intimacy with God. Never in a million years did I expect that. What I thought He wanted and what He really wanted were miles apart. But He did insist I work hard on teachings on YouTube and eventually His true will manifested in a community of souls unlike any other, souls who loved the Lord in a deep and profound way and loved each other. I say "like no other community," because I've not found one of YouTube channel with people as sweet and good and dedicated to the Lord, and mature and loving as you guys.

But the bottom line is, I tried to make it happen on the mountain. I tried to make it happen traveling, and that was my idea of how to make it happen. So, my advice to you all is, let Him do it His way and don't for one moment try to assert yourself and your way.

At this point, the Lord cut in and said, "And that's the crux of the issue. Let Me do it My way. I will lead you step-by-step if you live in the present time, according to My precious will. I know where I am leading you. In many cases, I have put a spark of love in your life for the very thing you will one day be doing. I will confirm it to you. But then you must let go. Just as Abraham knew his descendants would be as numerous the stars in the heavens and the grains of sand, He didn't do it with Hagar the slave woman. Rather, He did it miraculously with Sarah.

"Yes, I love to do things miraculously. I love to get the credit. I love to see the hopeless come to life when I breathe My promises into their hearts and minds. And there is no better way to draw them to Me than by your holy example as you live the life I've called you to and carry your cross.

So, My children, let me encourage you now, You have a very special destiny, each and every one of you. One that only you can fulfill - no one else can fulfill it. Seek Me until you find Me and I will reveal it to you.

"I bless you now with a hunger for Me and My calling for you."

I'd just like to take an aside here and just share something with you. Some of you have worked your whole lives in the Lord's vineyard and are waiting for the trumpet to sound to be taken to Heaven. Others of you are young and know you are called to live a life here on Earth and not go in the Rapture. Still others are hearing this message for the first time. The Lord wants you to understand that life is full of surprises, and the unfolding of your life is certainly one of them. That's built on intimacy with Him in prayer. It is a deep and abiding heart-relationship with your Creator and best friend. To worship and adore Him in spirit and in truth brings you into the throne room of His heart where all life and joy is manifested.

The Lord is not a pigeon-holing God. No, not at all. He is unique, just like all the life forms around you, and each of you are born for such a time as this, with gifts of grace that will make a difference in the world and draw others to His Kingdom.

So please, don't think for one moment that being a Christian is a boring life of conformity. Because it is anything but! I've followed Him for almost 40 years and I can tell you that living for Jesus is the most wonderful adventure anyone on this Earth can have. It is supremely rewarding. And the sweetest thing you will ever experience in your life is His Love for you. As well as the deepest challenges and pain as you carry your cross the way He has asked you to.

"Deny yourself, pick up your cross and follow Me."

He will empower you every step along the way. He will protect, strengthen and complete the good work He has begun in you. Don't be afraid to lay your life down at His feet and say, "Lord, whatever Your will is for my life, I give You my life to live." And remember what He said: He who would save his life will lose it, but he who will lose his life for My sake will find it. Matt 16:25

Nourishment Every Day

May 8, 2016

The Lord's Mercy is our shield and comfort, dear Heartdwellers.

As usual, I have had some struggles with the black panther demon, temptations to waste time and distractions. I am feeling quite convicted today so I began our time together with an admission.

"Here I am, Lord. Your miserable little one."

He replied immediately, *"Don't say that about yourself. You are not miserable, you're redeemed and that's something to rejoice over."*

"I will never leave you or forsake you, Clare. Even at your worst, you are still My Dove, and My Love. So, please, get used to it, Beloved."

"Jesus, I need your help. I don't want to be anywhere near the world anymore and I'm having a really hard time withdrawing. It's very sad. I miss You, Jesus. I'm too caught up in these things. Please, tell me what to do. Please?"

And just to give you an idea, I've got this Spring cleaning bug. Every time I see something out of order that needs to be taken care of, I dive in on it. I don't need to be doing that. It's really pulled me away from the Lord. So, that's part of what's going on.

He continued, *"Begin your morning with Me, Clare. You've fallen for the enemy's ploy to rip you away from Me. You know what a perfectly balanced day looks like. You have some wonderful people on this channel and they understand when you don't have a message up first thing."*

"But Lord, I feel badly because I know they look forward to hearing from You."

"If they would say to Me, 'Jesus, Clare did not put a message up yet, would you please give me something to feed on from Your own hand?' I guarantee they will be quite surprised with what they come up with. Sitting quietly before Me, after communion, pen or computer in hand, pour your heart out to Me, My Brides. Speak tenderly to Me about your fears, insecurities, hurts and disappointments. And your joys, too! Thanksgiving is the key to My heart. I do so much for My own and yet they forget to thank Me. They take Me for granted like their husband of 30 years."

"No, no, no. I am fresh and new every morning and I long to be recognized as fresh and new. Even when I am suffering, I am still new and full of life everyday as you come to Me in prayer. I love listening to you as you pour your heart out. And I cannot prevent Myself from responding. I am so touched when you speak to me so candidly and expect to hear something back...even just a faint reply. How can I possibly pretend I am deaf?"

"You see, you don't want to become dependent on Clare for a word. No, become dependent on Me for a word. I am always with you, always. Have you forgotten I am omnipotent? That means having unlimited power; able to do anything. Do you think responding to you is outside My realm of skill? Of course not. What is lacking in you is faith, the faith to believe I am truly speaking to you. The faith to believe I really want to speak with you. I really do value your company and long to share in every facet of your lives.

"Why do you suppose I have inspired her to launch this channel? Is it not to teach you how to expect Me to speak with you, to love you, to care for and cherish you? The prophecies and mysteries I share here are not nearly as important as you catching the wind of My Love for you. That is why I come to Clare, because I want you to see how easy it is to speak with Me, once you are tuned in.

"Most of you have been ruined by guilt; you aren't good enough, you dare not approach Me. But look at the men I chose to be My apostles. None of them were well-educated, except the one who betrayed Me. They were simple men, lowly, hard working laborers, not educated, rich or of the ruling class.

"These choices were deliberate on My part. I wanted you to see that you qualify for being My friend. I made it simple, because I wanted you to be a part of My life, My conversations, My times of sorrow when I need consolation. I couldn't have made it plainer. Yet you still avoid coming close to Me. Have you not repented of your sins? Do you not know that I promised I would complete the good work I began in you the day of your salvation?

"Yes, it is true, I have much work to do in your souls. As long as you don't walk away from Me while we are working together, you can rest assured, I will complete it. It's up to you; it's there for the taking. Go about day to day asking Me to use you to touch someone with My Love and I will surely answer that prayer. Begin your day by asking Me to arrange everything according to My liking, and then follow the flow, in steadfast obedience, doing all I set before you for love of Me.

"This is what the saints in Heaven are made of. Sheer obedience out of love for Me. They did every thing from a motive of love for Me and for their neighbor. Their hearts were purified by this motive. Nothing difficult about it, simply do everything out of love. Never out of selfish motives, never to be seen or heard, never to harvest a worldly reward, but sheerly out of love for Me.

"Oh, when I see you living a life of sacrificial love, My heart beats almost out of My chest, I am so inspired with love for you. To see My little Christs (Christians) called by My name acting like Me out of pure motives, sets My heart ablaze with Love. Go to your Scriptures and Bible promises and even rhema boxes frequently to see what I am thinking in any given moment. I will steer you through such means. I will inspire and reinforce you, encourage and even correct you when you need it. No need to be afraid. Don't you know that even My corrections are done out of love to bring you to perfection?

"Without direction, you soon become a reed swaying in the wind and are easily thrown off track. But when you've taken the time to entreat Me, listening to Me, using the tools you've been given

on this channel, you become rock solid. Your foundation is secure. No longer are you rooted in sand, your roots have now taken hold in the rock.

"Without this grounding, you may as well go your own way. You will only endure just so long...like the seed thrown on the rock, and the seed thrown under the thorns, you will soon lose the intimate love and invitation to live and dwell in My heart. And you will not withstand the hurricanes of life that are brought against you to unseat you from My will.

"There is no way you can live in My will, with all of My blessings, without substantial time with Me. Real time, heartfelt time, honest time, pouring out your prayers, petitions and concerns to Me and listening for My solutions. Using the tools given to you to get started. You cannot survive planted deeply in My will without it."

And when He said that, I saw feather floating down from Heaven, a very light-weight little feather, a downy feather. It was just falling down from Heaven. And I was inspired to say that His voice is like that: very delicate, very little, very quiet, very gentle. I go into that a lot more in my other messages from the Lord about this issue. We've got an awful lot on how to hear from the Lord.

The Lord continued, *"When you allow yourself to compromise your prayer time for other activities, you put yourself in great danger. The briefing I would have given you that morning never gets to your heart and mind and you're a sitting duck for the tactics of the enemy. That is why he will try to overwork you, give you a job that leaves you exhausted at night and unable to pray. It's up to you to draw the line, My children.*

"The world will continually push the line back further and further taking away from your life to feed its endless lust for power and prestige. It is totally up to you to draw the line against the world and enforce it. Beware of the slowly encroaching jobs that everyday seem to demand more and more from you. Satan works on a subtle level in order to draw you in before you know what's happening to you.

"So, when you see your days getting longer, harder and more demanding, take a look at two things: the world's motives on you and your own ambitions. Yes, ambition is a killer in our relationship. Ambition is a vestige of this corrupt world. Living from day to day with the only agenda of loving Me in everything you undertake or do for others, will keep you from throwing your lot in with the world and becoming ambitious.

"These are some of the things I want you to consider in your relationship with Me. These are the little foxes that nip at the vine and spoil the harvest. These are the dark forces that will eat the very life out of you until there's nothing left for you or for Me. Be aware of these, My Doves. Be wise as the serpent and draw the line. Do not allow the world to bleed you dry. Rather protect the precious flower of our relationship and continue to build on the Rock.

"I bless you now with the wisdom that comes from above, that you might be able to look at your life and the things you spend your time on. And recognize areas that are stealing from our relationship."

Stand Up, America & The Wise Virgins

May 9, 2016

May the courage and stamina of the Lord uphold us all, Heartdwellers.

Well, after my prayer time, the Lord went right into the message.

He said, *“As things begin to heat up in your country I will be calling more and more souls into prayer. Yes, I have given some pleasant and hopeful things to do, but intercession right now is increasing in need. Those who oppose Trump have planned several assassination attempts but I will foil them all if only you will pray and raise a standard of protection around him and his family. I do intend for him to take office, that is My intention. But for this to happen you must all pray him in with fasts and offerings.*

“His family, as well, must be protected as many curses have been leveled against them. I am calling all Christian leaders and ministers to strip these curses off daily. They cannot succeed if you all are doing your jobs. His safety is reliant upon your prayers, all of you. Not just those who tune into this channel, but all of you around this world have a part in bringing a reprieve to America.

“As souls continue to be gathered into the Kingdom, I continue to hold back the wrath from moment to moment. Do not grow bitter like those of the world who say, 'Where is the hope of His coming?' These thoughts are of Satan and meant to undermine your faith. If you give them air-play and go into agreement with them, your faith will be compromised. Rather stand strong and tall with Me as I gather in those that remain and remember the parable of the virgins. They all fell asleep, but only the wise virgins had flasks of oil with them. Do you see the wisdom and warning of this?

“The virgins with the flasks were anticipating a possible delay and they prepared for it. The virgins with oil only in their lamps were impatient and expecting Me at any moment. They were tired and anxious to go, so they supposed I would not be delayed. So, they did not prepare adequately, keeping extra oil. They assumed I would come quickly.

“Some of you are now among that group. Turn around, dear ones, turn around. You cannot afford to grow weary in well-doing. You cannot push Me or accelerate My coming. These signs of impatience are presumption on your part and not a good place for you to be. Your lamps are running out of oil and you’ve not another flask to fill it with. Do you see yourselves in My mirror? The other virgins who are wise and waiting provided plenty of oil because they knew My Heart. They knew I would delay for the one out of 99 sheep that went astray or for those who did not yet know Me. Did I not speak to you about this in the parable of the virgins? I explained to you there that there would be a delay. I did that to prepare you, that you would be patient and expecting Me - but ready at any time, even if there were a delay.

"The wise virgins provided oil for their lamps because they knew My Heart, which is not to rush in and get you, but pull in as many as I can before it is too late. So you see, your lamps are running very low right now and you are at risk.

"Strengthen what remains, support Me in My mission of salvation, and do what's been asked of you. If you would pursue something that gives you a bit of joy, the pain of our separation would not be so very painful. What you do now in these last days has great potential for the lost after you are taken.

"Make your gifts and your time count. Every second you live, every second given you in this life will be accounted for, whether you used it wisely or wasted it. Everything you undertake to gather in souls, to bring Me to them, to instruct them when you are gone, all of these endeavors will be richly rewarded because My words do not return to Me void.

"There are those who are confused, lost and alienated and are in need of being touched, either now or in the time to come. If you are bored, you are not pressing into Me and seeking My will. Your eyes are on yourself, and not on the work that needs to be done for My Kingdom. You are falling asleep and running out of oil. Wake up! Wake up and listen to the cries of the lost that I hear from every corner of the world. What are you doing to help them?

"Your prayers and fast offerings are so very powerful. Knowing the plight of those who are suffering will bring you into the throne room in intercession. That's your greatest gift."

And, as an aside on that, I think of Voice of the Martyrs and following their news about what's happening around the world. In that way, you won't be contaminated by worldly news and happenings. But you'll get information on what's really important.

The Lord continued, *"I am not saying these things to chastise but to prepare that you may be fully prepared when the trumpet sounds. The Rapture is not dependent on the election of any official. Understand - timing is not tied to politics. In My Father's eyes, it is the lost and the ratio of those coming into the Kingdom to those living stubbornly and blindly in sin.*

"Your government has planned a false-flag event, but even that can be foiled. The great danger the enemy faces, at this point, is that the people have been educated about the betrayals of the ruling elite and they are done with the pawns and liars. They have been woken up by your prayers and stirred to the point where they are willing to do something. Generals and commanders dismissed from the armed services, because they would not betray America, have already gone into hiding and are preparing their next moves, depending on what happens to bring about Marshall law.

"I will tell you now, it is too late for Obama and the ruling elite. They have been discovered and those who count in this nation are coming against them. They have lost the battle. The ones who are rising up need your prayers and protection. Pray, pray, pray for the safety of those who have the means to cut the grips off the devouring octopus of the one world government. Pray and I promise you, I will act! Lift up your cries for justice and the reversal of wickedness in your nation. Lift up your cries, 'Deliver us, Lord. Deliver us from evil Lord, deliver us!!'

"Now I am asking of you three things. Stir into flame your gifts and make them count hour by hour. Do not grow weary in well-doing. And pray protection over those rising up against the destruction of your nation.

"In all these things, I am with you. I will prompt you to pray at different times. Be faithful. It is no longer hopeless for America. There is a turn-around coming."

Satanists Posing As Concerned Christians & Sickness/ Suffering

May 11, 2016

The Lord bless you with His discernment and wisdom.

I want to begin by making something very clear to you all, since we have been under attack by enemies of the Cross.

Jesus Christ is the Lord of my Life. He has come in the flesh, was crucified, died and was buried. He rose again and sits at the right hand of the Father on high, where He

will rule and reign forever and ever. I am making this statement to clarify exactly whose messenger I am, in case foolish men have sown doubt in your minds.

The Scripture that was quickened to me is from the 2nd letter of John, the first chapter: 6And this is love, that we walk according to His commandments. This is the very commandment you have heard from the beginning, that you must walk in love. 7For many deceivers have gone out into the world, refusing to confess the coming of Jesus Christ in the flesh. Any such person is the deceiver and the antichrist. 8Watch yourselves, so that you do not lose what we have worked for, that you may be fully rewarded...."

When I came into prayer today, to be honest with you all, I've been going through a spell of weakness and sickness with Fibromyalgia. It's just been more intense than normal. And when it's like that, I tend to wonder 'Why is this going on?' Because I get plenty of prayer and plenty of spiritual warfare, and so whatever it is the Lord has been allowing it. And I really sought Him on this today. I wanted a final word on it.

I said, "Here I am Lord, hoping to understand truly what is going on? I have been sick and weak for days, not fully functioning. Please help me to understand."

The Lord Jesus began, *"You are suffering right now for other souls, Clare. Your compassionate heart cry to Me for Mercy is being heard, and I need this spiritual/physical offering from you. So many right now are suffering in unimaginable ways. I cry with them, and your free will offering is turning the tide on many things. I know you understand. I know also that this has been very hard and frustrating for you, but today you finally realized what it was all about.*

"It wasn't punishment, although you should never take for granted that your indiscretions should be overlooked. I atoned with every drop of My Blood for the sins of the world, yours included. Never take this precious offering for granted, that wounds Me deeply.

"When do you take it for granted? When you could use restraint and please Me but you choose to indulge and please yourself. Very simply put, that is presumption on your part, thinking that I will look the other way. I don't look the other way and it does wound Me. But you have been forgiven and I see your love for Me is growing beyond your love of self.

"Victory leads to victory, defeat to more defeat. Always, from moment to moment, rise with My grace to be the victor over your passions. Do not step down, demote yourself or compromise with your flesh. Always, dear one, step up, get firmer control through your spirit and subjugate your flesh to My desires. I know how hard this can be for you at times, but if you are to run the race to win, you have to use more self-control. Consider My tears when you let Me down. That should be enough to stop you.

"The suffering in this world now is horrendous. So many refugees are in total shock over what has happened to them. Many husbands were murdered in plain sight of their wives, children raped and beheaded. The atrocities are beyond comparing to the Dark Ages. They are way worse as soul-less beings execute the innocent with no conscience. Others around them conform out of fear. Others yet I save and call out. But nonetheless, what these refugees have suffered is beyond description and many of them are totally broken people, never to recover.

"They do need your prayers and offerings when you can manage it.

"So you have asked Me why you are so sick, that is why, My Dove. Of course, there are evil people and spiritual warfare, wickedness in high places, but what I do allow is for the sake of the broken ones, and also to prepare for what is coming. As things continue to get dire and desperate in the world, I will call upon you and your prayer warriors for offerings. Never will I burden you beyond your strength, but you must take it to heart. My grace is sufficient for you, Clare. My power is expressed through your weakness. So do not lament what you cannot do right now because of sickness, rather be a cheerful giver and know that what I have allowed you to suffer is for the sake of others in far worse situations."

And I just wanted to say here as an aside, Ezekiel went to the Bible Promise book for a word from Holy Spirit today. (That's my husband, Ezekiel) And he opened to Parent's Duties. That almost ALWAYS means that if you are suffering, it is for other souls. The words of Jesus confirmed that to me just now.

Then He continued, *"There are things I wish to address in this little community of believers. The Scripture readings you were given today weigh heavily on My mind and heart. I am wanting you to share them and your reaction to them, for you have My understanding according to My Spirit."*

Oh, dear ones, they were really harsh readings, but if I must, according to the Lord's desire, I will share them:

"I am astonished that you are so quickly deserting the one who called you to live in the grace of Christ and are turning to a different gospel— which is really no gospel at all. Evidently some people are throwing you into confusion and are trying to pervert the gospel of Christ. But even if we or an angel from Heaven should preach a gospel other than the one we preached to you, let

them be under God's curse! As we have already said, so now I say again: If anybody is preaching to you a gospel other than what you accepted, let them be under God's curse!

I want you to know, brothers and sisters, that the gospel I preached is not of human origin. I did not receive it from any man, nor was I taught it; rather, I received it by revelation from Jesus Christ. Galatians 1:6-9, 11-12

The Lord continues here, *"Some very clever and skilled deceivers have been attacking this flock behind your back. And these are headed for perdition. They are not sincere believers as they pretend to be. They are Satanists who are incensed with My invitations for them to repent. As you noticed, a new level of attack was launched against you immediately after I invited them to come to Me.*

"Do not be fooled, Heartdwellers, these unclean spirits behind these attacks have nothing but your ruin in their minds. They hate all that is good and righteous. They despise the truth and are skilled in mimicking Me and presenting sound arguments that are nothing more than suggestions from their corrupted intellects.

"I know, Clare, that you were hesitating to write that they are Satanists, but understand, they are accursed for perverting the truth and luring the innocent into error and darkness. Forewarned is forearmed, My little flock. I am allowing this, because the deceptions yet to come by those who rule in this world are even more perverse and you are being trained in discernment.

"I am speaking to all of you now. I have allowed these agents of Satan to raise their ugly heads so you could be trained in discernment. You have only to ask yourself how they make you feel. Fear, panic, anxiety, loss of peace, confusion? Lies, manipulation, false accusations, and questionable interpretations of the Scriptures should immediately warn you that they are not sent by Me.

"You were doing so well in the love and truth I was teaching you, why have you departed to throw your lot in with evil doers? For those of you who recognize deceit when you see it, I commend you for your spirituality that cleaves to the truth and knows no other voice than your shepherd's. Pray for the weaker ones among you who have not yet walked in My ways or learned My voice. Pray also for the deceived ones, that they would repent before it is too late, for many of them live in at risk areas of the country and will not be spared.

"If you want to recognize those who are in league with Satan, here is your chance to observe their tactics. But I do not wish for you to argue doctrine with these. They see you as stupid for loving Me. They have no interest in the truth, but your prayers on their behalf can change that. Truly I do hate to see their demise. I died for them, too."

Lord, I forgive them. Do not hold this sin against them.

He continued, *"As you wish, Clare. But I am asking the rest of you Heartdwellers to be advised. I have not sent these to rescue you from a false teacher, the enemy has sent them to steal the words of truth I have spoken through her mouth. It is up to you to discern; forewarned is forearmed.*

"Now, My Dear Heartdwellers, I bless you with My Wisdom and discernment, that you may recognize good from evil.

"And again, those of you who are workers of iniquity, I know your works, I know your father, he is the deceiver and skilled with his wicked tongue. But you are the ones who are duped. He is doing to you what you are doing to those on this channel. You are deceived by his empty promises. You have nothing to look forward to in Hell but a solitary prison cell with several demons trained in dismembering your bodies, and applying the fire. They will entertain themselves at your expense for eternity.

"My suggestion to you is consider that what you sow is what you will reap. You, too, are victims of the deceiver. Repent while you still have life's breath, your time on this Earth is soon coming to a close. I have no desire to lose you. My heart is to forgive and do good to you. But I cannot help you if you continue to follow him.

"Remember: Satan is only playing you, doing to you what you are doing to these innocents. You are being duped. He will provide you with all kinds of rewards while you are on this Earth, to convince you that his word is trustworthy. But when you die, you will discover the real truth. Then you will not be able to turn around and repent, and your eternity will be sealed.

"Know that I love you as My own children, but I can do nothing for you while you follow him. Consider who speaks the truth here and repent. I will receive you with open arms."

The Way To His Heart and Intimacy in Prayer

May 11, 2016

The Lord continues to draw us, dear Heartdwellers. He is hungry for our company and is again showing us the way to His heart.

Today the Lord called a Daniel fast, basically living on vegetables. Everyday I make a protein drink with coffee concentrate that is every bit as yummy as Star Bucks Frappuccinos. Today, when I went to do this, I saw the image of the crucified Lord in the blender, floating on top of the protein drink. I felt in my spirit a check, that today He is asking that I forego that pleasure, get by with a plain protein drink and a little coffee. This is a hard one for me, 'cause that's kind of my starter in the mornings.

So, I asked Ezekiel "Would you please go to the Lord using the Bible Promises for me, and see if it's okay for me to drink my usual thing?" So, what did he get but 'Lust' about me drinking the Frappuccino and the Scripture reading for making a plain protein drink was under the heading of Loneliness, which always, always strikes me as saying "I will come to you."

There are two Scripture there especially that mirror that:

"Then you will call, and the Lord will answer; you will cry for help, and he will say: Here am I."
Isaiah 58:9 and "I will not leave you as orphans; I will come to you." John 14

So by these readings I discerned what I didn't want to hear: no Frappuccinos!

And worship tonight was much clearer than it has been in a long time. The Sweetness of the Lord was so strong. This had been my prayer for at least a couple of weeks - that the sweetness would be restored. How did I lose it? Indulging my black panther and wasting His precious time doing things I shouldn't have been doing. After my correction, feeling the lack of sweetness in His presence was very, very painful. And I do hope and believe it brought me to a deeper level of repentance. Though I could hear Him giving me instruction for messages for all of you, to lose His sweet fellowship was really more than I could bear. I believe I learned my lesson, at least for this time. And I appreciate your prayers to keep me in that place.

So, when we began our time together I said, "Oh thank You, Lord, for touching My heart so sweetly."

He replied, *"You see, by denying yourself the little things, you draw closer to the delights of Heaven. It only takes a little effort, Clare, a little agreement. And the sweetness of My presence and our love is filled with the fresh fragrance of devotion."*

"My people, if you want to draw closer to Heaven, you must learn to deny yourself and walk in self-denial. You cannot continue to feed the flesh and expect eternal rewards, for the flesh is in opposition to the Spirit and one cancels out the power of the other. So, if you want closer encounters with Me and with Heaven, deny yourselves some choice morsel and come into My presence stronger in resolve than ever."

"I am not an easy catch. My royal dignity does not allow for Me to be an easy catch. Rather, you must reach up and out of yourselves as you seek My fellowship and the sweetness of My presence."

"What price are you willing to pay, My beloved ones? What are you willing to deny yourself for Me? The rich young ruler had done all the law commanded, but his heart was still with his possessions and future inheritance. The idea of disappointing his father was also something he could not even fathom...a slap in the face for his father's years of planning and toil. Yes, relatives and security will keep you from your highest calling if you allow them to."

"I called him, but fear of the unknown and being stripped naked of all human dignity, to become an itinerant disciple of a questionable teacher, looked down upon by the scribes and Pharisees...well, that was just too much. All in one fell swoop, he would lose his family, who would call him a madman and be condemned by the highly respected and corrupt Pharisees. Overnight he would go from riches to rags. A man with a future to a man of shame. A man of means leveled to the status of a common beggar. Oh no, he could not possibly wear that crown of scorns that all My apostles were offered."

"Truly, it's not the poverty alone that causes a soul to refuse My invitation. It is the stigma of poverty and the way you are looked upon daily when you reduce yourself to the status of a beggar and live solely on alms given even by women. So many find their self-worth in their possessions. When those are stripped, they feel that even their dignity has been stripped."

"As I have told you many times before, no man is worth more than the price I paid on Calvary for them. Each and every one cost Me the very life's blood of My body. Therefore, the rich and the poor are of equal value in My Kingdom. This is something that does not become apparent to most until after they die, and then they see their nakedness before Me.

"Accumulations of wealth, status and accomplishment fade like the morning mist and what is left is the stark reality, 'What did you do for others? Did you learn how to give? Did you learn how to love?' It is a very difficult decision to leave the world to follow Me, so many ramifications. My disciples were head-over-heels in love with Me - they made that choice without hesitation.

"Clare struggled over this decision. She missed My first call. But I gave her a dream in which I said, 'I will call again.' And the second time she decided for Me. The rewards were literally out of this world, but the scorn and contempt that accompanied it was very much like what My disciples endured as they set out after My ascension."

I felt the Lord was prompting me to break in and share something with you. At the risk of boring the old timers on this channel, I will share briefly what happened. This is the second call. The first call you can hear about in my testimonials of how I was brought to the Lord and the journey that He's taken me on.

My husband at the time was in the University of Maryland School of Public Affairs and we were supported by his parents. He had trouble with one professor after about a year, and was put on probation. Truly, this was an act of God.

I had been living the Christian cultural dream. Lovely three story antique house in the old section of Annapolis, a fireplace in every room on the ground floor, 150 year old antique floors and beautiful wooden cabinets in a very large kitchen with a fireplace and a backyard that butted against the oldest and most distinguished estate in Annapolis. We were going to a very upscale church in D.C., pastored by an Oxford educated man who was a joy to be around and had very sound Christian teachings.

We looked like the perfect, upwardly mobile family: very well dressed, new car, fashionable house and perfectly... UNhappy. I couldn't put my finger on it. I had everything I thought I wanted, but something inside was not there. I was a born-again believer, filled with the Spirit with the evidence of speaking in tongues, and we had just had our fourth child a week before the Fourth of July.

My husband was not happy, either. We both felt something was missing. He brought home a book by the musician John Michael Talbot. I had listened to his music and deep was calling unto deep. There was something very pure of Jesus in his music, something I had never heard in Contemporary, mainline Christian music. John had a community of married couples a few hours from us and we went to investigate it. It was so different and void of all the social posturing and wealth that we had experienced in the last seven years. But to really live this radical Christianity, we would have to leave behind our attachments to the world and all the things we had accumulated and live the life of the first apostles.

That appealed to both of us and we left everything - our inherited antique furniture, the monthly support from his parents, all the fine clothing. We stripped down to the bare minimum and I began home-schooling my children. My husband took a job at a nursing home.

All I can say, is that my life in God soared and my relationship with Jesus was ecstatic, joyful and beyond anything I ever thought I could have in this life. This is what I try to convey on this channel: the enormous love of God and the sublime beauty of knowing Him as our friend and spouse, in a purely spiritual way.

We went from a three story antique townhouse, in the middle of Annapolis near the city dock - a fashionable neighborhood, with all the trappings. To a one-room cabin, a tar-paper cabin. And we had running water when it rained. The rest of the time, we got water from a pump-well. It was just total wilderness in the Poconos, it was so beautiful.

Jesus continued, *"And because you emptied yourself, Clare, I filled you to overflowing. But it cost you, didn't it?"*

Yes, it did. My husband and I were not truly, equally-yoked. He was not really in the same place. He couldn't live through the persecution we got for living so simply, so he left us and I became a single parent with four children ages 3 to 11. Yes, it was hard. I cleaned houses for a living, but I was very joyful because Jesus was my spouse. Truly He covered me and took over the job of husband. Not in a carnal way, not in a sexual way, but in a loving brotherly way, always providing for my needs, always guiding me in prayer. And later, He introduced me to Ezekiel, who had the identical calling on his life, but he, too, had struggled with leaving everything behind.

Together we found a path free from denominational fetters, that is very much like the first century Christians lived in Antioch. We immersed ourselves in the work of serving and live only on providence, knowing what it is to be in need, and knowing what it is to have plenty.

We have learned the secret of being content in any and every situation, whether well-fed or hungry, whether living in plenty or in want. Philippians 4:12

Jesus continued, *"I am here for the taking. Not all are called out of society into a radical Christian life, but all are called to be radical lovers of Me and forsake themselves in all things. Those who would keep their lives, will lose them, but those who give up their lives for Me shall indeed find them.*

"I bless you now, that you will hearken to My still small voice in your soul and step-by-step give up those things that hinder the deep intimacy I have called you to. I will indeed fill you to overflowing as you forsake yourself in all things."

And here I feel I need to add something. Please don't rush off and sell all your possessions to follow the Lord, unless you have a solid witness that He is calling you to do so. But what you can do everyday is to do everything out of a motive of love. Offer the last piece of chicken to your siblings, when you're still hungry. Go out of your way to help your parents in the kitchen, or at work. Spend time with that person going through a divorce, take an extra minute to drive

someone home. Forsake entertainment in favor of prayer and perhaps encouraging someone on the phone. You can never, ever out-give the Lord.

And I want to take a moment here to share with you something that's been extremely, spiritually productive for us. That is, taking the book *The Rapture WAS Real?!* and using it for a word of knowledge or a rhema. And how we do that is, just simply take the book and pray - ask Holy Spirit to lead you and then open and start reading. It's HIGHLY, highly effective, because the Lord is speaking to me in these different situations, and you'll feel Him speaking to you through the answer that He gives me.

When I was in the middle of listening to the Lord and receiving this message, I went to the "library" where I keep this book and I just happened to get a reading. I took the time to really listen to it, and this is what it said:

Begins on page 313. I'm going to skip on down to the Lord speaking to me here.

He says, "You don't always see what's behind the Christian's life. You don't always see what they were like before I got a hold of them."

And I began thinking of myself, and I said, "I'm thinking of myself now, Lord. Whew! That was NOT good! Not good at all. Selfish, proud, deeply entangled in materialism and impressing people. Not able to form deep friendships. To give or to receive love. But something in me changed when You got ahold of me, Lord. It took years, but You changed me. I know I'm not perfect, I still have problems with all those things, and other things as well. But I'm not anything like I was before You came into my life, Jesus."

And the Lord began speaking at that point, "Love came into your life. The kind of love you had always dreamed of. A holy, loving companion. I came and revealed to you who I was and who you were to Me. So special, so very special. You had never had anyone treat you like that. You had never, ever been understood by others. You never felt secure in your life until I entered into your heart. You knew, beyond a shadow of a doubt, that I am God. And yet, I have nothing better to do than to hang around with you? Guiding you, protecting you and teaching you about My Kingdom? Your church experience was not any better than any of your other experiences. You weren't accepted there, any more than you were accepted in the non-Christian community. But one thing you did have: a personal relationship with Me. You touched the hem of My garment, day after day, and through that you survived all the bad things that happened to you, even at church.

"You see, religion and God bear no resemblance, My People. Religion is a system fostered by men to get closer to God, whereas I embrace you without the rules and regulations - even without the knowledge of My Name. There are those who know Me in their hearts and spirits, and follow all I ask them to do. Then, someday, when the time is right I will reveal Myself to them. Yet there are others who have been handled so roughly in their lives that they have no hope of love or of being accepted. I must surprise them with My love. I must take them in a moment they are least expecting, and shower them with my profound, unconditional Love.

"There are many who blame Me for everything bad that has happened in their lives, because they don't want to give up their sin. Somewhere inside their hearts they hear My voice. But the world and its allurements overpower them, and they ignore it until it's too late.

"I am always calling, always waiting, always with them - wanting to bring healing into their lives. They must at least be willing to give up sin and receive My love. The pleasures of the flesh call much more loudly than I, so I must wait until the flesh is old and weak. But even then, there's no guarantee that the bitterness they are holding onto will allow them to hear Me. So, I allow them to languish in nursing homes, until I can reach them and bring them Home to Me.

"Oh, how sad it is when a soul has closed the door on My love and has nothing in this world to turn to."

So, I bring this reading up, because this was the reading that I received when I was in the midst of this message. And it reveals so much about how we are tied to the world and the pleasures of the world. And how that prevents us from even being saved.

You know, many people ask me, "How do you spend two and three hours in prayer??" Well, I first put on some worship songs and put my heart into them and worship the Lord to those. Then I have my rhema books, my word of knowledge/word of wisdom books. And this particular one, The Rapture WAS Real?! - I didn't realize what an effect it was going to have on my life when I began using it for a rhema. It's been so illuminating, because the Lord is speaking directly to me. So I'll take rhema books, and I'll get some Scripture readings and just meditate on those. On what the Lord is saying. And then I'll have communion. And then if there's time left and I'm not being called out of prayer, I'll pray the Stations of the Cross. And very often after Communion the Lord will call me to begin taking down a message.

So, all in all, that's quite a bit of time, having at least 45 minutes in worship, another 45 minutes in seeking the Lord and what's on His heart and mind through the readings and the Scriptures. And then, some time meditating on the Stations of the Cross, which is very strengthening, by the way, when we see how He suffered. It's very encouraging in the sense that we can see that we suffer the same way, everyday, in very tiny ways. Before I know it, my two hours of prayer are over with. So, that's how I do it. That's for all of you.

So, the Lord bless you and I hope that He's spoken to your hearts through these messages. He certainly loves you, enough to get my attention every day and turn my life around so that I'm feeding you what He feeds me.

The Lord bless you all. And please do keep us in your prayers.

Some Will Reign in Hell

May 13, 2016

The Lord be with us in Spirit and in Truth, precious Heartdwellers.

My dear family, I am asking for your patience with me as I bring something before you that is vitally important for others to understand, and perhaps for even you. Many years ago I discovered the testimony of a woman who I believe has spoken nothing but the truth.

I'm going to share that with you now, because there are those looking in on this channel that desperately need to hear this before it is too late for them. So, I ask you to please indulge me as I present this woman's experience, which has been verified by the Lord that it is true. And I ask you to pray, please pray for those who really need to hear this video.

Video:

I heard moans and groans from all the cells as we went from cell to cell. We stopped pretty soon in front of another one, and again, this is what I saw. There was a woman who had a color of a blue/grey and parts of her decaying flesh were missing as the others. Blackness was in her bones. She had on some type of parts of clothing which were on fire and worms were crawling in and out of her form.

An awful odor came from this jail cell. Torn rags hung from her arms and they were on fire burning, but the fire did not seem to burn up the rags. In horror, I looked at her. Oh, my Lord! How horrifying! She seemed to have something in her hand. Great sobs shook her body and great welling cries of regret came from her. Jesus said she also was a servant of the devil. She sold her soul to Satan to work for him, and she did much, much evil. She taught and practiced witchcraft to many and turned many to the path of sin. She was a soothe-sawyer, a diviner, a medium for Satan.

She gained much favor with the devil in all the evil that she did. She knew how to use her powers of darkness for herself and Satan. She went to devil worship services. She was at one time a powerful tool for the devil. She practiced black arts and was full of dead man's bones. I looked at this pitiful soul, now lost for eternity. Dirty pieces of cloth were falling from her hands and sorrow filled my soul.

She seemed to hold tight to some type of rag, and as I looked, it was a type of rag doll. The smell of death filled the place and I saw the woman change as the other one, and I screamed. I said, "Oh, my God. What is this?" I'd never been in the occult, I'd never known anything about witchcraft except what the Holy Spirit had told me and what I'd learned in church and by other people. And this was horrifying to see.

Oh, Lord. How horrible to be lost in hell!

Jesus said, (talking about the woman) "She sold her soul to the devil to get much evil powers from him." Many of you listening to this tape need to hear and understand - she had gifts of evil. These were powers of darkness she used. Some people on Earth work in the occult. The witch craft shops, palm readers and cults of all kinds, to pull many souls to the devil. A medium of Satan is a powerful tool of evil. They are being deceived and fooled by the devil. Some workers of darkness cannot speak to Satan unless their medium speaks through them. They make human sacrifices to the devil. They try many ways to stop the true Gospel of Jesus Christ from being preached.

If the world only knew the depths and degrees and torments that the devil goes and does to the hearts and souls of mankind, they would surely turn unto Jesus Christ.

Again, Jesus began to stress how His blood was shed to save people from hell, and how it would wash away the sins if the people would only repent unto Him. Jesus said there were many over the Earth who sell their souls to Satan, thinking they would live forever. But they will not. But they will die a horrible death. They should believe God's word.

Satan does many evils to try to overthrow God's plan, but he shall not. He was defeated at the Cross at Calvary. Jesus took the Keys from Satan. It is not the Father's will that anyone perish. The first place Jesus Christ went off the Cross was into hell and wrestled that old devil and took the Keys away of Death and Hell. Jesus said after this woman died, her judgment was hell. The demons brought her before Satan. In anger, she asked why the demons controlled HER, for on Earth she controlled them. She asked the devil for a kingdom as he had promised her, and he laughed at her and told her the same as the other woman: that he hated her. He told her that the Bible was a lie. He had told her on the Earth, God was not true. Satan laughed now at the woman as she cried for her kingdom. He said, "THIS is your kingdom! I am your kingdom."

People, do you not see the tricks of the devil? Do you not see how the devil deceives people right into following him? He laughed and scorned in her face. Satan is the father of liars. He spoke to the woman, "I deceived you to be used by me. I used you for many years. I will never give you my kingdom." The devil moved his arm at the woman, and it seemed as if her very flesh was being ripped off her bones. She screamed in pain as a large, black book was brought before the devil. She screamed in horror as the fires burned her. He opened it and ran his finger down the pages until he found her name. He said, "Yes, you did serve me on the Earth. You got me many souls. Your punishment will not be as bad as the others." Evil laughter rang out from him. Satan stood and pointed a finger at her, and as he did a great wind, and evil force filled the air. A howling thunder rose from him and Satan said, "Get your kingdom if you can." She fell to the ground as she tried to get up. Great sobs of regret came from the woman as demons began to attack her, her bones. People, where she seemed to have flesh, now was gone and only her bones remained. Great cries of sorrow filled the air as she was taken to this jail cell.

Oh Lord, how horrible to be lost in hell!

We must cry out against sin and against the occult and people that worship idols and Buddhas. She was told Satan could stop anything from killing her. Satan promised her glory and fame, but deceived her and led her to hell. All the souls that take any part in

witchcraft, evil occults, demonic powers, black magic, idol worship or any form of satanic worship will go to hell if they do not repent. Repent now and call upon the Lord!

I was sick many days in the spirit during the preparation of this report. If you read in Daniel, he also got sick when God began to reveal certain things to him. There are things of darkness that are too horrible to write down. Horrible forces of death and the smell of decaying flesh, flash fires of hell and deep pits with no bottoms. Evil laughter of demonic forces everywhere and when you die, my friend, if you're a sinner you go to a living hell. Demons with chains drag that soul through the gateways of hell.

People, repent of the work of darkness before it's too late! For we all shall stand before the judgment seat of God some day. I feel right now to pray, by the power of the Holy Spirit, and to pray for you out there. I pray in the mighty Name of Jesus, if you're a sinner, if you're in the occult that you'll repent right now and give your heart unto the Lord Jesus Christ and be saved from these sins and these abominations unto God. Amen.

Her name is Mary K Baxter, and the Lord has confirmed to me that she actually did travel with Him to Hell and saw and heard all these things she testified to. For those of you who may not have been comfortable with her style of presentation, I plead with you to focus on the content, this woman is for real.

And for those of you listening in, who are really beginning to question the rewards Satan has promised you, I pray you will feel the Lord's extreme love for you and abandon this path. You will receive supernatural protection as you break away, if you give your heart to the Lord - your heart and your life to the Lord Jesus. He will draw you to Himself with great forgiveness and kindness, for He has seen the battle ground of your mind and your heart, and how tormented you have been. He sees also what led you to embrace witchcraft and Satanism, and He totally understands the brokenness of your soul and how desperate you were. How you've been treated so badly by so many.

He has come to announce His love over you. He has come to invite you into His family where you will be nurtured and protected. He has come to tell you how precious you are to Him and He wants you in Heaven with Him forever. Please, please, do not turn Him down again.

Your tomorrow is not guaranteed. Take this chance to break away from your covenant with death.

Pray this prayer with me: Jesus, I have sinned. Forgive me, God. I believe You came to save me from eternal damnation with these demons, that You came in the flesh and died on the Cross for me, and shed Your blood for me, so that I would be saved and added to the Kingdom of Heaven. I believe you love me and want me with you there. Please, come and take over my life. Come into my heart, I give you my life. I pray that Your blood protects me from the evil ones as I break away from them. I renounce Satan and all his empty promises, and all his lies and all his evil works and any connection I have with him - I totally renounce it. I commit my life to you, Jesus. Lord, have mercy on me and deliver me from evil. Amen.

Your Beauty Is Marvelous To Behold

May 15, 2016

My precious Heartdwellers. His grace is sufficient for us, His power is perfected in our weakness. Hold on to these words of truth, for truly the heat of the battle is upon us.

These have been some of the most difficult days since we began our channel in earnest over a year ago. They have been days filled with problems, sorrows, challenges, brought on by those who hate Jesus and all He is and stands for. Yes, the enemies of the Cross have loaded more suffering upon our backs with a greater release of evil than we have ever seen.

And what do I have to say to our enemies? I want to thank you all, for through your hard work we are being taught wonderful and glorious things about the Kingdom of God, and through His power and grace we are rising above all opposition.

There is not a day that goes by that I do not thank God for what you are teaching us. When I do not see one of your vile posts, I truly feel sad. I was learning to love and forgive you and I welcome that opportunity every day, even though we have to delete it, so it doesn't disturb the rest of the channel. What you are doing for us is nothing short of miraculous. Jesus Christ is Victor. He is teaching us to love and forgive you. And all of us on the Heartdwellers team feel the same way about you when we pray. I will not be at all surprised to see you in Heaven, where I will give you great big hugs. We will not relent in praying for you and loving you. Jesus has given us His heart for you.

So, my precious family, when I came into prayer, after spending much time on the battlefield, but not able to get into the prayer I wanted to storm Heaven with, I felt I had let Him down. But I can only do so much in a day and correspondence today was very, very heavy. I love you all so much, I can't stand to see you go without a word of comfort and encouragement. And what you have sent us has truly lifted our spirits and our swords to continue on!

Dearest Jesus, my heart is so heavy because so many are suffering over this channel and I have been unfaithful in prayer today. Please forgive me, Lord, and lift our spirits back up off the floor and help us make sound decisions.

The Lord began, *"Clare, I am right here by your side, suffering with you. It's not any easier for Me to see you suffering, because I suffer with you, My Dearest. Yes, these are hard times, but if you knew the glorious harvest that is coming to Me because of your sufferings, you would ask Me to increase it a hundredfold."*

Oh Lord, I couldn't, I'm just too weak! There's no way I could ask You to increase it!

"And yet, I have increased it over and over again since this channel came into being and I told you, 'You are going behind enemy lines.' And I gave you the vision of you parachuting down into

their jungles. But you do not see the growth it has wrought in you or the souls that are now hearing Me clearly, because of all of you and your team willingly suffered for Me.

"Well done, My good and faithful servants! Soon you will enter into your master's joy. But until then, continue to ask for more strength, because My grace will not fail you if you keep going. I will keep pouring grace after grace after grace upon you, through you and in you.

"Now, in Heaven, there are mountains of graces being distributed, because of the maturity and dedication of your team. I have hand-picked every one of them. I have armed them and assigned legions of angels to them, and every day I instruct them.

"You see, in this world you will have trouble but be of good cheer, I have overcome the world. And so will you. As it is written, 'I have told you these things so that in Me you may have peace. In the world you will have tribulation. But take courage; I have overcome the world!'" John 16:33

And when He said that, *"Take courage, I have overcome the world"* I meant it to mean Yes - He's overcome the world and He's overcoming the world NOW, in us and through us.

The Lord continued: *"There are three Scripture passages I would like you to keep in front of you constantly as we approach the day and hour of your liberation:"*

The first one is from Matthew 25, it talks about the foolish virgins "...But the wise ones took oil in flasks along with their lamps the bridegroom was delayed, they all became drowsy and fell asleep. At midnight the cry went out: 'Here is the bridegroom! Come out to meet him!'" ...Matthew 25:4-6

The Lord continues, *"Break it down this way: The bridegroom was delayed."*

The second one is from 2 Corinthians. But He said to me, "My grace is sufficient for you, for My power is perfected in weakness." Therefore I will boast all the more gladly in my weaknesses, so that the power of Christ may rest on me. That is why, for the sake of Christ, I delight in weaknesses, in insults, in hardships, in persecutions, in difficulties. For when I am weak, then I am strong. 2 Cor. 12:9-10

The Lord continued, *"Break it down this way: My grace is sufficient for you, for My power is perfected in weakness."*

The third one comes from John 16: "You see, in this world you will have trouble but be of good cheer. I have overcome the world and so will you. As it is written, "I have told you these things so that in Me you may have peace. In the world you will have tribulation. But take courage; I have overcome the world!" John 16:33

The Lord continued, *"Break it down this way: take courage; I have overcome the world!"*

So, here the Lord has laid out three things, three Scriptures that He wants us to keep our eyes on as we go about our days.

"The bridegroom was delayed" "My grace is sufficient for you, for My power is perfected in weakness" and "Take courage; I have overcome the world!"

Jesus continued, *"Timing plays a major part in this. You will all notice how much you have grown in anticipation for My coming. This is quite deliberate on My part. When a woman is to give birth, at some point she must start pushing. If the child is posterior - that is, face up instead of face down - the pushing is quite difficult and yields little results. Therefore the midwife must say continually, "Just one more push. One more push. Push!"*

"With your first child you remember well the agonies of that 12 hour push."

Boy, do I ever! My daughter came out with a little pointed head...

Jesus continues here, *"You see, My Church, you are giving birth to souls and each new labor pain brings with it another push, and the birth is difficult, so you continue to push and push. Just when you feel you can't manage one more push, I breathe My grace into you and you continue to push. One of these moments, your pushing will be at an end, and the child will be born.*

"In the meantime, you are going from glory to glory. By the generosity of those who hate Me and hate you, your so called 'enemies', you are not only learning the ways of the dark ones and broadcasting what you have learned around the world to those who need to hear it - you are also growing in spiritual power and stature. You are literally rising to the occasion. They don't realize they are actually facilitating a classroom and gymnasium where you are coming into great power and glory. But I am using them. They think they are doing you harm. Quite the contrary, they are serving Me well in raising up My Body in glory.

"Soon enough, the tables will turn and they will suffer major defeats, because they are the ones who helped teach you how to rise up and fight. Iron sharpens iron. And their master does not care for their future. He looks forward to the day when he can finally reveal to them they've been had and their kingdom is the fire that never abates and the worm that is never satisfied.

"So you see, you are growing, you are reaping a harvest, you are shining, My Bride. You are becoming all I have called you to be. Even as it is written in James, 'Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance. Let perseverance finish its work so that you may be mature and complete, not lacking anything.' James 1:2-4

"Break it down: So that you may be mature and complete, not lacking anything.

"Do you know what it means, 'not to lack anything?' It means you are approaching perfection and the perfect reflection of your Creator. You are rising to the full stature of Christ, even as that is written: "...to equip the saints for works of ministry, to build up the body of Christ, until we all reach unity in the faith and in the knowledge of the Son of God, as we mature to the full measure of the stature of Christ."...Ephesians 4:12-13

"Break it down: As we mature to the full measure of the stature of Christ.

"You are becoming little 'Christs'

"And soon you will arise, My Bride, without spot, wrinkle or blemish. Yes, you will be purified and stunning, arising in Glory where all of Heaven will rise up to greet you in great majesty, for your struggles and victories have been innumerable.

"Therefore, put behind you the toil and pain of each day and looking forward, behold the glory and majesty of your adornments as you come to greet your Spouse! Arise, My Bride! You are the victor in these battles and you will be bedecked in jewel-embedded bridal gowns reflecting the transforming power of the graces you have so readily accepted and corresponded to.

"Your beauty is marvelous to behold. Do not be detained by the soiled garments of the past, rather look beneath your feet: the enemy is clothed in rags, which will soon be consumed by the fire.

"I bless you now with endurance and love that you may run the race to the finish line and receive your glorious crown."

Why A Soul Rejects Love

May 16, 2016

The Lord's aching heart is calling out to us today, Heartdwellers. He's with us. And He's sharing His burden with His Bride.

I am asking you for yet a bit more patience as He exposes His heart to you, and opens the portals of darkness in tormented souls, so they can be healed.

Our worship time started out very sweetly. But as I got deeper and deeper into it, I really felt the burden on His heart. And He opened up to me and shared.

"Lord, you have held me so tenderly and let me into Your heart. Your pain is so intense. It is a profound aching and longing to love those who have rejected you."

"My heart is yours, Clare. It is your abode, your dwelling place, your eternal place of rest and joy. Transforming you from glory to glory. Always moving upward like the flames of fire consuming all the dross and moving upward perpetually.

"My heart is a furnace for all of mankind. It is at times a place of torment when I see so many rejecting My Love and going the way of perdition."

"If only they could experience this Love, Lord!"

"I have tried, but the pain of My light and My love is excruciating and they turn away from it."

"But how does that happen? How can that be? Your Love is so warm and comforting, secure, reassuring and oh, so very sweet. How can they turn away? Truly I don't understand it."

Jesus continued, *"It begins with pain inflicted on a soul, mostly very, very, young and helpless as children. The pain of violence, neglect, abuse, misunderstanding, rejection. Bitterness sets in like a cancer and eats away the soul. Then, any overture of love becomes a threat, 'Oh no, I'll have nothing to do with that.' Then it begins to spiral downwards until they are absolutely convinced that love is evil.*

"Do you remember the experience of the Christian man who was exposed to dark matter with several others?"

Yeah, that was - I think I shared that with you on one of the CERN videos. This man was a Christian, and they were isolated in a cell. All the other people, who were not Christians, went totally bonkers and crazy - just expressing all kinds of ugly things.

Here the Lord continues, *"He was the only one who could control himself - and at that, only by focusing on Me the entire time, with superhuman effort, which of course was My grace."*

Yes, Lord. I remember that. He said that they actually found pleasure in beating one another up and doing lewd and disgusting things. It felt good to vent, to indulge, to let themselves go wild without the usual moral restraints.

"Well, what I am saying here, there is relief in violence there's a catharsis."

I had to look that one up: the process of releasing, and thereby providing relief from strong or repressed emotions.

Jesus continued, *"All those years of not being able to lash back at injustices, real or merely perceived. Many times inspired by demonic entities, fueling lies to build the emotions to boiling with nowhere to exit, just getting shoved and shoved and shoved deeper down and bottled up in the soul-ish realm.*

"It is very much like the crust of the Earth, if you were to replace each continental mass and assign it a name. Violent, alcoholic parents; brutal child abuse. With another continent: teachers and peers at school. And yet another continent: police inmates and judges. Yet another continent: the public and rejection from jobs. All of these plates cause stress at different times and heat up the layers inside a person, forming great magma chambers of anger. Sometimes the magma escapes in little streams or blows up and they end up incarcerated. Other times the pressure and the pain becomes so great, the soul is eaten up with evil imaginings on how to retaliate and is constantly picking violent fights and brutalizing others.

"Others who feel the same way begin to come together and form gangs and covens. Their entire life is centered around killing and destroying the lives of others. Jealousies. Getting all the things other people have and getting even. Relieving life's disappointments and wounds.

"Many times they take it out on the innocent, when indeed the real culprit is themselves. But they cannot allow themselves to see or admit it, their souls are too fragile. Strong defenses have to be built to protect what little is left of that soul, and survival becomes an everyday event - fight or flight over every perceived contradiction in life.

"So, they project and blame it on others, which gives them the permission to destroy and retaliate, which brings pleasure and relief. The demons, as well, offer their services and they find ways around the law of the land. They feel helplessly repressed by society's norms of behavior and the fear of being put in prison, so they elect to work with demonic entities to get back at those who they believe are responsible for their pain - be it real or imaginary. Most suffer mortal injuries to their little beings when they are children, and the demons enter - creating a stronghold of rebellion, upon which layers and layers of evil are built. And more manifestations of demons are accumulated.

"Then there is the additional influence of chemistry in the substances carried in forced inoculations. There is a huge amount of damage done by these 'vaccines' and in some cases electronic devices. As these children mature and vaccines produce the intended result, pharmaceutical companies benefit from all the drugs made to control this engineered madness, which they began in the first place.

"These are done en masse so that an entire generation comes forward that is hell bent on death and destruction. This is the generation of the young people now, in this age. It takes every moral fibre to resist finding a violent or drug related outlet for repressed feelings. That is why so many children are committing suicide, whether intended or accidental, from drug overdoses. I have much mercy and compassion on them.

"Oh Clare, it is truly tragic what has been done by the elites. The end result in these days is a culture of death and destruction and when the appropriate time comes, mankind will be set aflame with dark matter and demonic manifestations such as have never have been seen. Even now it is on the increase.

"The way has been opened for this into the human psyche through electronic devices, media, chemicals and demonic portals, as well as deliberately engineered electromagnetic anomalies aligned with dark matter.

"Nonetheless, I approach every soul with a way out of the loop of violent retaliation. It is their choice to fall in with demons... or fall in with Me. The issue is many times the relief of repressed feelings, rejection, helplessness, hopelessness and injustice. Any escape is relief to their tormented feelings."

And I just thought of this - I'm sure this includes suicide bombers as well. They are offered such outrageous rewards and it gives them a form of escape. And honorable form of escape, to their understanding.

Jesus continued here, *"Getting back to the tectonic plates of continents. A lifetime of repressed injustices, real or imagined, through false accusation and lying demons. The magma chambers build until they can no longer be contained and violent outbursts happen, uncontrolled rage and hatred finds its only outlet in the destruction of other's lives.*

"Even in highly controlled, demonic ceremonies and torture there is a powerful chemical attraction to evil and the demon entities manipulate that through electric 'blanketing.' It is addictive and highly satisfying to those who have been drawn into this darkness. It is their outlet and release from repressed feelings."

"Oh Lord, this is way disgusting to me."

"It is, but I want you to understand what the makeup is of a soul who has put on the darkness as a choice in life. They actually find release in all forms of violence, sex, torture and as well as music and entertainment.

"Do you remember those times when someone cut you off in traffic and you had to control your actions and not retaliate in any way? Because now you belonged to Me and the flesh has been put to death. Before you belonged to Me, you got pleasure from such things. This is the same dynamic. Pleasure came with retaliation.

"I tell you these things, My People, because your prayers must be very serious and enduring to bring one out of this prison. The damage goes deep, the hatred is on the surface. Beneath are broken hearts, little children abused mercilessly, lost and crying out, no one to help. The only relief is in acting out or shutting themselves up in a stone prison. But once they escape that place, they are walking time-bombs."

"Lord, I remember a movie we saw about a young man in school who was an absolute genius. He wasn't going to school, but he was a janitor where the school was. He solved the most outrageous mathematical problems and wrote the solutions on the black boards. And he was always driving about looking for someone to beat up. The counselor tried to work with him and bring him out of that really destructive place. I learned a lot from that movie - although we had to fast forward it several times."

The Lord continued, *"That film perfectly depicted the torment of a seriously injured soul.*

"I know how unappealing this is to you, Clare. I know some will react with disgust and question why you are talking about this subject A-gain. Why am I bringing this up? Because you asked Me 'how do these souls get immersed in such darkness to the point where love becomes evil?' Well, I have answered that.

"Now you must understand. Your audience, many of them, know all about this. There are those with children who went astray and to this day they don't understand why. They gave them a good home. How could they turn out this way?

"It is a social and societal disaster of mega-proportions and much of it has its origins in the times you live in and the technologies and pharmacopias that have been used as experiments on masses of people in different countries. You are aware of the use of genetically engineered diseases meant to eradicate huge segments of the population - like for instance, AIDS.

"But few are aware of the electronic and mental/chemical counterparts that have been used to manipulate the public. Suffice it to say, the means are just as extensive in this arena as they are in the engineered diseases arena. Just less exposed to the masses, although it is coming to light now on a grand scale. People are waking up and seeing how they are treated like monkeys in a laboratory.

"Now for the good news! I have come to dispel the works of darkness. I have come to redeem mankind. When a soul turns to Me, I begin to destroy the webs of darkness that have controlled

their behavior in the past. My grace overwhelms the soul and begins the process of healing. With just the simple admission of sin and crying out for My help, I step in with generous portions of grace to overturn the electronic and chemical strongholds and behavioral strongholds that have provoked these behaviors."

And here the Lord was addressing me:

"You do not serve people, Clare, stop fussing about how some will react to this. You serve Me and I wish that My people not perish for lack of knowledge. There is a time for discovery, there is a time for healing and for worship. But I will not have you ignorant of the forces that have been arrayed against you and your children in this last generation.

"And I declare to you all: My power is perfected in your weakness. No weapon formed against you will prosper. Even if you should lose your body, you will not lose your soul. But I am telling you these things because many of you walk around in blinding guilt, that you failed as a parent. You are with all kinds of sicknesses, brought about by corrupt governments. You are so far down into condemnation that you view your life as a total waste.

Others of you are saddled with all kinds of sicknesses brought about by corrupt governments. Others of you are hopelessly addicted to drugs, or so you think. There is a good reason for this all. I want you to dispense with the guilt and get to the bottom of this.

"If you have been a good parent, if you have been a good daughter or son, and you are still plagued by these things, I tell you the truth: you have been victimized and are not fighting flesh and blood alone, but principalities in high places - those who have chosen to destroy life rather than foster it.

"And nothing can oppose My grace when you give your life to Me. None of these things will be allowed to dominate your life when you turn it over to Me 100%. I will lead you out of this darkness you have been unable to leave on your own. I will manifest My power to transform and deliver you and you will see victory over these things in your lives.

"I will deliver you from evil and establish you in My House, members of My royal family, and you will become sons and daughters of the Most High, who overcame all obstacles on Earth through My power. You have only to ask and I will deliver you.

"You will not have to submit your lives to any human, because I will lead in the way you should go. I will teach you. My Word will finally become living as you read it and from top to bottom will reconstruct your very DNA.

"I only ask one thing of you: ask Me into your lives. Make the commitment to give Me full control of your life and obey Me as I lead you. I will make the pathway straight but you must turn and be resolved never to return to your former way of life. My power, living in you, will do all the rest.

"What do you say? Isn't it worth a try? Only hours ago, some of you were about to end your lives. Rather than throwing it on the trash heap, give it to Me. Then watch what I do with it. You will become a totally new creation.

You will come to love Love. You will come to feel secure and trusting. You will come to long for the light and every longing will be satisfied by Me. Come to Me. Give Me your life. Learn to feel and hear My voice and My leadings. I will make My voice heard in your mind and heart.

"In the past you have heard the demons clearly - now you will hear your God clearly and I will lead you out of bondage and into joy unspeakable. You will experience spiritual bliss that far exceeds any chemical the world has to offer. And most of all, you will have no fear of death. Fear will be replaced by My peace.

"Peace I will give you, not as the world, but My Peace. Supernatural and beyond your circumstances. I will uphold you in My peace.

"In this moment, we are alone together. Come to Me now, give Me your life. You have nothing to lose but all the failures and wounds of the past. Come."

Ex Satan Worshipper John Ramirez Testimony

May 16, 2016

This testimony deals with the reality of witchcraft and Satanism as told from the perspective of a man with personal experience.

Our goal here is to: "Take no part in the unfruitful works of darkness, but instead expose them." Ephesians 5:11

For more testimonies of God's miraculous work around the world, watch the movie trailer for The End of Churchianity at the end of this video or at www.EndChurchianity.com

Look what they got - the Virgin Mary and supposedly God. But those are idols. And this is supposed to be Michael the guardian angel. What is this? It's not even Michael. And look, Santeria all the witchcraft. And this is the stuff I had, Caldero. This is Caldero. Remember the Tabernacle? Where people met Jesus, they have to meet Jesus? This is the tabernacle of the Devil.

John Ramirez, Escape from Hell Ex-Satanist

I grew up in a neighborhood that, first of all, the first killing that I experienced was feet away from me when I went to go in and get a gallon of milk. Was only 10 feet away from me, they shot a guy, like, 7 times. They shot him 7 times, it was a young boy. I've seen killings after killings after killings. In order to survive in the streets of the South Bronx you had to be a killer, you have to be a murderer, you have to be smart, you have to be slick. On my father's side, it was all witches and warlocks. We lived on witchcraft, we had a contract right with the devil himself. I remember when I was younger, 8 or 9 years old, I seen him going through the room to worship the devil. I could see the presence of the devil come into that room. And my father was worshipping, speak in demonic tongues and worship and put flowers and put candles and put water out. 7:00 at night until 5:00 in the morning. I was already going to demonic church, I was going to witchcraft church. I was being trained to be a warlock, I was being trained with witches in the religion for 30 years, 40 years, 50 years. It was training me to know how to speak to principalities, spirits in

the ground, the devil himself. You couldn't speak to the devil right away, you had to earn your right to speak to the devil.

In the first mass killing that they did in my neighborhood was at this house right here. The husband stabbed a lady 52 times and cut her ears off - here. And then me, my brothers would hang out with their daughter and we came to the house to walk them back home, to go hang out with the daughters right here and the daughters found their mother cut up to pieces here, in this house.

I was in a schoolyard playing with some friends in a schoolyard. A pastor came and they had this band came in, they were singing songs and people started to gather in the schoolyard. It was an amazing atmosphere, you know. Amazing joy in the schoolyard. I came from a broken home. This pastor's up on stage and he's talking about some Bible story and some Bible book and he's talking about how God loves everybody, ya know, this other stuff. And for the first time I'm getting kind of captivated. "Wow, maybe God does love me. Maybe God does want me. Maybe God wants my family. Maybe God wants to touch me and my family. Maybe He wants to change my family around." I said, "Wow, I can get some of that, I can get some of that. 'Cause He's coming my way." and for the first time ever I felt an incredible love that was indescribable. There's pastors coming off the stage, praying for people, touching people. So I said, "Now, it's my turn. Now he's gonna touch me." Ya know? Now Jesus is gonna accept me, Jesus is gonna show me what love is about. And this pastor passed me by. Never touched me, never laid his hands on me. He went down the line, and when he came up to me, he passed me by, he touched the other person. And I said, "Jesus don't love me, either. My dad don't love me, Jesus don't love me." I come from a broken home. Jesus - he likes the fact that my mother gets beat up. He likes the fact that I go to bed hungry. He like the fact that, you know, there's no heat in my apartment. he likes the fact that when we go to school, we're rejects, we're misfits in school.

So, this Jesus guy - he's just like my father. He's no different. He's just like my dad.

So, I went home, broken. I went home sad. I remember a week later, a couple of weeks later - two weeks later, I went to the schoolyard, hanging out, playing with a friend of mine's. I heard something fell and hit the ground. It was a voodoo necklace. So, I took the voodoo necklace - it had many colors - I took it, I put it on and the necklace was my first contract with the devil.

We went to a Tarot card reading, and when I went to a Tarot card reading, I was a little boy, I was 10 years old - we went in. The lady doing the Tarot card reading, called the witch lady, doing the Tarot card reading she was fascinated - had her eyes fixed on me. And she said, "This boy's got, this boy - we want him. We want him, we want him. The ___ which is Santeria want him. Spiritualism___ is Spanish, Santeria they call it worship of the saints, but it's not worship of the saints, it's worship of demons. We want him. And if you don't give him to us, he's going to lose his eyesight in 30 days." So, my mother was so desperate as a mother, my mother sold her furniture. My mother sold her bedroom set to get \$250 to do my first ceremony, because this lady put so much fear in us, so much fear in my mother that my mother had to sleep on the floor, because there was no bedroom for her to sleep on, because she didn't want me to lose my eyesight.

So, they initiated me to the dark side. I was 8 to 10 years old. Their first love, the first contact I had, as a 10 year old boy, the devil showed up and took the offering of giving my life to him. And

they put five beads around my neck. The five worst demons of principalities that are under Satan. They put them right around my neck, which is Santeria. They put them right around my neck and they said, "These are your spiritual guides. These are going to be your guardian angels, and they are going to take care of your life from now on."

(driving downtown) This is the building, this corner building here? Used to be almost abandoned, this building here - it's in the book. It used to be so broken down, my brother used to get the water from the pump - the pump (fire hydrant) right there. The apartment was all empty, all the apartments were abandoned, Only me and my family lived here. My whole childhood was stolen, my whole childhood was worshipping the devil, going to demon church. I would go to demon church from 7:00 in the evening to 5:00 in the morning, being trained by witches and warlocks, powers, principals, rites - who owned this region, who's in this region, who's running this principality, what principality name is this? I had...how to channel powers. By the age of 13 years old I was astro-projecting, my body - I would leave my body home and go to regions, in through the spirit and curse regions, curse a neighborhood, put the spirit of prostitution, the spirit of drugs onto the neighborhood. Homosexuality spirits here, demonic spirits here, a spirit of murder, spirit of suicide. I knew how to channel all these spirits into a neighborhood. At the age of 15, 16 years old, I was going into hospitals and putting death and ICU, death in one room so this person could die, because I wanted to be promoted with the devil. To move up the ranks, to be the biggest devil worshipper in New York City. The devil became my daddy. He replaced my dad, because I prayed - I said, "You kill my dad..." At the age of 33 years old my dad got shot in a nightclub, in the face, a woman that wasn't even his, when he had a good woman home - the devil took him out. The devil said, "I replaced the old to keep the new." And the devil became my daddy.

There was a club here, and my father died there. 33 years old. And we lived over there. And then, when I was 11 years old little boy, there was a store right here on the corner and a guy got shot in the street right there, right there - on the little corner here? Guy got killed there when I went to get the gallon of milk.

And I moved up the ranks, through devil worshipping, I moved up the ranks - I moved up through principalities and demons to the point that I was able to just sit with the devil like I'm sitting with you today. And the devil would manifest himself in human form, his presence would come into the room. And I would speak to the devil all night long. He would give me assignments. I would go to five clubs, five lounges a night, to look for people to recruit for the dark side. I would tell people their fortune. I would tell people their lives, tell people the things that they did, things that was going to happen to them. Then they had no clue who I was, they didn't know who I was, I just had the demonic powers. I had a taste for blood. I would kill animals and drink their blood every week. If I didn't have money, didn't had time to buy an animal, I would cut myself and drink my own blood. The ring of the people that I was with, there was this demonic world: doctors, lawyers, principals, judges, police officers - they were all into witchcraft. Even singers today that are very well known. I would move principalities on that region to control demons on the ground operate to cut down the church, to cut down the growth of the church. To cut down the opportunity for people to get saved. I would be drunk, I'd come out of a club, half demon possessed, drunk. I was standing in the middle of the street and say to God, "Come down. You want some of this? You want me to slap you in your face? You want me to spit in your face? You come and mess with me."

I got married on Halloween. I had a demonic wedding on Halloween. I got married on Halloween. All the demons and principalities from different regions of around the world came to my wedding. No human beings came to my wedding, they were afraid to come to my wedding. So, I had a crazy...I sent out invitations, no one showed up. There were no wedding gifts. But demons came to my wedding, they baptized(?) my wedding. So my wife was a witch, I was a witch and then my daughter was born and I was training her to be a witch, too.

I remember the first time that I was going to sacrifice my first human being. The devil was sitting in the passenger side of my car when I parked. He said, "You love me?" I said, "Of course I love you, Dad." He said, "The guy on the rooftop, he's trying to...he's going to try to take you and hurt you and take your money. You'll kill him if you love me." So when I went up there to the rooftop, I lived on the 12th floor, I remember that. When I went up to the rooftop, I remember the part that he was hiding behind. He was hiding behind the stairway. This guy was 6'5", 250 pounds. I was half demon possessed. I felt that the demon went into me, it wasn't me anymore. So I was going to drag him into my apartment and stab him in the neck, 'cause I had a _____pot - it weighed about a hundred pounds plus, plus I had 9 machetes in it, it had knives in it that I _____ the roosters with. But when I went to grab this guy, I wanted to bring him to my apartment, he got off my hands, and just disappeared. He went down the stories - I mean this guy was like an Olympic athlete, he just - woosh - gone, he just disappeared. And I couldn't grab him and kill him. I was very disappointed that I couldn't kill my first human being.

(walking down a street, pointing to the side of a building) People wrote graffiti over it - this is a demon right here. Look at the demon that runs the gates of Hell. This is the one I was telling you about that is in my book on Santeria, right here. This little demon. This is the demon that runs Haiti. The principality over Haiti. The one that's over there is the principality over Islam. Look at this. To trap the people. The Truth. The Truth will set you free. They put that up there so that people can think they're part of this. (the cross.)

What is this place?

This a place where everyone in the park comes here to ___? in witchcraft to hurt people, kill people. This is the place. We can go inside. Come on.

If I tell you I was going to kill you in 30 days, you prepare for your funeral, you was going to die in 30 days. I don't care who you were, I don't care who you knew, I don't care what religion you call yourself - you say you were Catholic, you were Christian, you say you were a believer - I was going to kill you. UNLESS you had a real relationship with Jesus Christ.

The lady that lived downstairs, she came up, she told me her husband was cheating. I want you to kill the woman he's cheating with, put a witchcraft spell on her and kill her. How much you charge me?

I said, "Look. Come back, I'm going to speak to the devil, my Daddy, for a time. Come back and I'll let you know in a couple days." The lady came back, the devil told me what to buy, he said to buy a coffin box, buy 21 black candles. Buy an image of the lady, put in the box, you know, to do the witchcraft to kill this lady. So we were going to do her for 21 days, she was going to die. after 21 days we were going to do her funeral. So the lady came to my house, we were going to charge her \$10,000 dollars, I told her, to kill the lady. I said "Sure. I tell you what - I know you,

you been good to me, everybody house parties...give me \$7,000. I give you 30% off. I said, "I'll kill her. Give me - I'll take 30% off the 10, give me \$7,000." So, when the lady was going to leave my house, she said, "By the way, the lady's a Christian. The lady's a Christian." I said, "I'll kill her for free." I said, "I don't need the money. I'll kill her for free. I'm going to teach these Christians a lesson they're gonna learn. I'll kill her for free." I told her, I don't want your money -I'll kill her for free.

So I did the voodoo thing, I did the witchcraft thing and 21 days went by and the lady didn't die. A month went by, the lady didn't die. And I was like, wow - what's going on? I mean, my reputation's on the line. So I called the devil, I called the demons that were assigned - I increased the witchcraft. I increased the witchcraft, I doubled the witchcraft on her, so she could die, like, overnight. Nothing was going on, nothing was going on. I was home at night and the devil shows up, the presence of the devil comes into my house. He tell me, "We have to abort the plan on the lady you want to kill." And I said, "Why would we want to abort the plan? My reputation is on the line. I'm a witch, I'm a warlock. If I don't kill the lady, people won't think that I have any powers." The devil say, "You don't understand. The God that she serves said don't - leave her alone. Don't touch her." And I said, "Who's this God?" He said, "The God that she serves."

I was so angry, I said no, give it one more week, but let's kill her. He said, "No. The God that she serves said leave her alone." From the witchcraft that I did on the lady, she should have been dead in less than 21 days.

(In a store)This is Jezebel. This is Jezebel in their religion. This is how it works. See these statues here, they don't mean nothing, but it's the demon behind it. So in order for me to identify with this, this has to be created, because i can't identify to a spirit. I can't identify to the spirit, we have nothing in common. I'm humanity, a spirit is immortality. A spirit is a spirit demon. I can't relate to it, so in order for me to relate to it, you have to put this guy in the middle, so I can relate to it, because he's human form. He looks like a human being. There's a story behind this guy, so you and I can related to him. so the demon operates through him. Understand? Same thing with these guys. And then they give themselves names and days and birthdays. The American Indians can get caught up with demonic forces, they can get caught up into the occult. These are the entrapment of the Native American Indians. But those are statues that the people use in demonic ways, in demonic religion. There's nothing in here that is holy, there's nothing...the only thing holy here is us standing here.

What happens in this place?

This here in the back, they do witchcraft in the back, they do voodoo, they do with spells in the back, they do cleansings in the back. All these demons they want you to buy a new statue so you can take a demon home. See, selected prayers. They make you believe that you're praying to God. Look. I used to use this book, selected prayers. They make you think that you're praying to God, but these prayers are not Godly prayers. Nothing in the Bible here, say nothing about the Bible, the crucifixion.

We had a book in New York City, in American. I was the third person to get this book that had symbols in the book of different demons, different principalities, of different ways of killing people with the witchcraft. I mean this book was so...no one had a copy of this book. You

couldn't have a copy of this book unless the devil signed off on you. And I was the third person to receive that book. And I would take symbols in that book and do witchcraft to people, put people...make people lose their mind. I put witchcraft on people, make people get diseases out of nowhere. I put witchcraft on people, make people get leprosy. I put witchcraft on people, make people get cancer. I mean, I gave witchcraft to people, I gave people miscarriages, I gave people abortions, I put people in hospitals for surgeries, that didn't even have to go for surgeries. I did witchcraft so people would lose their minds. I spirits of bi-polar, of schizophrenia, spirits of disease on people. I put suicide spirits on people. I'd be up all night long, praying and talking to the devil - when Christians can't even go to church for one hour. When Christians can't even pray for one hour.

The spirit realm is more real than the natural realm. And we fail to see that. In whatever's not covered with Jesus Christ is an easy target to bring down. Like, and atheist - I could kill him easily. They are easy to kill. The Jehovah Witness was easy to destroy. The Mormon was easy to destroy. The people that walk around and say, "We don't believe in the devil." they were easy to destroy, because they didn't know how to seek any spiritual help.

I remember a time when Nicky Cruz came to...a Nicky Cruz group came into my neighborhood and they were called TRUCE. They would come and do drive-bys in my neighborhood. They would do, like, worship and then they would preach a word and then go to another corner and do the same thing. And I came after these groups to try to put, to try to bring them down, this group. And they were young kids, they were like 18, 17, 16, 20 - I mean. So I said how do they dare to place this junk, this filthy music in my neighborhood - see, they would call worship. This filthy music in my neighborhood, I would go after them. I would destroy these kids. So when I went up to where they were at, there was a wall of fire around them. I couldn't penetrate against them. And there was something that pushed me back, every time I try to throw demonic forces against them, something there would just push me back and I was never able to touch these kids. And I said, there was something here. It's not right. Something is not falling into place. So I walked away, I left them alone. I didn't want to deal with them, I said, okay - they won this first round.

(back in a store) So, it's obvious there are spirits here watching us.

Oh yeah, of course they're watching us.

Yeah, and so we're all protected, we're all...

Yeah, we're protected. We're under the Blood, brother. There ain't nothing like the Blood of Jesus. Amen? There's nothing that can touch us. We got a hedge of protection around us and we can walk into this place, we can chase demons out of here, we can curse the place to the ground, in Jesus' name and there's nothing that the devil can do.

I mean, I had so much money. Beautiful cars, beautiful woman, I had it all. I lived in a world that people...my neighborhood, my neighbors were terrified of who I was. They said, you mess with that guy, your family will die. You mess with that guy, he gonna get a gun, he'll kill you in your sleep. My daddy was awesome, my daddy was...he knew had had...he give me powers beyond what I could imagine. He gave me powers that people have fear of me, police have fear of me, the securities in my neighborhood fear me. People that knew that I was a devil - they would call me the devil's son. I brought Christians to their knees, not to pray, because they had no power. It wasn't because their God wasn't all powerful, don't get me wrong. Because their God was all powerful - the vessel was weak. The vessel had no prayer life, the prayer had no fasting life. And they had no relationship with God. There was a form of godliness in the person, but no power.

The person was weak, the person had nothing going. He had a Bible, he had the right suit on, she had the right dress on - but there was no connection with Jesus Christ. Because they was out of His will, they was out of His promises and they was out of His divine purpose, and I had you. I owned you. I had you as a slave, I broke you, I put witchcraft on you. I kept doing that to Christian after Christian after Christian after families after churches. I'd chase everything down that represented the Cross of Jesus Christ.

(driving)Very demonic place.

So that place has an effect on the whole neighborhood, is what you're saying?

Oh yeah, of course. Oh yeah. This whole region unlocked that. That's the devil's throne, we just went into the devil's throne. (referring to the store they had been in)

That throne been there since the 80's. And then they go spend \$100, \$200 buying these things, and then they broke, they on welfare, public assistance. But they got money to buy all this junk, because they think their life is going to get better, they think that their life is going to improve, they gonna make progress in life, they think that they're going break generational curses. They think they're going break vex, spells, voodoo - they think they're gonna break all that, and basically, God says "I come. I'll do that for you for free."

He says give your life to Me, and I'll set you free. But they don't want that, that's too difficult for them. That's too complicated for them. But they can walk into a place like this and drop \$200 and think that their life is gonna be free. And they're gonna live a life of abundance.

I had contact with the principality that runs Haiti. His name is Condero(?). I had contact with demons in Miami. I had contact with demons in Africa. I had contact with demons in New York City, principalities that run crossroads of the world. He owns 42nd street. Okay? There's a different principality that runs crossroads of the world here on 42nd street than the one that tries to run this neighborhood.

I didn't have a conscience. I remember I did witchcraft to my brother, I put him in jail for 5 years. Witchcraft - to my own brother, my own flesh and blood. I did witchcraft and put him in jail for 5 years. My other brother, there was a warlock. He came into my house one time with an attitude and the demon jumped on him. He ran out the house, he couldn't hold the pain in his stomach. My mother can bear witness to that. I did so much ceremonies in my body. I did so much ceremonies in my body, the last ceremony I did - I not only sold myself to the devil, I did a ceremony were I had to swallow animal blood and gunpowder. It was called (?) This is a ceremony of Haitian and French. If you do this ceremony with a demon - so when I go to people's houses and eat, they can't put witchcraft on the food. I did all the ceremonies you can do.

I would go to demon church. Every year, we would have a meeting, a secret meeting. All the high witches and warlocks would have this meeting to find out what principality was gonna usher out and bring in to run the region. We were more organized than the church itself. The kingdom of darkness was more organized than the church of Jesus Christ. We knew how to do ceremonies, we knew how to do things before the year was over to prepare ourselves for the next year. When Christians couldn't go to church and pray for one hour. When Christians couldn't go to church and have a consistent relationship with God. I even took a sabbatical from witchcraft and the devil punished me - took my eyesight for one year. I was completely blind for one year. Was registered with the Commissioner for the Blind. I was completely blind. They were training me to use a Seeing Eye dog, they were training me to use one of these sticks that

you use to walk the streets. My mother took care of me for one year. My eyes went black. And a mist of gray went over my eyes. I was completely blind. And when I gave my life back to the devil, after 7 surgeries, the devil gave me back my eyesight. And I could see again. And that was my punishment for taking one year off, I wanted to take off. The devil said, you want one year off? I give it to you. He took my eyesight.

And that's the world I lived in. If you mess with the devil, he'll kill you, he'll kill your family. It was a fear that was great beyond measure, that you could not leave this religion. You could not leave Santeria, you could not leave _____, you could not leave spiritualism. The doctors could not explain how I lost my eyesight. Meanwhile, Christians - and would say, what Christians do bad, Christians sometimes missed the mark, and the only thing that shows up in their house is grace and mercy. When you're short with the devil, you do something the devil don't like - he kill someone. He kill your family member. I remember the devil warned this lady, he said you can't be with that person no more and she didn't care, 'cause she was in love with the person - the devil demon-possessed a homeless guy in the street. He took a hammer and hit her 17 times on her head, killed her.

One day, I was sitting home. It was amazing. I came from a nightclub the night before. I was sitting home watching a show called Jerry Springer, a crazy show - people beating each other up. I got joy outta that, I was getting joy outta that, laughing. For the first time I heard a voice say to me, "Son. I am coming soon. What are you going to do with your life?" An audible voice, shouting from across the room. And I thought it was the TV talking to me..But then I saw it can't be the TV, these people were beating each other up. This voice... I knew the voice of the devil, I would sit with the devil like I'm sitting with you today. He would come into human form, he would come in the room, he would come in sometime, the presence come into the room. The atmosphere changes and I now he was there for me, and he was talking to my conscience. I would talk back and we would talk all night long. I knew that, too. I knew him like you knew the back of your hand. I knew every demon, every principality that ran the region, that ran everything in America. Everything in Canada. Everything that ran - I know every principality that ran every occult, wicca, new age, buddhism, Islam, Andria, spiritualism - I knew every principality that ran. I had a contract with every principality with them, I had straight A marks with every principality, with every demon in the ground, the devil, Jezebel. I had every - I knew demons that I couldn't even tell you names, because you wouldn't know who they are. I knew them all by name. And this voice was very different than any other voice. When I heard that voice come out of nowhere - it came out of the air. The Voice.

I went into shock. And then I saw a vision from the other side of the apartment like the sky was on fire, and people underneath - I saw people running for cover but there was no cover, where to hide. And I think, why did I see that vision? So I shook it off. But I remember I went to sleep, like a deep sleep, like someone put on anesthesia and I went to sleep. I ended up in a train full of people. I couldn't believe I was in a train full of people. And this train was going faster than you could ever imagine. I'd never been on something this fast on Earth. And it went into hell. And Jesus Christ took me to hell. And when I got to hell, the doors opened. I mean, there was a slam in the doors, there was an unspeakable echo that struck all the doors open and there was heat that came out of nowhere. It felt like you were gonna suffocate, the heat that came out. I ran, I got out the train and the people on the train, they had no faces. But you could see the fear on the people on the train. You could feel the fear, the impact of the fear that they were going to a place that they were never going to return. And the place was packed.

And then, I tried, I said, "I can't die here. I can't die here. This is not for me. I wasn't born to be in this place." I was saying this to myself, I was not born to be here. So I tried to find like a tunnel, a tunnel in hell. I was walking, trying to run through the tunnels in hell, trying to find a door. Maybe a window. Maybe there was a gap somewhere that I can come out and come back to reality. But there was no gap. I remember as I...the more I went into the tunnels, the more the fear gripped me, the more the suffering. I heard suffering, just draped over you. This fear drapes over you like you're wearing a garment. This fear drapes over you, something you can't even control. You have no control over. Something like, it grabs you. It don't let you go. I couldn't see the hand in front of my face. But I hear the wailing - I hear wailing. Like, you ever hear like a kid wail, an animal wail at the same time. It's like, they're kinda wailing, it's indescribable. And there was heat and a smell that was like...like if you was in the sewers or the gutters in New York City. I mean, but crazier than that. As I came to a part of the tunnel, the devil showed up. He said, "I was your Daddy. I gave you everything you needed. I took care of you. I blessed you. I protected you. I killed people for you. I did...I give you powers, I give you a name in the darkness, the kingdom of darkness. I gave you a name. When people came against you I destroyed them, because I knew you were going to be the vessel I was going to use to move my kingdom on the Earth. And now you want to leave me? Now you want to betray me? In demonic tongues, and I'm talking back to him in demonic tongues and telling him no, I'm not leaving, I'm just confused. I don't know what's going on. And he said, "No. I know what you're going to do. You're going to leave me and you're going to expose my religion. You're going to expose who i am and how I operate in the realm, in the spirit realm. Because I taught you things that I never taught no one else. I showed you. I trusted you with the things that I needed you to know so you can further my kingdom. Because I wanted to use you in a greater measure way." And in the confusion, he went to grab me. He went to grab and destroy me and the Cross of Jesus appeared. I didn't understand how a cross, a three foot cross appeared in hell, when I was wearing blue shorts and a T-shirt. And I put it on him. And when I put it on him, the devil melt like he was an infant, like an infant he melt and fell on the floor. Like, no powers. So I took that opportunity and I ran deeper into the gates, I ran deeper into the tunnels of hell, hoping that there was a door. I had...my hope was being...there was not hope in the hope at all. There was no place saying I'm coming out of here! This was it, this was the end. I had a fear that gripped me that was indescribable - I never felt fear like that, ever felt a despair - it was the opposite of what Heaven is, opposite of Joy, opposite of gladness, opposite of Peace. It was opposite of light and darkness. It was a place of torment, a place of...if I'm here, my family won't know I'm here. My daughter won't know I'm here. How would they find me? How would they look for me?

As I went deeper into the tunnel of hell, hoping that there was a door, a window, a crack somewhere that I can get out, the devil showed up again. "So now, we'll destroy you." I told him in the demonic language, I've got these marks, these are my contracts to protect me, to destroy you. He said, "Fool! I gave you those marks. Those are my marks that I OWN you. I OWN YOU. No one owns you, I do. And you're gonna live for me or you die." And he went to grab me a second time around. I said, this is it. He went to grab me a second time around - the Cross of Jesus Christ appeared in hell. There's no greater love than the Cross that would come for a sinner like me, in hell. So when David says, "If I make my bed in hell, He knows I'm there." Grace and Mercy showed up in hell. Grace and Mercy knew my address. Grace and Mercy have a plan for my life. To my unspeakable, demonic, selfish ways. Arrogant, self-centered ways in hell, when I was down for the count. Jesus Christ loved the misfit. And He said, "I have a plan for you. I love you more than you can ever imagine." And He showed up in hell. And when I woke up, my

spirit came back into my body. I woke up and I bend my knee to Jesus Christ. I had \$100,000 of witchcraft in my house. I threw witchcraft away, I threw religion away. I threw everything that had to do with darkness away. The people from Haiti, the people from Cuba, the people from Miami and New York said, "we have to kill him, because he knows too much. We have to destroy him. We have to kill him, because he knows too much. He's not one of us anymore."

And they came for the kill. They did their best, they came for the kill. I was asleep in the day. It was day and night when the demons showed up and tormented me 30 days. They tormented me for 30 days. They would grab me by my throat, pick me up off my bed. The room grew cold, I would lay in my bed. I'd feel another person laying next to me, ice cold, another person. I would look like this, and feel the presence. The presence was the devil himself, laying in my bed for 30 days. On and off, on and off trying to torture, trying to steal my mind, trying to rip my soul out of my body, trying to rip my spirit out of my body. I would tremble at night, like I never trembled before. 30 days. And I would cry out, I didn't know how to pray? I said, "Jesus! Jesus! Jesus!" I didn't know how to pray. I say, my sister prays - I heard her in church, she pray this way. I heard that person pray this way - I would bring all these prayers together, to try to pull them together like a puzzle, trying to fight for my life.

One day, I was in church worshipping. And I asked the Lord, "Lord, why are You letting this happen to me?" And one day I heard the voice of God again. He said, "I want to see how much you love Me. I want to see how much you trust Me." And never again, I was tormented by the devil. And I became an evangelist for Jesus Christ. Fourteen years serving the Lord and I would never trade it for nothing in the world. Over on Hallelujah Boulevard, there's a mansion for John Ramirez. And one days says, Welcome Home, well done faithful servant. And I tell you, there's nothing - I'm not talking about Christianity - I'm talking about a relationship with Jesus Christ. He is my Lord. He is my beginning and end. No weapon formed against me will ever prosper. I die when Jesus say I go Home. Not because of a witch. Not because of a person. Not because hex, voodoo, incantation - none of that can separate me from the love of God.

\$100,000 of witchcraft, selling my soul, marks here, marks here, marks here (all on his body) But the biggest mark is here (his heart), it is the love I have for the Cross. Ain't nothing like the Cross of Jesus Christ. And I tell you this, and I'll end with this. I was cursed, I became blessed because the One that was blessed became cursed for me. And that's (?) His daddy. And my daddy sits on the universe. He loved me beyond what I could imagine. And that love now I can give to my daughter. And my daughter today, she's a born again Christian, graduated from college, a psychology major and I know that God's gonna use her in a greater way. Because the baton that I had I would pass to her, the RIGHT baton this time. And I know she's going to do greater exploits than her daddy. And before I leave the Earth, people will know that John Ramirez was here, 'cause he served a mighty God. Amen?

After giving his life to Christ, John joined Times Square Church in NYC. He was discipled by Pastor David Wilkerson until Pastor Wilkerson's untimely death in 2011. Lord, Why Are Things Falling Apart?

May 18, 2016

May the Sweet Presence of Jesus calm our hearts and minds, dear Heartdwellers.

Today in worship, I was listening to River Worship by Freddy Hayler. The title does not mean you worship the river, it means you flow in worshipping Jesus in the River of Life. And it's absolutely beautiful! I began my time with the Lord by just telling Him how wonderful the album was.

I said, "Lord, that album is so amazing. Truly I feel Your Spirit living within Freddy and his daughter. It is so beautiful and anointed."

Jesus answered me, *"I am present that way in your music, too."*

So, what am I doing trying to learn how to draw again?

He answered, *"My will."*

Well, I have to admit it is certainly humbling to see how little I know. Every night as I work I am reminded...I have a long way to go to get this portrait of You just right.

"Do not be afraid, Clare. Yes, you are learning, and humility is part of the lesson, but I have commissioned this work and I will carry it through. You are on the right track learning about your materials. It will soon come forward dear one, don't fret. This is truly for Me and in My will."

Thank you, Jesus, for those words of encouragement. I needed to hear that.

He continued, *"Each soul has the perspective of My presence, My relationship with them. There is something to learn about Me from every soul who expresses their love, no matter what the medium. Film, painting, singing, writing. Each one of you have a gift in your relationship with Me and as you share that gift, the souls who experience that come to a new understanding of who I am to them."*

"It is so important that artists, musicians and writers express their feelings about Me and My feelings about them. This is how I will undo the damage religion has done to My people. It is so easy to follow a church rule - and so very challenging and difficult to live a life of love and self-sacrifice to all you meet."

"This is why religion has become so popular. People think that because they are 'religious,' they are holy. No, it goes so much deeper than that. Many will come and say 'Did I not heal in Your Name? Did I not preach great sermons in Your Name? And look at all the souls I won for You.'

"I will say, 'Look at all the souls My Spirit won for Me. And look at all the prayer team suffered at home, denying themselves and backing you up. Their reward is great. You delivered the

message, but the anointing came from Me, through those who are hidden and seeking Me continually. Not caring about recognition, only caring about those they pray for.' I will say other things, too, which I do not want to say now.

"If your heart was pure, your motive pure, your love for Me pure, I will say, 'Well done, My faithful servant. Enter into Your Master's joy.'

"But I want you all to understand that rule books and doctrine will not pass muster and get you into Heaven. You must be living from the heart, as I am living. Giving from the heart as I am giving, without compromise for the world's laurels.

"You mustn't be dividing My Body, either. Do you think your superior arguments about what is true doctrine and what is not, please Me? When you cause division and scandalize innocent souls, because your way is right and another Christian's is not right, and therefore tell them not to listen to them... Do you think that is pleasing to Me?

"When you sow division and persecute other ministers, using your time to tear down instead of build up, do you think that pleases Me? Are you not tearing the nets and letting the fish get away? Indeed, a torn net does nothing but frighten the fish off. These are the things some of you need to consider - right now. Do you suppose you are part of My Bride when you bite and tear at one another?

"This is the way My Bride acts: she doesn't pull the tares up with the wheat, rather she continues to cultivate that field. She binds up the wounded, lives a life of love before the community that all might embrace this way. While others are wagging their fingers at this or that Christian teacher, she is welcoming in the lame, the deaf, the blind, feeding and clothing the poor, and teaching them about My love by her actions.

"When I look in on your household and see strife, bickering, jealousy and dissension, do you think I will make My abode there? As you lift yourselves up and tear down others, do you think My ears are eager to hear all about the slander, lies and calumnies of others? Did I not teach you not to display the faults of others or draw attention to what you, in your opinion, have judged to be wrong?

"Is it not My job to judge? Isn't this precisely what the Scribes and Pharisees did to Me? Did they not find fault continually with My teachings, telling Me I was destroying their faith and teaching error. Did I not heal a blind man on the Sabbath to expose their hypocrisy?

"Do any of these attitudes ring a bell, those who call yourselves by My Name?

*"Then I will tell them plainly, 'I never knew you; depart from Me, you workers of lawlessness.'
Matthew 7:23*

"Why do I say 'workers of lawlessness?' Because the heart of the law is Love. What you are doing is contrary to that law. You are not building up, making the way straight for Me. You are blowing up bridges and making men captive to your laws and legalisms, immersing them in judgment, self-righteousness and blinding error.

"Do I say these things to condemn you? No, I say them to wake you up before it's too late. You are proceeding in the wrong direction. Come back to Me and teach what I teach, not what your fathers taught you. Many of them walked in serious error and passed that error on to you. Now you continue to pass it on, turning people away from Me.

"What I wish for you is to cease from judging others and apply yourselves to My Beatitudes. Many of you have gifts and talents to spread the Gospel: music, art, writing, and teaching. But as long as you are steeped in rancor and jealousy, you are useless to Me. You would only spread bitterness if I increased your anointing.

"Why do you suppose I kept Clare out of public ministry for 30 years? Was it not because she, too, had a religious spirit, rancor and jealousy? They will both admit that to you. I could not use their beautiful gifts on a grand scale because they would have poisoned people with their rancor.

"This is what I wish for you who have dedicated yourselves to tearing down where I am building up. I am now putting signs in your lives: failures, very hard lessons, sicknesses are being allowed; financial crises is being allowed. Many things are falling out from beneath your feet. Your lives are falling apart. Have you asked Me why? I will tell you why: I have allowed the enemy to sift you, because you have sifted Me, you have stolen from Me by allowing the enemy to work through you.

"So now I am giving you an occasion of introspection. As things fall apart around you, do you have the courage to say, 'We were warned this would happen.' Because if you do, you will repent and I will restore you on every level I have allowed the enemy to steal from you.

"Not only that, I will begin to bless your gifts and talents, because you do not teach division, rancor and jealousy. You teach the love I demonstrated in My life, and you build up other ministries around you. When you see the fruit and you know Satan does not work against Satan, yet the walls Satan has constructed in the Body are coming down - do you not know that it is coming from Me?

"When I see you walking in humility, charity and doing the works you observed Me doing, building up and not tearing down, then I will restore you and equip you for your ministry. Do not be dismayed as you see things falling apart in your life. I allow these things to teach you and guide you into right paths so I may truly bless you and you may truly become who I created you to be - Clean Vessels unto honor, dedicated to Me.

"This is My Heart for you. What I have said I will surely do... if you cooperate with Me. I will not abandon the work of My hands. I will not abandon those who truly love Me and listen for My voice and obey it. No, I will prosper you and build you up because these are the plans I have for you.

"I have asked My Angels to accompany you in those things I have allowed to get your attention. My Holy Spirit will convict you that these words are true. When I see you building up My other servants, then you will be ready for your ministry."

Why Your Failures Qualify You For Success & Donald Trump

May 19, 2016

Well, precious Heartdwellers. I need to make an announcement before I get into the message. I just want you to know that we still have books and CD's and thumb drives on Amazon and they are about to charge us an outrageous amount of money for storage if they don't get sold.

Sooo...I'm telling you ahead of time that we have paid all the costs for making these out of our own pockets, so you could afford them. And I just want to remind you that all you're paying for on Amazon is the processing fee that they charge and the shipping. Everything else for the thumb drive and the album have already been paid by ourselves or by donors. So, that's the only cost involved in getting these. Otherwise, they'd start around \$25, they'd be very expensive, but I think they're priced at like, \$6. So, get them while you can and you can have them when things get bad. It will be too late at that time to get anything.

Before we pull them off Amazon, I'm just making a last announcement to you, please consider all the people that are going to be left behind that you know, and what you can do for them before it's too late. My highest recommendations are for the Tethered Thumb Drive, and the album Tethered, which makes a very nice gift because of the packaging and it's got the essence of the important things on it. These are things you can leave behind for your relatives in a big envelope with their names on it. I also recommend you put them in those inexpensive EMP protection, Faraday Cage Mylar envelopes in case there ever is an EMP attack after the Rapture, they will be able to open them on a new device. 'Cause in an EMP attack, all information is wiped off of every drive, unless it's in what they call a Faraday cage.

It is our responsibility to touch every single soul we can so they will understand they are not doomed, God does care about them. So many will commit suicide because their entire sense of self worth revolves around what they own and financial security. So many will ask where is God? Why didn't He tell us this was going to happen? Others will say, there is no God, or He wouldn't have let this happen. On the thumb drives we explain why He allows these things. And that may very well be the point in their lives where they realize GOD IS REAL. And God IS in control.

This indeed is what it's all about: God is real and there is HOPE, so that people would have hope when nothing makes sense. So please, if you can order a few more of these resources. And one thing to remember: the cd's and drives are manufactured to last, not like something you make at home where the files can deteriorate after time. I've had that really sad experience where I was backing things up on CD and I went to pull them up and they were all gone. There was just a black icon ... nothing left but that shadow.

Now for the message.

The Lord Jesus is with us, Heartdwellers. He broods over us like a mother hen over her chicks, and has so much wisdom to impart to us. And as always, I am the guinea pig...

I've been preparing for the painting He has commissioned me to do...preparing by researching my materials and getting an idea of how to go about this.

I, I, I.

Well, most of you know where the "I" doing it leads to. That's right, failure and confusion. So, here I am to confess my failure and confusion and complete frustration about how to go about this. He did tell me it was wisdom to research my materials before I got started, but I never came to Him and asked Him directly, 'How do You want me to do it?' So, He left an open door there for me to be foolish - and I walked right through it!

"I bring my confusion to You, Lord. I don't want to waste anymore time on this."

He answered me, *"I understand, and I'm here to clear it up for you. Why did it take you so long for you to come to Me?"*

I didn't think of asking You, I just assumed.

"Well, you are showing much more wisdom now. Thank you for coming to Me. You already know what I want you to use, right?"

Here He is referring to the vision He gave me during worship that solved my dilemma about which medium to use. I had already invested in another medium which can be converted with a little work, but I felt badly that I might have wasted money.

"I do not want to shame you. I see you are truly sorry and afraid to buy anything at this point. You are familiar with this medium, and you can work your pastels into it. This can be done, quite easily I might add. You can have a peace about this, Clare, this is Me. Work with what you have a few other things, and we'll be able to do this together. I will not let you down. I know how frustrated and disappointed you are. Let Me help you, we CAN turn this around."

He continued, *"You are in a good place now. A really good place. Contrition is always the very best place to be. Oh, if only My children could stay in this place, how humble they would be. Contrition and humility go hand in hand."*

"Beloved family of God, all of you will benefit by deep contrition for your sins. Contrition moves the jagged rocks from the site where the foundation of humility is poured. When you encounter yourself in failure, it is one of the greatest gifts I can give you. You become aware of your nothingness and My great mercy and love for you."

"When you begin to see yourself as you truly are, I pour My love and grace all over you until you are nothing but a tiny speck carrying a huge bundle of light. Like an ant with a big twig, you aren't even seen anymore. You are hidden beneath the gift of grace that dominates you."

"Contrition is the pre-eminent gift of predilection...meaning that you have been chosen and responded appropriately. Many are called, few are chosen, and even fewer respond. When you

empty yourselves and become so small and insignificant in your own eye, even to the point of being a 'detriment' to yourself and others, then you are in the position to be used by Me for My highest callings.

"To get to this place, you will stumble many times. Indeed to stay in this place, it is necessary for you to continue to stumble, but getting right back up with My hand lifting you from that pit. I allow this because more than any other attribute but Love, Humility is necessary for all the gifts to flow and for you to be raised to that station in life destined for you from birth.

Although I am God, I did not consider equality with God in the eyes of onlookers something to cling to, but I emptied Myself, taking the form of a servant, even obedient unto death on an infamous cross...(He's referencing Philippians 4:6 there.)

"I could be trusted with the most precious gifts because My Heart was not Proud. I assumed not only the body but the helplessness of man in his earthly condition. I did this for you, Beloved Church. I did this to reveal how you, too, must have this heart, being the lowliest of low in My house.

"Yet so many fight to be superior. To have more knowledge, more power, more, more, more of everything to secure their position. Do you know that is the trap of tyranny? Yes, when you are the best and have the most, you have to fight to maintain that status. You lose sight of who you truly are, why you are here and who I made you to be. Your standard becomes the same as society's and you lose your identity as the precious person I made you to be. In this place, you are continually fighting to maintain your status and your life becomes a war zone for you - not the beautiful expression of your work through Me, with Me, and for Me, so that I shine through you.

"I am telling you this, My dear ones, because I don't want you to be afraid of encountering your real self. It is quite necessary to you before you can be trusted with My gifts. Don't be afraid to be feeling like a lion and catch a glimpse of yourself in the mirror and see that you are but a little kitten. There is nothing shameful in being little. Little is beautiful. All who have become great in Heaven, on Earth were very, very little ones.

"Moses did mighty things, yet in his own eyes he was so little and abased that he feared to speak for himself. The breaking he went through when he left Pharaoh's house, the forty years he tended sheep, totally unknown out in the wilderness - all of that prepared him to encounter Me in the burning bush and remain very little in his own eyes, so he could carry the anointing and set My people free.

"The fastest way to accomplish great things is acting from total sincerity of the heart. Collapse before Me saying, 'Lord, I am too little, I can't do this, I just can't do it.' Then relying on Me to execute whatever it is. I come rushing to the aid of a little one such as this. Yes, you are a little one when you have embraced that place with your whole heart.

"And in contrast to this, the quickest way to fail at anything is to do it yourself. Even if you succeed in the eyes of others, you fail before Me and the great cloud, because it was done with the wrong heart attitude. But it is then that I allow the enemy to sift you with the next undertaking and the next and the next until the self-reliance is completely gone out of your character.

"How opposite to the world is that??? Instead of proving your competency over and over again, and thus qualifying for My work, you must fail over and over and over again in order to sign off on the application. I will not take anyone into My service who has not been humbled by multiple failures in the past.

"The man who has failed knows his limitations. The man who has failed looks on others as better than himself. The man who has failed has charity and compassion on those who struggle as he does. The man who has failed comes to Me on his knees and hands it over to Me saying, 'I can't do this Lord, I tried, but I can't serve you as I should. I have failed.'

"This is the one I embrace and lift to his feet and say, 'Come let us reason and work together. I will do it through you. Now that you have learned the truth about yourself, I can bring success to the work of your hands.'

"Every great vessel that has ever served Me has a profound understanding of his absolute nothingness. Without this attitude, I never could have used him. He might look confident to you, but I see him on his knees confessing his weaknesses. I see what you do not see. In his heart, he is but a kitten, while to others he may appear as a lion."

Lord, why am I thinking of Donald Trump here? Is he one such man?

"No, Clare, not yet - but he will be. I am calling him into My service and he will learn that something beyond him is responsible for his successes. He will learn that I gave him all that he has, I led him and guided him with wisdom. He will recognize that nothing he has done has been done on his own.

"This is the other way I work with souls for My purposes. Look at Nebuchadnezzar. He was a mighty ruler, but one day he woke up crawling on the ground and snorting like a pig, totally unaware of who he once was. That is how I got his attention. Pray that I don't need to use such drastic means on this candidate. He will encounter himself stripped of everything, standing before Me in My mirror. Then he will see who I truly am and who he truly is - and is not. Then the beauty of the man will arise, with Me living through him.

"Oh, you all have so much to learn about human nature and what I can accomplish with even the vainest of men. Is it not written that I hold the king's heart in My hands?"

And that Scripture was quickened to me, so I looked it up. The king's heart is like channels of water in the hand of the LORD; He turns it wherever He wishes. Every man's way is right in his own eyes, But the LORD weighs the hearts....Proverbs 21:1-2

The Lord continued, *"Do you see, My Christian people? You are looking at this man and wagging your fingers because you do not know the Scriptures, nor My power to turn hearts. You are making decisions based on your own limited wisdom and presuming you know what is best. You will presume yourself into another Obama and the New World Order if you do not put your trust in Me.*

"This is why I tell you continually, opinion is no substitute for discernment. When you discern My times, My seasons, My choices, you will go against the current being generated by the ruling

elite. When you think for yourselves, basing everything on your personal preference and the opinions of others, you will find yourself endorsing evil. Discernment takes time. Opinion is the lazy man's way. This nation is in this fix right now because you were lazy. Don't make the same mistake. Discern My times, My seasons and My choices. Stand with Me, not with popular opinion.

"Yet, I do not want you to lose the gist of this teaching. Beloved, this is about failures leading to the greatest success and seeing yourself in My mirror as the little kitten in need of protection and help. When you finally see yourself this way, that is when the lion will rise up to do it all through you.

"May you be confident in My Love. So confident that you allow yourself to see clearly in My Mirror who you are and who you are not. May you trust no longer in your own devices, but come to Me on your knees. 'Lord, I am too little, I cannot do this.' In your hearing ears, I offer you these graces. Take them, cherish them, and become who I have always created you to be."

The Lord bless you, my sweet friends. I have some very important things to share with you.

We now have an addition to the Binding Prayer. It's not something that I need to put up, it's just a technique that I want to give to you, so that we do this in the best possible way. You can incorporate this as you pray the Binding Prayer each day. I believe Holy Spirit has quickened this to

me, and that it needs to be done. So, that's why I'm bringing it up to you.

When we're praying for deliverance - the binding prayer, we need to pray in Christ's authority, in which we are totally convinced when we declare His name, that we are His family and we have the rights to this name. If it becomes rote, if we get tired of saying it, or we're not paying attention when we say it, it's not going to carry the same force of authority that it will when we declare it with our full hearts, minds and voices focused on it. Not violently, but in such a way that you are thoroughly convinced His Name is above all other names and every demon must bow to that name. So, we need to establish exactly who He is to us when we say His name.

When you say, "In the Name of Jesus." it can very easily become rote, to the point where you really don't declare His name with full attention and intention. To offset this tendency to numb out when we pray this part of the prayer, I want you to begin to declare something about Him that will call your attention to the true meaning of the Name.

For instance, this is what I've been doing:

"In the Name above all Names, Jesus Christ..." and then the prayer.

"In the Name of the Son of the Living God, creator of Heaven and Earth..."

"In the Mighty Name of Jesus..."

"In The Name Of Jesus, to whom every knee will bow, every tongue confess..."

"In the Name of the Mighty One, Jesus our Lord..."

"In the Name Above all Names, in Heaven and on the Earth, Jesus Christ our Lord..."

"In the Name of Jesus, the Christ, the Son of the Living God, I command you..." and then you go into the prayer.

"In the Name of Jesus my Spouse, King of Heaven and Earth, I command you evil spirits..." and then you say the rest of the prayer.

And I've noticed an increase in effectiveness doing this, this way. And certainly it gives more honor to Him.

So, when you do this, you are declaring who He is to you and to all of Creation, to those demons. And appropriating His Mighty Name, which you have the right to use against evil. You are taking authority with intention, rather than repeating the Name above all Names in a manner that is somewhat dulled to the power in that name.

We all can take familiar things in a superficial way after a time. And I'm not saying that the Name Jesus has no effect when you say it. Of course not. But when we're a little numb in praying the prayer, what I am saying is that we are praying with strong intention. So, in full awareness of the power of that Name, we declare to the demons we are focused, not just shooting scatter-shot.

The Lord told us that we must pray the binding prayer with intention. In other words, if you are thinking about something else, you're distracted and not pinning the demons down with the full force of your intention.

I catch myself doing that frequently and when I do, I go back and pray that passage of the binding prayer again, until I know I was seriously intent on them obeying and not saying it half-heartedly. So, when you pray the binding prayer, do it with full intention, conviction and even ask the Warring Angels to enforce it.

In this way, what you say with your mouth, you believe in your heart and it's a done deal.

And I wanted to bring up a prayer for nightmares, because we've had a few people who've been suffering from those.

Every night, I pray over Ezekiel and he prays over me:

"In the Name of Jesus, I call upon the Holy Angels to protect our sleep, to surround and protect us from all intruders, projections, and every evil. Amen."

And this prayer works very well. When we don't pray it, it's not good! So, I do remember to pray it.

Also, make sure you don't have any calling cards for the demons in your house. A calling card is anything that originated from a contaminated, demonic source especially opening the door to evil by its content. You'll find that in the newspaper, in magazines, music, videos, articles, native art - anything like that can open the door. I don't allow newspapers or magazines in my house. Make sure your house is clean and ask Holy Spirit to reveal to you any open doors.

And if you've got teenagers, oh boy. You've got a lot of open doors, unless they're very holy, that is. And that's pretty rare. And even when they are holy, sometimes they just won't agree with you that something's bad because they'll feel deprived if they have to give it up.

I also want to mention to you that we are working on keeping the drives and CD's up on Amazon. They are trying to set a limit on our price, they want to increase it. So we are working on a 'sale,' so to speak, to keep it where it belongs. We do not want any profit on this. Unfortunately, on the books we have to play by their rules, we don't have a choice there.

I also want to tell you that I am getting some wonderful first-hand instruction from the Lord by using The Rapture WAS Real?! book for a rhema every day. And here's an example I'd like to share with you.

As you all know, the Lord has commissioned me to do a painting of Him that really conveys the intimate feelings, intimate and pure feelings that He has for His Bride. And I got this rhema yesterday in the evening, before I went to bed. It was all about the painting. I had just come back from the art store and gotten some more materials that I needed, because I was going to work in a different medium than I had thought.

I was real excited to get started on it, and what do I open to in The Rapture WAS Real?! book? I'll read it to you.

This was from March 28, 2015. Tonight, when I was with Him and He was holding me so tenderly and showing me the many faces that I've adored Him in, probably three different faces that I really feel capture His personality and His moods, and just His gentleness.

When He began to appear to me more as in the Shroud of Turin, the pictures by Ray Downing. I was a little uncomfortable with it, because I hadn't seen Him that way before. Tonight, as He held me, it's like His face morphed into all these different images that I'm so fond of portraying Him. As well as the Ray Downing one, from the Shroud of Turin.

Thank you Lord, for holding me so tenderly and showing me the many faces I have adored You in...and melding them into one.

Before I tell you what He said, I just want you to know, I don't worship a picture. I worship the Lord Jesus. And He has a face and He has a look. There are pictures that resemble Him. And when I look at that picture, I'm not worshipping the picture, the paper or the photograph or the

art! I'm worshipping HIM and His presence. And this is something that's been grossly misunderstood and misrepresented from the Scriptures.

Going back to where it was first stated, in Exodus, Chapter 20 it is written in verse four: "Thou shalt not make unto thee any graven image, or any likeness of anything that is in Heaven above or is in the Earth beneath or that is in the water under the Earth. Thou shalt not bow down thyself to them, nor serve them. For I, the Lord thy God, am a jealous God."

Now, according to Webster's dictionary, a graven image is a carved idol. A representation of a god used as an object of worship.

In other words, the worship of idols representing gods was forbidden. But not the images themselves. So, a graven image was the likeness of a god used in worship. The Scriptures say nothing about statues and pictures in general being forbidden. Only when they represent a false god and are worshipped. And the proof of that is substantiated in I Kings, chapter 7. And just to be clear about the timing of this, Exodus was written 1,400 years before Christ and I Kings was written 840 years later. And this is when the Temple of Solomon was being constructed, where Solomon was instructed to build a Sea - constructed out of metal. A very large bowl, 25 feet from rim to rim and 12 feet high. This Sea was set on 12 carved bulls and it could contain 12,000 vat-fulls of water. Stands were also made out of bronze, with lions, bulls and cherubim within them. That's I Kings chapter 7.

So, it IS lawful to have an image of God, a painting or a statue. You are not worshipping the object you are looking at. You are worshipping the God Who is represented in the image. So, that should clarify and help you to understand what the Scriptures REALLY say about photographs and statues. He's talking about people who made little demon images and would sit there and worship them.

So, going back to what we're talking about here:

Thank you Lord, for holding me so tenderly and showing me the many faces I have adored You in...and melding them into one beautiful face.

Jesus answered me, "My Bride, I didn't want you to feel alienated from Me, I truly am represented in all those images of Me. Yes, indeed the pictures you have used capture unique facets of My person and I have no objection to you using them. I only want for you to be acquainted with My actual face so that you will in no way be shocked when you finally see Me."

So, that is the rhema that I got from The Rapture WAS Real?! book. Right at the point where I'm working on the true face of Jesus and how He wants Himself represented or portrayed. And I can't tell you how many times the Lord has spoken to me through that book, over some issue that I was struggling with. When I open it, it's like He's started speaking to me all over again, just in that moment. And He's been instructing and reminding me through it. It works amazingly well. So much so, that we're considering a second edition with all the new messages that aren't in the old one. And there's no rush on that book, the more of the rush is on the thumb drives and the CD's.

Okay. Well, the Lord has brought something up to me about healing.

In my earlier videos I share with you the formula for a miracle of healing. And this is the formula:

A Christian praying in faith + a sick person equal a miracle of healing from God.

No big words, no long tirades, or even any words at all. Simply the intention of the heart, laying hands on the person and allowing God to touch them from inside of you where Jesus lives. He reaches right through you, guys - right through your arm to touch whoever you touch.

There are different ways to pray but this is the very essence of what is necessary. Jesus does all the rest. But sometimes we want to take authority over our family members and cast off the demons, and then asking Holy Spirit to come and restore their bodies.

We have absolute authority over our husbands and wives and children. Husbands have authority. Wives have authority. As it is written: 4The wife does not have authority over her own body, but the husband. Likewise the husband does not have authority over his own body, but the wife. I Corinthians 7:4

And Jesus listens to the cries of the little children, as well. When we pray for healing we must Pray. With. Intention.

Here I was addressing a friend who's retired from the military and has a very sick wife.

I said to him, "You have the POWER of CHRIST living, breathing and being in you. When you lay hands on your wife, which is your territory, where you have supreme authority under Christ, when you lay hands on her you are enforcing your rights as a husband over his wife. You are taking back what Satan has encroached on and stating your rights and MAKING him let go of her and cease and desist. Just as much as if you had authorized an air attack on the enemy's position. You have that authority. And you can always call upon the Holy Warring angels to back up every single word of your prayer.

We are seeing amazing results from that, guys!

When I pray for Ezekiel, before it gets really bad...I address the organs involved and command them under the authority of Christ, through whom all things are created, to function as God intended. I speak directly to Inflammation to stand down, nerve endings be silent, scars to disintegrate, blockages to move, intestines to dilate, heart to normalize, liver to function properly. I speak directly to the organs. This is just another technique of prayer I'm giving to you and I'm adding it to the one I talked about before, which is just a simple laying on of hands.

The only time I pray intensely for Mercy is when the other prayers didn't bring the desired result. Then I am appealing directly to God to intervene and reveal His mercy to us through the soul that I'm praying for. He loves to do that, He loves to answer that prayer!

So, in other words, when the other prayers don't seem to be yielding results, I resort to this prayer. I do lay hands on Ezekiel. I beg the Lord for Mercy. "Mercy, Lord. Mercy." And He takes away some of the suffering, some of the pain and gives Ezekiel the strength that he needs to keep going.

Then I ask, "Holy Spirit. Please come and bring healing and restoration to these body parts and cause them to function again properly."

I pray you will all take these instructions to heart and I want to hear about the miracles when they happen.

Okay. Now I have something really fun to share with you.

I have a wonderful announcement to make concerning our website. Thanks to our dedicated tech team, we now have a page with rhemas that come up randomly when you click on the Rhema button on our web site at heartdwellers.org. There are over 500 different words programmed in and eventually there will be 1,000. We believe that Holy Spirit will choose the right word for you when you click on the Rhema button, and that it will give you some counsel from Him for the day. The graphic frame, by the way, for the words when they appear in a Celtic theme from the early Christians in Ireland who believed the wild goose represented Holy Spirit. So, that's why the goose is delivering the message.

In order to access this new page, just go to our site - Heartdwellers.org - and look for the Rhema button at the top. Click on that and the page with a fresh random word will come up. Enjoy. We've been using this for months on another site and it's had amazing results. Do this prayerfully, expecting a word from Holy Spirit.

And please don't overdo it and get into curiosity, fear and confusion. Take no more than three words at a time or you could get into the wrong motive and get spiritual indigestion, not understanding what is being said. Do everything from a motive of faith that God is with you. Never allow a motive of fear to control you. You can use this site much as you use the Bible Promise book for a Rhema, but instead of opening the book you are clicking on a button and trusting Holy Spirit to give you His word for you.

When you do get a word, let Holy Spirit quicken its meaning to you. You can also set your browser to this page when it opens and you will have a fresh Rhema every time you open your browser. I'll tell you, the Lord has warned me about some things that were coming up when I've done that. I save my Rhemas in a folder, just for future reference.

So, please. Go on over to our site and enjoy this new feature. We love it!

I bless you in the name of the Lord Jesus Christ and pray that the richness of His wisdom will dwell in you. And His grace will give you strength to do His will forever. Amen.

Satanist Pronounces Curses/ Graham Turns Them to Blessings

May 20, 2016

It always amuses me when the enemy comes calling. It's like, "You have no ability to learn, have you?" 'Cause it didn't work the last 50 times, but here you are again. It's like, he's in this permanent Groundhog Day kind of a lifestyle.

Here we are again - that's a great movie - I love that movie.

Here you are again. And you don't realize that you're only present to strengthen what God is doing and healing in my life. So, thanks for coming! See it the way God sees it.

I was in my office one day. Phone rings. I don't normally pick up the phone, 'cause I think it's a demonized instrument.... So, but Carol's gone home early for the day, so it's just me there.

So, I pick up the phone, this cloud, this obnoxious-smelling cloud comes into my office. It's like - I could see the cloud and it's...a horrible smell. Pick up the phone, it's a Satanist on the other end. I'm thinking, 'Flippin' cheek!'

I said, "Hey man, there's a cloud in my office, a very evil smelling cloud." I said, "Is this you?"

He went, "We have an assignment against you."

So, I said, "Okay. Let's hear it, then."

So, he starts cursing me. So, I'm listening and I'm writing this down. Write it down, so I read it back to him. "So this is what you're saying, right?"

He said, "Yeah."

I said, "Cool! Thanks, man. Appreciate that. So, you need to know that, one - I'm not scared of you. Two - you haven't phoned me because you've got an assignment against me. You've actually called, phoned me, because I have an assignment for people in the occult. The third thing you need to know is, every curse you put upon my life, God will turn into a blessing. So, I've got some great curses here, man. I really appreciate that. Because blessing in my life is just, like, gonna go off the chart, eh? But listen. I have a word from the Lord for you. 'I'm coming to GET you!'"

Slams the phone down.

So, this cloud disappears. So, I just stand up and start walking around my office saying, "Father, I thank You. So, Lord, what are the opposite things here?" So, I start to write down, it's like I'm writing down a prophetic word. 'Cause the Lord says.... Okay, everything in the opposite spirit is yours in this season. So, I'm making notes. So, I'm making notes, I'm making out all of that, and I

pick up this piece of paper and I burn it. Yeah? And I bind the curse and everything, and I burn it - and now I've got this great prophetic word, courtesy of a Satanist!

So, every day I write a crafted prayer around that, and my blessing in my life just start to increase. A few months later, in the office again. Phone rings, pick it up - and it's this guy!

And he says to me, "You may not remember who I am. I was the Satanist who cursed you, you know, what - four or five months ago."

I said, "Yeah - hey, man. I've prayed about you a loads of times." I said, "You wouldn't believe the blessing of God on my life. I am so grateful to you. That was like, one of the turning point phone calls in my life. Brilliant!"

Just messing with him, you know. And he starts laughing.

And I said, "Hang on a minute. You said I WAS this Satanist. What's that about?"

He said, "Well, I hated that phone call." He said, "I'm so used to Christians being afraid, and seeing their lives fall apart." He said, "But I've never got on the end of the phone with a guy who couldn't care less what I was saying. And who had an intention to turn everything around." He said, "And I hated the phone call, I hated the last thing you said to me 'I'm coming to get you.' Because you destroyed all my powerbase. Because I came up against someone who I knew could turn what I said into the opposite. And I knew that nothing worked. I began seeing that God was bigger. And I'd always been - I'd been a Satanist for years. I'd always been in that place where we had the power and everything else, you know?" And he said, "From that point on, I couldn't enjoy the rituals that we did, I couldn't enjoy the meetings. Em, it's like, I was startin' to freak out, startin' to look around, and I was startin' to see how weird these people were. And then I looked at myself in the mirror and say how weird I was!"

He said, "We were in a coven in a meeting, out in the country in the woods. We had a bonfire, we just slit the neck of a cockerel, we're doing a blood ritual. And Jesus just came and stood in the fire. And none of us could move. It's like, my feet were rooted to the floor, could not move."

He said, "And he just stood and looked at us, each of us, for the longest time. Then He just stepped out of the flame and He came up and He touched every one of us. When He touched me, every demon in me fled. Now, we were all filled with the Spirit."

I said, "How many people in your coven?"

He said, "Twenty four. "

I'm thinking, 'Cool!' I get to bless one, I set free 24! Those are good odds, eh? The thing about this is, you need to understand that in your favor there is a place of authority for you. So you have to go to the limit of your favor to discover what the promise of what your inheritance is, and therefore what you've got permission for against the enemy.

You step over that line, you're into presumption. But you stay within the line of your favor, you have authority to speak and say things. Now, the more you press out your favor, the more you

press yourself out to the limit of your current prophetic word, the more territory God is going to give you, the more authority that opens up for you. Yeah?

That's why you simply must work with prophecy. Implications for changes, you get power over situations that come against you. You get power over the enemy. In Christ, you are condemned to victory. It's like, you have to be an idiot not to win! God always commits us to a good fight, and a good fight is one that you don't lose. Otherwise, it's not a good fight, eh? That's a bad fight. Yeah?

You have to sit down in the Word, you have to relax before God in it. You have to make your prophetic word part of your devotional routine. Then you get to walk in the Word before God and before people. The Word gives you power to expect and to anticipate - use it. You walk into situations carrying your favor, and you can donate your favor to somebody else. Whether they are saved, or whether a Christian or a pre-Christian, it's irrelevant. You get to donate the favor that you have into somebody else's life, get's them started.

And you have to learn how to stand on the Word before the enemy. Declare your favor. This guy starts cursing me, I said, "Okay, but you need to understand, this is how it works for me. No weapon fashioned against me can prosper." "Cause I know the limit of my authority right now, and I can declare to you, within the rhema of my current authority, that God's going to take this curse and turn it into a blessing.

So, I thank you for it. And I'm going to see what the opposite of these things are, and that's what I'm going to take on board. That's why I wrote out the opposite straight away, I start while I was doing...I wrote out the opposite of all of that. And I said, "Lord, is that enough?" And He said, "No, write something else." So I started again. And when I had something that God was satisfied with, then I could bind the curse and loose what God had told me was going to be mine. Then I could burn that piece of paper and that's over. Has no power anymore. But now I'm expecting this - I have a whole new level of expectation in God about what I've come into. It's like a reverse prophetic word.

What the enemy meant to kill you, God uses for you. And you use the same...You know, David used Goliath's sword to take his head. The very thing the enemy was going to use against him, he used on the enemy. This is our authority in the Spirit. You stand on the Word before the enemy.

Every day then, I began to declare the Word to the Lord. I took that piece of paper that I'd written, all the blessings and I began to declare every day, "This is the Word of the Lord to me." Then I started to press out, what would that look like in my life? If I come into this today, what is it going to look like? What's it going to change for me?

So, I meditated a few days on what the implications of me believing this stuff...that I'm starting to step into it, and starting to press it through. Start to declare it against the enemy. Start to declare it my protection, my favor. And you know, I ended up with a double portion.

Your Designer Cross

May 21, 2016

The Lord is Help, dear Heartdwellers and He has unique plans for each and everyone of us.

So, today I had a bit of nausea, and that's not unusual with Fibromyalgia. But I was really struggling when I came in to get the message, I was having a really hard time keeping it together. I began, after I came out of worship, I told Him, "Lord I am trying.... between nausea and more nausea...

I've had a hard night, Lord."

He answered me, *"I've been with you all night, My Love, all night. Right here by your side. I've never left you, not even for a moment."*

Oh, Jesus, I want to offer the things up to You. But I'm afraid my attitude isn't the best.

He answered, *"You are getting horrendous opposition, Clare, horrendous. But may I say, they are no match for Me?"*

That's for sure.

"So, we are doing a message in spite of their efforts to block you."

And here I am now, editing this message - and the nausea's gone. Hmm... interesting. As soon as I finished the message, or about half-way into it, I noticed that it was waning and now it's gone.

"My sweet dove, how comforting to hear you say, 'If I have to be sick, the best place for me to be sick is with You, Jesus.' Rather than going to bed, you've embraced Me and ignored the discomfort. Do you know how pleasing that is to Me?"

Well, I wanted You to know that You mean more to me than being sick, and I wanted to be with You, Jesus.

"And I wanted you here as well. You see, even when you are sick, you can glorify Me. You can keep Me company, and I keep you company as well. I know you're on the edge, but you've chosen to persevere and that is so pleasing to Me."

"Just hang in there, this too will pass...no pun intended."

And here He's talking about a collie, which I had a vision of this puppy about 2 months ago. And that was actually when it was born. A bouncing little collie puppy. And he turns out to be a rescue. So, we're really thrilled. I just got an e-mail one day from some people that we had enquired of a couple months ago. And the Lord did prepare this way for me, He did give me a vision of this dog. And it's very sweet, really, the way He works.

And He said, *"You have a puppy coming, you know."*

Yes - I'm excited!

"He's a little ragamuffin and a handful now, but he will settle down within 3 months. Until then, he will be a challenge. Lots of chew toys, lots of distractions and playing, lots of lessons with cats. He will be a pleasure, a joy and a challenge."

"I wanted this for you, Clare. You needed a joyful distraction. You both will get hours of pleasure from this little one. I will see to it. He will indeed be a new family member. The cats will endure him and get used to him, don't worry about that. They have seen dogs come and go...in fact, they will wish he would go. 'Things were so much more peaceful before he came on the scene.' Nonetheless, they will play with him, it will be a novelty. We are going to have fun with him and this was truly My choice for you."

I was feeling nausea again, very sick to my stomach at this point and a little dizzy.

He repeated Himself. He said, *"Dear one, this too will pass. Endure like a good soldier of Mine."*

Jesus, I offer this to You for souls. Oh, how I love You. I know I can't suffer much more than little things.

"There will be tests and trials in the coming days. Many tests and trials. You are entering a new plateau, climbing a new mountain as it were. Many will be tried in new ways, for as we go forward there must be progress. You must be always embracing more and more holiness, patience, humility, and steadfastness. These are the things that qualify you for advancement in My service. When you handle one level well, I advance you to new challenges in order to prepare you for new graces."

"I will be with you in all of this. It is for My glory and the salvation of souls. You know I never waste anything. Remember, everything is in My hands and it's not about you - but My agenda. And graces will flow like a river."

"Your little flock, too, will advance in the ways of holiness. There will not be one day that does not have its challenges. Forewarned is forearmed. I wish for you all to stick together and be supportive of one another. This is the mark of My endtimes army: Brotherly Love. For however long you are here, I want you to advance in holiness, My Brides. There will be ample opportunity. Remember it's not about prosperity, popularity, and power, but righteousness, peace and joy in the Holy Spirit in the midst of a corrupt and challenging world."

"Moments of triumph will be gratifying and I will reward each richly with the sweetness of My presence. The number of those who leave will decline, no one can argue against brotherly love and unity of purpose."

"All of you will be called upon to serve in some capacity, whether it be to help an elderly person across the street, or pray for the sick. The more confidence you have in Me, the greater results you will have in your prayers. Do not even consider your weaknesses, for each of you are wearing"

designer crosses. In other words, I Myself have fitted them to your size and strength in Me. There is nothing I will allow that you cannot master with My Grace.

"That is why I ask you not to consider your weaknesses, because My power will shine through your weaknesses and even surprise you with its results. Many of you have been walking this walk in your own strength. I am calling you to abandonment and confidence in My ability to carry you through storms and challenges.

"The less you think of yourself, the less you consider your skill sets and measure them to the challenges, the better. I need you to be focussed totally on Me and what I am doing through you. Just when you think it's all been a waste, that is when your breakthrough will come. I am prying you away from your own devices, your own abilities and tailoring challenges for you that will cause you to have complete confidence in Me because these things will be beyond your capacity to navigate.

"This is so very good for you. The less you think of yourselves, the more you consider My strengths, the better. What you would never dream of undertaking will flow right through you with very little effort if you are not counting on yourself, but counting on Me to do it.

"There will be many such tests. Your painting of Me, Clare, is one such test. Don't be concerned about your lack of expertise, rely more on Me, My precious Bride. The more you rely on Me, the better the results. In the end, all of this will become so automatic in all of you. You will find yourselves declaring frequently, 'I can't do this Lord, would You do it through me, please?' And even letting go, so I can, will come naturally to you once you overcome your tendency to want to control everything.

"Abandonment, abandonment, abandonment to the sacrament of the moment. Yes, each moment is a sacrament, a tool to bring you closer to Heaven. Don't try to size it up and compare your ability, just cast your care on Me and move forward. I will truly do the rest. What makes a Christian great in My service is the ability to forego themselves in favor of Me, in everything. The greater your abandonment to Me, the greater your success. And the more I will shine from within you bringing healing to those around you.

"Understand, My idea of success is not the world's idea. In the eyes of some, you may see yourself as a failure. It will be in these moments that you will be closest to Me and resemble Me the most. Do not look for worldly success, look for growth in holiness and abandonment to Me. The less you seek the world's favor, the greater you will become in the Kingdom of Heaven.

"I know I have repeated Myself here, but it is for a good reason. These lessons will be so much easier if you retain what I am saying. They will come back to you, quickened by My Spirit. But still, it would be good for you to keep a copy and read it from time to time, to see just how accurately I warned you ahead of time.

"Again I ask you, please do not measure your abilities against the challenges. I am asking you to step out from under the cloud of your own self-reliance, which is poison in My Kingdom. Step out from under this and embrace the nakedness of not knowing, not having, not being experienced. Step out into the unknown and watch Me take over through you. You will literally be amazed at

what I can accomplish through you. Do not be afraid. I am truly with you and will cause you to prosper spiritually in all circumstances.

"Remember: friendship with the world is enmity against God.

"Be wise as serpents, gentle as doves, and as dependent as a toddler just learning how to walk. These attitudes coupled with humility, patience, forbearance and brotherly love will cause you to succeed where most would fail.

"I love you tenderly, My Bride. Do not concern yourselves with timing of events. Concern yourselves with the sacrament of the moment and how I handle it through you. There will be many, many victories and new levels of holiness for those of you who take this to heart."

Hand in Hand With Daddy

May 23, 1016

May the Lord's springtime blessing envelope you, Heartdwellers.

Well, I finally got my little collie puppy and he is absolutely precious. Today was intoxicatingly beautiful...springtime is here in Taos and it's just so beautiful. Everything is green and bursting out, it's wonderful after a long, difficult winter.

Oh Lord, I feel springtime all over! Life just feels SO good! Thank you, my God, for giving me a touch of springtime! And a beautiful puppy.

Do You want to speak to me?

"Of course I want to speak with you! What in the world ever made you question that?"

I just can't really see You, Jesus. I hear You...kinda. But I can't see You.

He said, *"There's nothing wrong with your hearing or vision. It's your faith that's afflicted and no amount of good works can qualify you for this job. Simple faith, that of a little child is all that is required. And you do have that, Clare.*

"Yes, and I do want to speak with you about Faith. Isn't it amazing that whatever you bring up it's connected to my topic for the day?"

Considering that You live in me, Jesus... I guess not!

He chuckled, *"Daughter, I live and breathe and have My being in you, with you and through you. We are so coordinated, you would be hard pressed to tell us apart. Although your sins will always reveal who has the upper hand at the moment.*

"The faith I speak of is the faith of a little child who does not worry about entering a university when she is three or four. She doesn't question the future - unless it's the immediate future, such as obtaining a treat when she is at the store with her mother.

"She cares not about the stock market, qualifying for a loan, obtaining a vehicle, and which insurance policy is best. No, she puts her little hand in Daddy's and walks along the sandy shores of life taking in the pretty shells and foamy water. She doesn't worry about what grades she is going to get or how to qualify for college. She only thinks about the present moment, because her Father is always supplying all she needs. This is faith in action.

"Unless you become like a little child..."

'Truly I tell you', He said, 'unless you change and become like little children, you will never enter the Kingdom of Heaven. Therefore, whoever humbles himself like this little child is the greatest in the Kingdom of Heaven....' Matt 18:3-4

"It is humbling to be dependent like a child, at least from the world's standpoint. But from where I stand, it is the perfect place to be: totally trusting Me to provide everything, without qualm or question. When you are dependent you have no control, no decision making power, no say in anything - you just take Daddy's hand and walk along the paths of life with Him.

"You see, My children, it is your many insecurities that motivate you to live a certain life. It is your insecurity about the provision of life's most basic needs that corrals you into a place of subservience, instead of a position of totally fulfilling all I have made you to be. It is also the fear of suffering, the need for comfort, protection and acceptance by society. Once you abandon yourself into My arms, you let go of these concerns and place your life totally in My hands.

"When you are fully released to Me and I am in full control, I can do all that is necessary to guide you into your true mission in life. Yes, there are moments that are scary, painful, confusing. But ultimately, when you trust Me, you cease to worry about these things. Unless you become as a little child...Yes, abandonment into the arms of your loving Father, your loving Jesus, your loving Spirit is the key to maintaining peace in the midst of life's contradictions.

"I have proven Myself over and over again to some of you. Others are new to this concept and are proceeding with caution, one step at a time. It is important for you to keep remembrances of the times I have come through for you, when everything looked hopeless. These become altars, just as Jacob built an altar after He wrestled with Me. They are designated places that are proofs and solid evidences of My faithfulness. It could be a rock with an image on it. It could be a drawing, a song, an entry in your journal. Anything that points to My faithfulness in this 3-dimensional reality we live in together.

"Then, when the sky is darkened, lightning is flashing, winds are blowing... you refer to the last time I saved you from disaster. Yes, even as the apostles witnessed Me walking on the water and arriving at their destination immediately, in spite of their predicament. Another altar was My transfiguration. My apostles could see that I, once again, was totally above the laws of nature.

"I will establish you in these altars as you walk with Me and they will become places of comfort and confidence in the midst of turbulent times.

"So, take My hand. Trust in Me and allow Me to take you to your destination. Remember - I am always with you, always speaking to you, always guiding you and always there to embrace you."

Sweet Aroma of Holiness

May 23, 2016

May the gentle and kind presence of our Jesus be with you, Heartdwellers.

After quite a long while in worship, I began to feel I needed to have a communion service with my Scripture readings and prayers. But The Lord prevented me and said, *"I just want to hold you, Clare. For so many days, I have wanted just this; just to hold you gently in My arms*

and rock you, and enjoy the sweet aroma of love that is rising from you, dear one. I just wanted to be in that place with you."

As usual when He compliments me, I tend to reject it or become suspicious.

Listening to that, He answered me, *"Please don't wound Me with disbelief. I needed to hold you and just inhale the sweetness coming from your soul when we are together."*

I could feel what He was talking about, almost as if I were enveloped in cotton candy.

"But, Jesus, I still lose my temper...amongst many other bad habits. "

He answered, *"No matter, that's not your heart. Your heart is about pleasing Me and you do please Me, Clare."* (I started to cry because I don't see myself that way at all.)

He continued, *"That's why I have to tell you there is sweetness there, in your soul. Yes, I must tell you, so that you won't focus too much on rancor when it comes up, but you will see that is not the bent of your heart.*

"So many of you, My children, are highly pleasing to Me. The sweet aroma of holiness exudes from you."

After He said that, I saw something like that when we were dancing, because it seemed that there was a fragrance emanating from the very top of my head and that's where Jesus was resting His cheek.

"Yes, there is a fragrance about a soul that continually yields to Me. It is sweet and comforting to Me. So many, I can't even get close to. The poison of rancor is so intense I cannot stand to be close. See to it, all My People, that the odor of rancor does not proceed from your thoughts. Yes, the activity of your brain emanates this fragrance. When it is sweet, it is as if I were walking

through a well-kept garden. When it is noxious, it is the odor of death and decaying flesh. You can hardly understand how terribly bad it is."

Jesus, what do you want to say to Your blessed ones today?

"Hold on. Hold on to the gifts I've given you. Hold on to the anointings, hold on to the dreams and visions, hold on to our tender times together. Hold on, hold on. Do not let the enemy come in and dissuade you into unbelief.

"He is cruising to steal from you through anger, bitterness, resentment and foolish fears. When you feel those things rising in your emotions, it is the enemy stealing from you. He wants to take away your sweetness, your presence with Me, and the overflow I fill you with."

You know, this is really interesting what He's saying. Because that young man, Nathan, the one that was taken to Heaven - he said that the Lord could discern the sincere people, it was like a smell. Like He could smell the ones that were sincere. They were all male, had their holy clothes on, but only the ones that He could smell that had a sweet fragrance would He allow to come to come into the valley where the protection was going to be. I thought that was really interesting. And here He is again, talking about a fragrance.

The Lord continued, *"He loves to incite anger to drain you before you can even begin your day or finish a project or your prayers. He loves to lie in your ear, cause you to erupt into anger or fear and then drain you of all you had planned for the day and you run off to tend to these decoys. He is very clever and he knows which buttons to push, because his agents, the demons, are forever observing you and taking notes."*

Interesting again that Jesus should bring this up, because I had a day like that. I had two days in a row like that, where I lost my temper, and it just totalled me for the whole day.

Boy, the Lord is really speaking to me here. Things I felt shouldn't have been demanding more attention, all of a sudden were drawing me away from prayer and the message. I was becoming more frustrated every day, until I just couldn't take another distraction and I had to make other provisions, but by then my anger had exhausted me and there was nothing left.

I don't know how it is with you, guys, but when I get upset, my energy just drains out of me and I'm left limping along for the rest of the day, instead of being able to move forward. Then I have to deal with guilt, because I indulged my impatience and judgment.

The Lord continued, *"What you are describing, My Love, is exactly how Satan kills, steals and destroys. He causes misunderstandings, then anger, alienation, judgment, guilt and at the end of this long string of involuntary reactions, you have lost the initiative and peace for the rest of the day. To do something truly productive in the Kingdom of God.*

"Be aware of how he works through his minions, dear family. Be aware and nip it in the bud. Cry out to Me, 'Jesus, deliver me from evil!' And I will come to your aid. This does take self-control and discipline. The ways in which these two, moderating dynamics are compromised deliberately by the plans of the enemy are exhaustion and time constraints or deadlines. You feel as though you must get it done by whatever time and when interruptions and distractions

come, you become tense and resentful. When you are tired, you're not thinking straight. Fear, pain, endless interruptions, if they are allowed, are used to drain you. Then you make bigger mistakes and have to repent and spend more time in damage control, pushing you further away from your goal.

"Be aware, My children. Be aware! Your enemy is so clever. But if you stay in My Love - always patient, always forgiving, refusing to judge, understanding that I am allowing these things to temper and test you in virtue. If you continuously keep before you the vision of Me being in control of every one of these things, I can return your peace to you before it robs you of your day.

"I bless you now with fortitude, patience and temperance. Hold on to the good things I've entrusted to you. Let no one steal them from you.

"And please remember: I am coming soon."

On The Brink of War Again

May 25, 2016

Dear Heartdwellers, please pray that ears would be opened to this message and souls would respond to the Lord's appeal while there is yet time.

After worship, and before I could even ask the Lord what was on His heart and mind tonight, He began:

"War is surely coming to this land. If not tomorrow, another day not in the distant future. Bear with Me as I must be vague, things are not decided. I know many of you have been waiting on bated breath for news. I know others of you have grown weary and deaf, not expecting anything soon. And I must repeat to you: your minutes are being measured out to you. Minute by minute the decision to hold off is being made. But one of these minutes will be fateful and the annihilation of millions will take place.

"Are you ready to meet Me, My people and My Brides? Are you truly ready to stand before Me? Many of you have been prepared for months and even years. Others have put off their conversions. Some have back-slidden and taken up arms against My Body, cutting the nets open and letting the catch go back to an uncertain fate in the wild and hostile currents of this ocean of humanity. Some came close to Me but were pushed away by the behavior of so-called Christians. They see less backbiting and bitterness in the New Age movement than amongst Christians. And they want nothing to do with it.

"Others have fallen away because of pressure from their families. Yet I hold out hope that their commitment to Me will stand in that moment when they are ushered into eternity. But each of you are responsible for your own salvation, at the very least. I will not speak of those who detract against My Body, but they will have a heavy price to pay.

"For now I am addressing those who have ears to hear and eyes to see. Are you ready to meet Me? Much of the reason the Father has held back His wrath is because you are NOT ready. I am

sending out a warning call! You are very close to oblivion...meaning, you are very close to being removed from this world in a violent and sudden war, and you will be left in darkness until the judgment."

I thought to myself, 'Wow...that's 1,000 years from now.'

"That's correct. For over a thousand years they will sleep in the dust of the Earth, while those who were prepared will be with Me in Heaven. At that time, those who are called to the judgment will have been separated from loved ones, children, parents and other beloved souls who gave their lives to Me. They will be in Heaven and you will be waiting in the dust of the Earth and the depths of the sea. Are you ready to meet Me?"

"Are you ready to give an accounting for your soul, your life, what you did and didn't do? I am warning you, dear souls: as much as I love you, I cannot make you love and serve; I cannot make you do anything. I cannot fill in the blanks where your performance as a so-called Christian did nothing to reflect Me living in you. You may well hear the most dreaded words at the end of your long wait, "Depart from Me you workers of iniquity, you lawless ones, for I never knew you." Then you shall go with the devils into the Lake of Fire."

I asked the Lord what He meant by "lawless." And He said, *"The heart of the Law is Love. Those who didn't love are lawless."*

The Lord continued, *"Faith without works is dead. I am still waiting to see your faith in action. Waiting to see you feed and clothe the poor, visit the sick and those in prison. I am still waiting to see authentic conversion and love flowing from your lives. And yet, there may be a spark of hope left for you if you recognize your sins of selfishness and repent, crying out for Mercy. But if you are taken before you can repent, then what?"*

"I ask you now: prepare yourselves to meet Me and understand - preparations for war are already completed. It is merely the consent of the Father that is holding this wrath back."

"Do you understand? I want to forgive you. I want your blind eyes opened. I want your repentance. I truly wait, day after day for you to recognize you have gone down the wrong path. You have not chosen Me, but your flesh and the pleasures of this world. You have been embroiled in disputes, accusation, calumny, bitterness and backbiting...stealing, killing and destroying the good names of others and slandering the Gospel I died on the Cross to set you free with."

"I can forgive you, if you repent. I have paid the price but you must do your part. It will come upon you suddenly and there will be no remedy, no time to repent, no time to even call out to Me. For you, it will be over and your destiny will be sealed. There will be no excuses at that time, for I have given you warning after warning after warning in an attempt to turn you at the very last minute. There will be no excuses. You were warned, you were taught and still you chose to go with the Devil."

"So, I am appealing to you. You are on the brink of war again and there is no guarantee it will be averted this time. Choose who you are going to align yourself with, for many in that moment will not be able to change their minds. I am making things clear to you today. I am staying with

you, ready to hear you repent and come to Me. My arms are open to you even in this moment. I wish to forgive you and welcome you into My house, but you must make that decision from the heart and into My Heart I will invite you. Though your sins be red as scarlet, I will wash them away, white as snow.

"I am standing beside you now, waiting for you to come to Me. The grace is here for your repentance. Please, don't turn Me away this time. It could very well be your last chance."

You Are My Bride, My Garden Sealed

May 27, 2016

May the sweet presence of the Lord enfold you, dear Heartdwellers. May the blessings in this message be taken in and hidden in your hearts.

I fell asleep and rested after worship, which happens quite often, for all of you who feel guilty about falling asleep during or after worship. After my brief rest, I came into

prayer again saying, "Here I am, Lord." Although I didn't see Him at all, I knew He must be present. This does not bother me, because He does this many times as a fast offering for me and showers the grace on others who haven't seen Him before.

He answered me, *"I'm right beside you. Relishing your discovery of how much I love and honor you. I want to speak to My Brides about how much comfort they bring Me.*

"My dear ones, stop obsessing over whether or not you will be taken in the Rapture. I have told you before, as long as you have broken with sin and doing your best to stay out of sin, I will take you. When you fall, come running to Me in deep contrition. I will immediately restore you. There are elements of power beyond your comprehension that have made a generation of addicts. The struggles are fierce with these powers and many fall repeatedly because of them.

"I see the heartbreaking struggles you go through. I see your tears and resolve to stay away from sin. I see and I honor, so do not fear to come to Me when you fall. I wait for you with open arms. Understand that I do see everything about your life and I know where you are sincerely trying and where you are not. I am a God of forgiveness and restoration. When you have done your best, your very best and still fail, humility is worked deeply into your soul. Did I not say tax collectors and prostitutes will enter Heaven before the self-righteous? Indeed, I did. And whether you are aware of it or not, your weakness has kept you from joining ranks with those who congratulate themselves that they are not like other men.

"When I see your devotion, your daily struggles, your fresh resolve, your careful examination of conscience and self-correction, I rejoice that such a one as this has given their lives to Me. I find great solace and joy in dwelling in your hearts and listening to the meditations of your mind as you continue to draw closer and closer to Me, until we are one. I see your dry spells and watch your grief when you do not feel My presence, though I am with you always.

"I see how you recommit your life to Me sometimes hour by hour, day by day, saying over and over again, 'I just want more of You, Jesus. I want to love You with my whole heart.' I hear the times you cry out from the heart, 'Lord, have Mercy on these souls.' I approve the meditations of your hearts and the faithfulness you reach for daily.

"How can I possibly describe to you the indescribable joy you bring Me? You are like a garden filled with luscious roses of all different colors and marvelous fragrance. Jasmine, lavender and lilacs grow in profusion. Hidden between the beds of roses are precious lilies of the valley giving off their own divine fragrance. Yes, your good deeds are manifested to Me and all of Heaven with a supernatural fragrance. The dew drops, rolling down each petal of the rose, sparkles with delightful rainbows of color. The stones along the path are exquisite agate slabs, displaying intricate lacy patterns that reflect the hills of Heaven.

"The birds that nest in your garden sing praises continually in this sheltered place of worship and peace. There they raise their young on the finest seeds and fruits. Your fruit trees are continually bearing the most delectable fruits. And this abundance is spread abroad, bringing nourishment to other souls whose gardens are not yet in full bloom.

"Even if I were to spend the rest of the night explaining to you the beauty of your souls, I could not do so adequately. I only make this feeble attempt to point you in the right direction of understanding who you really are before Me. And I know you well, My Brides - you will not accept these praises readily, for all credit is returned to Me, your Creator. Nevertheless, your beauty is outstanding and I would be remiss if I did not at least attempt to describe to you what I see and experience in your presence.

"I need these gardens to walk in at the cool of the day. The cries of the oppressed are ever before Me and when I enter your gardens, the fruit that you have borne answers My need to see graces fall upon good soil and bear good fruit. You are refreshing, rejuvenating, encouraging, as you bring delight to My Soul. This is why I shed these graces abroad, so that they will eventually fall on good soil and bring forth a worthy harvest.

"When I see such things wasted while humanity cries out to Me for comfort, it brings Me great sadness. Did I not plant good seed? Did I not water and weed, fertilize and prune? Where then is My harvest? Souls are crying out to partake of this fragrant garden and healing fruits. I planted...where is My crop?

"You, My faithful Brides, are the answer to My prayers and through you I nourish many faltering and desperate souls. I have never demanded that you be perfect in every aspect, only that you be perfect in your love for Me and for your brother. When you set forth to accomplish that, I go with you and together we bring the lost to the banqueting hall of our love.

"So, put away your fears. I am coming for you. If you fall, coming running to Me in repentance, get up with a new infusion of My grace and try again. That you continue to get up is a marvel of grace that alone suffices to bring Me joy. Soon, your falls will be further and further apart and as you learn how much you are loved, how secure you are in Me, the powers of evil will lose their grip on you.

"So, run to Me, My Bride, and put away the lies of the enemy. I am coming for you; your hope and faith will not be disappointed. You have known Me as the Merciful God, so shall you know Me as the God of Glory as I transform your very bodies into the likeness of Mine."

You are my hidden garden, My treasure, My Bride, a secluded spring, a fountain sealed. Song of Songs 4:12

The Rapture Event Will Be Visible & The End of Works Righteousness

May 28, 2016

May the great expectation of our catching away with the Lord keep us all in a state of readiness, Heartdwellers!

I just finished watching the Rapture clip I posted from Bob Barber's channel, "What the Rapture Will Look Like - a Detailed Account". And it was amazing. It was really, really well done, and left us both, Ezekiel and I, speechless.

So, that was on my heart and mind when I came to listen to the Lord.

Jesus began, "You haven't seen anything yet. You think THOSE fireworks were amazing - wait until you see the fullness of what I have planned. It will be far beyond the imaginings of any filmmaker! But I must say, that was a very nice try and certainly gave you all a glimpse of something you never had before.

"David is My faithful servant."

He's referring there to David A.R. White - the filmmaker who did that clip on the Rapture.

"Nonetheless, eye has not seen, ear has not heard. Neither has it entered into the heart of man what I have planned for you, My Bride. It is glorious beyond description and heartrendingly beautiful! These days are filled with uncertainty and challenges. The waiting for some is almost unbearable. Yet My Grace sustains you. All that is beautiful and praiseworthy is hidden behind the veil of filth the enemy has swathed this world with. But for a few, brief moments that veil will be removed and you will see even as you are seen.

"Nothing like this has ever happened, nor will it again - with the exception of the descent of the New Jerusalem. This again will be a moment never to be forgotten for all time.

"How I long for My Bride to be lifted up into the heavenlies! To experience her transfiguration. Eye has not seen, and NEVER has it entered into the heart of man what is about to happen. John the Evangelist saw many glorious things, but this experience will outshine them all.

"What I have planned for you, My Brides, will only be believed when it is seen. Yet even that will be twisted into something the enemy can use. Some, however, will be totally convinced and give their lives to Me. Especially those relatives of the Brides. You've been preparing your families for

this, and there will be no escaping that this is truly the fulfillment of that prophecy. This event will leave a permanent imprint that will carry them all the way through until the end. There will no longer be any doubts that I am real and that I will return to rule.

"So many now cannot conceive of this, because they've been conditioned by the world. But this event will change all of that. Only the most hardened hearts will question what just took place, and will be eager to replace it with the world's explanation.

"This is why I resolved to make this a publicly visible event. All the tribes of the Earth will mourn." At that time, the sign of the Son of Man will appear in Heaven and all the tribes of the Earth will mourn. They will see the Son of Man coming on the clouds of Heaven with power and great glory. Matt 24:30

"The tribes of Israel in particular are referred to here, for they crucified their Messiah, and this will be the point of their breaking. Never again will the reins of pride rule My people. They will be humbled to the very lowest point. The greatest among them will see himself as the greatest sinner, for all the learning of the Scribes and Pharisees never prepared them for the reality of Who I Am. The entire system of righteousness through works will crumble and the prostitute will indeed enter the Kingdom ahead of them.

"Yet, I am not saying this to shame them, so great is My love for My People. I look forward with great longing to the day they realize I AM the heart of the Law and the fulfillment of all the prophets and all that is written. I am more than their Savior - I am the incarnation of the Living God. And through My life on this Earth I have demonstrated the substance of their faith and how I require them to live it.

"Never again will man's worth be judged by his works or earthly value. All the rich of the Earth shall be humbled before My precious Blood, which can never be given a value. The lame and the infirm shall hold a special place before Me as I heal them. Yet the law that decrees these are "unclean" will be washed away forever by My Blood.

"The great ones of the Earth shall be humbled and filled with joy at their lowliness. The poor of the Earth shall be exalted and restored to the very value of life itself. No longer will man judge between this one and that one. All will be purchased with My Blood.

"Clare, the heart of the Law IS Love. Do you understand, My Daughter? There is no "way" to earn a place in My heart. You already have My Blood coursing through your veins and you are priceless to Me. And Love is the currency of Heaven. It is the most valued attribute. And all that walk in Love are priceless gems from My Father's bosom. They have completed their journey and trials on this Earth and been restored to the purity from which they were created.

"It is a great mystery, this coming of man and returning to the Father. It carries with it a dignity admired by the angels of Heaven and feared by the fallen of Hell. It is as though My very life, death and resurrection is repeated over and over again by those who have given their lives to Me...and truly I do perfect them. They have something the angels can never have. They feel a oneness and union with Me no other creature can attain to.

"Yes, it is a great mystery under which I have given Myself completely to My Creation. Yes, I am the kernel of wheat which fell to the ground and brought about the great fields of ripe wheat for harvest. The perfection of all things created has run its course and returned to Me -yet now with the glory of the individual who has died to self to put on Me. Oh, how many mysteries are tied up in this mystical death. Only in Heaven will you truly be able to understand how I have given up Myself into each and every one of you to live through you, and how by this dying and resurrection you, too, are now little Christs.

"Do not strain to understand. Soon enough it will become clear as crystal to your understanding. But now is still the time of contending with the evil powers of this earth and their foothold on My people. Now is still the time of trial and test, whereby the glory of My life will emanate from those who are victorious. I know none of you feel like a victorious one - but can you trust Me? You are. I know you see so little value in yourselves and in a way that is quite accurate and safe, but in another way it is grossly underestimated.

"Yet for the sake of your salvation it is best to avoid examining these things too closely. While you are yet on the Earth you are still prone to pride, jealousy and the desire to be above others. Your safety is in your littleness and when you can rejoice in that place truly and from the heart, the battle is nearly won.

"I say that because no matter how you appear to others, you still are subject to this condition I have created to safeguard your splendor and beauty in Me.

"So, My Brides, can you rest in that? Can you rest in the vision of being restored to the Father in all your pristine beauty, where your battle scars will shine with the radiance of a diamond never seen before? Yes, take these words to heart. Continue to prepare yourself daily and understand we are partners in this venture. I am perfecting you. You are merely responding to the Master's hand as He facets the raw beauty of your being into a one of a kind creation. Rest in that. There is nothing more you can do but love at every opportunity, and repent at every failure and follow Me. I know how to motivate and lead you, do not fear for one moment. This is My job, and I do it well.

"May the richness of My indwelling presence be all sufficient for you to run the race to a victorious finish. I, Myself, will see to it."

How The Enemy Blocks Your Creativity With Demonic Intervention

May 30, 2016

May Our Sweet Jesus be your constant vision and your strength to persevere, Heartdwellers.

Well, today I was in worship for quite a long time, listening to Terry MacAlmon's songs and worshipping the Lord through them. And around the time when I felt led to stop and get the message, the Lord said something to me very gently.

He said, "We are very close."

So, I came to my computer and started to type - and I was listening for His voice again and He said, *"We are. Very close."*

I asked Him, "Lord, do You mean to the Rapture? Or the war?"

"The war and the Rapture." He replied. *"That was Me, Beloved. I wanted you to know. We are very close."*

This is not wishful thinking on my part?

"No, it's sad reality. There have been many false alarms - or shall I say disasters - turned away. But right now there is every indication that things are about to go forward. Stay in readiness, Clare. Stay in readiness. The enemy is clever."

And just to clarify this, that doesn't mean that intercession won't stop this forward motion. We still don't know until it actually happens, if it's going to move forward.

"Lord, what would You have me to do right now."

"Hold Me." He answered.

So, I set that time aside and just rested in the spirit, holding Him and just adoring Him. I came back about 3 hours later. I had started on the painting, on the portrait of Him.

And He asked me, *"Why are you afraid? Didn't I tell you I will do this through you?"*

"Clare, I am here, pay attention. One step at a time. My Love."

My mind was drifting and I was still trying to make sure that it was Him.

He began again, *"I know you are feeling overwhelmed. Remember, I told you things would get more difficult? This is one way that is less painful than sickness, but still challenging. If you will keep your focus on Me..."*

Oh, Jesus that's been so hard...

"I know, it isn't easy. Keep your focus on the last time we were together and you saw My face."

And in that moment, our new little rescue puppy came trotting in and started some funny antics on the floor. I bent over to pet him and play with him and when I sat back up the Lord said, *"He brings joy to Me also, Clare!"*

I would think that if You've seen one puppy, You've seen them all. After all, You created them!

"But I never get tired of their puppy antics. You have to understand. I am the Creator, but then they take on a personality all their own and My joy knows know bounds watching them discover the world, what they can and can't do, and seeing them loved. I love it when you love on him, truly it warms My heart."

"And it's the same way with creativity. When you approach a project such as a painting, there are things you have in mind, and as you begin to create, it takes on a life of its own. I am wanting to work through you, My Clare, to bring you to a point where the painting takes on its own life and you are alive with it and in it.

"You have been in this place before, with other paintings. This one will be no different. Please, do not look at this project as being so very difficult. The enemy will exploit that to stop you. Just as he does with other endeavors. Smoke screens, Clare. Smoke screens. Don't let him cow you. I truly am in this with you - how can you possibly fail?"

Oh, Jesus, I needed to feel more connected with You.

"Reach out for Me, reach. I am here for you. We have very similar tastes in this project. I love the soft colors but I want My eyes to really dominate this painting. The windows to My soul where My Bride can see how exquisitely she is loved. Yes, that look I gave you on our wedding day, before we ascended into your Heavenly dwelling. That look so full of love, expectation, innocence, purity. How I honored you. Yes, that's the look and we can do this."

Here, He's talking about my first experience in the book Chronicles of the Bride that Ezekiel and I did. And this was the very first experience when He took me to Heaven.

"Lord, what about this flat, bland feeling that happens where all of a sudden, I feel unplugged from what I was going to do?"

This is something that has plagued me for years. I'll have an inspiration to do something, and I'll want to move forward with it - but all of a sudden, it's not there. The inspiration is gone, the "oomph" is gone. I've really struggled with this for many years.

He answered me, *"These are energy fields that are set up by the enemy to stop the creative process. You have experienced these many, many times in your life and they have successfully stopped you because you had no one to pray for you. And, you didn't know what you were up against.*

"My children, when you try to proceed with a project that will bring glory to Me, prepare yourself for battles with the dark forces. They want nothing you attempt to do to come to completion. They will bog you down, rob you of incentive, cause alienation and hopelessness. But these are all smoke screens, energy fields put in place to stop you. You have authority over these. It is good if another prays for you, even the Holy Angels can assist you with this. They are masters of energy fields. But what I want you to know is that you are up against something that must yield to My name. Every knee will bow and every tongue confess. You have the authority. Take it. Take the authority over these dark forces and call them down. My Holy Angels are there to assist you."

Then He gave me this prayer: "In the Name above all Names, Jesus, I command this energy field to come down and not be replaced. I call upon the Holy Angels to protect this endeavor, to stand guard and stop all intruders, from all sources from interfering in any way."

By the way, I just want to make a note here. He calls Himself Jesus to me, Yeshuah to you, however you want to put it, it's His name. So, let's not get legalistic about the Name that He used here, because this is a name that I call Him from my heart. And by the way, I've seen the demons tremble when I use this name, so I know it works.

He continued, *"Continually check your motivation and clarity. When you feel your connection waning, that's opposition. Deal with it then and there, don't let it go any further. Yes, use My Blood for protection as well. Enlist the Holy Ones to cheer you on to the finish line. Does it not increase your resolve when others cheer you on? Just because the great cloud is not always visible, does not mean it is not there. Paul did not write that as a fanciful idea, rather he had heavenly visions and knew the Holy Ones were watching."*

And He quoted the Scripture "Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off every encumbrance and the sin that so easily entangles, and let us run with endurance the race set out for us. Let us fix our eyes on Jesus, the pioneer and perfecter of our faith, who for the joy set before Him endured the cross, scorning its shame, and sat down at the right hand of the throne of God." Hebrews 12:1-2

The Lord continued, *"Whenever you set out to do good, the enemy sets out to oppose you. There is not a moment you are not being watched and sized up, by those scheming to stop you. You are never alone, not only am I with you, but the enemy is continually finding ways to impede your forward motion. This takes great resolve on your part. You cannot be greatly resolved without Me ever before you. I am your standard to be raised against the enemy. Always and forever your vision never wavering, you will overcome the evil ones. Greater is He that is in you than He that is in the world. And there are times that I stand clearly before you to refresh your memory that I am truly here with you, always, non stop, 24-7, forever and forever."*

"Greater is My Love than the forces of apathy and fear. These forces are no match for our love. Your love for Me, Clare, will overcome all obstacles, but you must continually keep Me in your focus. When you feel like you are not tuned in, reach out for Me. You know I like this position to your right, sitting here beside the computer. Reach for Me, Beloved."

But how do I do that, Lord?

"You may catch a glimpse of Me in your periphery vision. You may close your eyes and see Me before you. Because when you close your eyes, I move to be directly in front of you looking into your eyes, only inches away. When you feel that sweetness, we are connected. Rest. Rest. Let Me stir your heart with My grace. Let us soak in one another's presence and bask in the deep, pure attraction we have for one another."

"Yes, you are attracted to Me, because My love draws you ever closer. You find rest here and I do as well. When things are especially difficult for Me, I love to just sit with you and let our eyes meet, let your awareness of My reality draw you into unspeakably sweet places."

I began to feel that distance and was reminded to pray against that screen, because it hits me with Jesus when we are talking sometimes or I am trying to get deeper in my awareness of His presence. I prayed against them and saw two demons, scrawny little devils, one on my right and one on my left. And between them, they were generating a screen to block out my awareness of

the Lord, make me tired and feel like giving up. Two warring angels came and grabbed them by the scruff of the neck and took them off.

Jesus continued, *"I allowed this as a lesson to you. This is exactly what you are dealing with, and when you prayed the warring angels removed them. That is exactly what they look like, unless others more stout are sent. No matter, they are no match for My Name or the angels."*

When I started to feel that distance, I used the prayer the Lord had given me.

"You see, when you put forth effort and begin to feel like you are slipping, getting tired, restless, bored... immediately you should suspect interference. These are NOT natural feelings. They are generated by demons operating under sloth and laziness to cause you to let go of your attention from Me or what I've given you to do."

But, Lord - what about the times when I feel sleepy? I thought these were ordained by You? Is this opposition, or You?

He answered, *"A very good question and here discernment is needed. When I am allowing this to rejuvenate you on deeper levels, I will invite you to lay down and enter into My rest. For the most part, when we are together in worship and communion, I do not allow interference. But when you are prevented from connecting with Me, then you may suspect opposition. This is the time to pray and bind until we are once more together in sweet fellowship."*

Lord, do they work by electronic means through the brain to prevent us?

"Not normally. Mostly they are external and come between you and the object of your concentration. You see, even in writing they can insert themselves between us. Most of the time I take care of them. I also station angels around the room to protect our time together."

But they are scared of You... why would You have angels to protect us? I know they are real, I have seen these angels.

"Oh Clare, you have much to learn about the ways of these spirits. They never give up, Child. They are like opportunists...jackals on the prowl. Whatever they can accomplish before they are found out, they will do. They will try to trick you into seeing them instead of Me. Or trick you into hearing them instead of Me. I never allow that unless it is for a specific lesson. And you know from experience it is always pride and arrogance in serious situations that I correct you in this way, allowing them to replace Me, either in vision or speech."

I was scanning the room spiritually for these disgusting creatures.

"See? Now you are onto them. They won't trouble you now. They will wait for a more opportune time, when you are not aware. This is why you must be vigilant Clare."

"Now, My dear Brides, everything I have told her applies to you, as well. Many of you have gifts that have been opposed and discouraged. When you have a gift, you will have to learn not only to hone the gift, but to fight for it. Like Nehemiah, I will require you to work with your creative tools in one hand and your swords in the other."

"There is never a time when things just sail along, unless I have intervened and given you a respite. Am I worth it, My precious Brides? Is it worth it to you to fight for your gifts to reveal Me to the world. I am building you up in resistance to the enemy. I am energizing you with My Grace. I do not leave you on your own in these battles. And the greater the anointing, the greater the fight for you to use it.

"What you accuse yourself of - being lazy - is more often giving in to opposition. Which yes, is laziness. But you do not always recognize that you are being blocked. With this new knowledge, I expect you to overcome the things that in the past have hindered you.

"I love you deeply, My Precious Brides, and your beauty is without limit. Go forth and sow this fragrance through the gifts I have given you. And just as Nehemiah did, wield the sword and build simultaneously."

Your Lowliness, Your Lives Thru My Eyes

May 31, 2016

The Lord is with us, dear Heartdwellers and He is well pleased with our efforts to be faithful to Him.

First of all, I want to take a moment and thank you for donating to our ministry. So many of you have been very kind and made it possible for us to devote ourselves entirely to the channel and prayer, as well as the books Carol and I have been working on. May the Lord bless you a hundredfold for your kindness to us.

Today during of praise and worship, I caught several glimpses of us - the Lord and I - and I was wearing a bridal gown. I felt it was time to get the message and came and sat aside by my computer.

"I am here, Lord. Thank you for preserving us and getting us through these last few days, or should I say week. It's been hard, but You have brought us through. Please Lord, fill us to overflowing with Your Love and Wisdom."

"I am here, Clare. That time dancing with you was so Sweet. I miss those times together. Would you please give Me more time?"

You mean dancing, like right now?

He answered me, "Yes, that would be good."

So, I returned to worship and again could see myself in my wedding gown and he was in a black tuxedo, as He gracefully swept me along the polished ballroom floor. He was so regal and sure of Himself as He directed my steps, I just had to marvel. We were listening to Terry MacAlmon's song, "How Long", which is all about the Rapture. The question we ask ourselves every day: How long?? It's a beautiful song, in any case.

"Oh, Jesus, how sweet it is to be close to You, on Your heart and Mind. How very blessed I am."

"I've been waiting a long time for you to say that, Clare. You are indeed blessed and I know you take that seriously...but can we have a little more fun and dance more?"

I answered Him, "Of Course! I will remember this in our next prayer time together.

"Lord, please speak to me..."

He began, *"I am so pleased with you, Clare. You have followed My directives, you have anticipated My needs and done what was yours to do. There is so little time left and I know you don't for one moment believe this. What looks on the surface to be peaceful are deceptive. What is brewing behind the scenes is larger and more foundational than you can even imagine. Overnight this world will be changed. But in the meantime, as we continue in this window of grace, I am calling upon all My Brides to do the little things with Love. Many of you are disappointed with your lives, what you have done and what you haven't done.*

"You compare yourselves with famous people and those around you who have accomplishments and worldly success, then you come back in private and denounce yourselves and see yourselves as failures. You do not see what I see. You do not see the works done out of personal interest, not love.

"One little deed done in love for your brother surpasses thousands of deeds done for personal gain. Do you understand? Soon all these works done for the wrong motives, 99 percent of what the media endorses and makes a great issue out of, are totally worthless and will be burned in the fires when all things are weighed in My scales. When the very substance of things is examined: the motives, the results, all that is highly praised now in the world - will turn into a vapor.

"Yet what is done in love will shine eternally. Do not waste your time on big things that get attention and praise. Your little things done in love are what the true meaning of this life is made up of. Too many of you now are despairing about your wasted lives. Yet major time was spent hidden, in prayer, serving in ways the world considers subservient and unimportant.

"Yet these are the marks of My kings and queens in My Kingdom. These are the qualities that will qualify you to rein in the Millennial Kingdom. You have made a choice to do the right things for many years and that has earned you a place of anonymity, which is the safest place to be on this Earth.

"All that is done with a pure motive will stand. All that is done in vainglory will fall - it's just that simple."

And just to be sure, I looked up Vainglory: inordinate pride in oneself or one's achievements; excessive vanity.

He continued, *"Most of the world is motivated by this need to exalt oneself. But when I came to this Earth, I went out of My way to debase Myself. I washed the feet of My disciples. Those who were looking for a king to rule over them... missed it. Those who were looking for the true*

substance of the faith, recognized Me immediately. They were weary with the posturing of important persons and hungered to be set free from their sins. To have peace, to be right with God. They sought a kingdom not of this world and that is why they recognized Me.

"Now we are coming down to the shortness of time and I promise you the enemy will try to get you involved over your head in worldly undertakings. He will steal your lofty position of servanthood and hiddenness and lure you into worldly things that will gain you recognition. Don't trade the mansion for the guesthouse. Do not leave this lowly and despised position for something of more recognition.

"Many are seeking ways to please Me. Have I not told you to love your brother as you love Me, and to do this continually? But the enemy would have you walk away and leave your brother in need while you pursue something that seems more important, and bigger. As the clock is ticking away, and the world is hanging by a thread, the most productive thing you can do is to love your neighbor as yourself, from moment to moment.

"Do the little things with great love and be very leery of being drawn off into a high profile endeavor that will cause you to be overextended, exhausted, too busy for prayer, and irritated with interruptions that could be little opportunities to show My love to your brother.

"Hold fast to what I have given you, My Beautiful Brides. Every day is finding your gown cleaner and cleaner. Truly, you have done your best to be faithful to Me and I am well pleased with the set of your heart.

"Remember in that hour, I am right there by your side. And you will have nothing to fear."
