### President's Report "My Turn" By Ward Sevila

Last month at the March meeting I was presented with a check from the club to cover some of the costs of attending the annual AACA meeting in Philadelphia. I want you all to know how greatly I appreciate the gesture and even more so that the board has voted to continue the stipend to cover future president's travel costs for the purpose of attending the AACA meeting. This will go along way towards ensuring we have representation at this very important and prestigious event.

Now, I hate to keep talking about the weather in my space here, but it just seems like it has taken forever to warm up. This week Cathie and I are enjoying our two youngest grandkids, Faith 5 and Blake 2, for Spring break and we just got back from a full day of fun in the sun at Busch Gardens. It was great to finally see some truly warm weather with bright sunny skies. And at this time it looks like there are some more 60 and 70 degree days coming our way. Just in time too as we have some great events coming up in April to enjoy our cars and visit with our friends. We have a couple of charity events and hopefully you saw the article in the local newspapers regarding the first one, a cruise-in April 18<sup>th</sup> at the Food Barn in Burgess to help raise funds for the Surrey girls. And then there's the Farm and Field Day April 25<sup>th</sup> at the Northumberland High School to help raise funds for the students. Last count I understand there were at least 38 vendors scheduled to be there. A few days ago I sent out an email with a quick note and flyer from Pat Given announcing a bus trip on April 28<sup>th</sup> to the National D-Day Memorial in Bedford, Virginia; the Museum of the Confederacy in Appomattox, Virginia; and the Appomattox National Historical Park. If you have never seen any of these sites I think you would really enjoy this trip so please consider joining Pat on a fun and educational trip. Also coming up quickly April 30<sup>th</sup> thru May 2<sup>nd</sup> is the 2015 Eastern Division Spring Meet at Virginia Beach hosted by the Tidewater Region. I know there are several members who have registered their cars for the show on Saturday but I hope more of you will be taking advantage of the many activities that will be taking place over the course of this event. Finally, Wayne mentioned the 26th annual Orphan Car Tour, "The Howard County Haycation", June 6 at the Howard County Fairgrounds, W. Friendship, MD. I'll put more info about this on our website [www.nnkregionaaca.org](http://www.nnkregionaaca.org). Please see the flyers contained in this newsletter.

I'm pleased to report that we had a great turnout last month for the Westmoreland Players *Life With Father*. Members attending were Jane Dawson and friend, Peyton & Mae Lynne Guest, Dave & Cindy Franklin, Gordon & Pat Given, Al Kicinski and friend Anna, Terry & Esther Minter, Bob & Gloria Sydnor, Ted & Caitlin Thomas, and Ward & Cathie Sevila along with guests. Brent & Sherry Gatton were scheduled to go but didn't make it. Big thanks to Mae Lynne Guest for making all the arrangements again and to Sherry

Gatton for making the reservations for the after-the-show dinner at Lowery's in Tappahannock. And last but not least thanks to all of you who attended and for making this a special club event with your company.

At last month's meeting I shared information about Earl Beauchamp having bladder cancer and his successful operation earlier in the day. I can add that Earl continues to do well with only frequent checkups in the future to ensure that the cancer does not return. While I don't have any details, Jack Dawson was not feeling well and was unable to join us at the show. Gene Brooks is doing better now, still trying to regain his strength from hip replacement. And former members, Paul and Joann Courtney also need our prayers. Joann had back surgery last fall and is still in recovery and possibly facing more surgery. Paul's mother is in her last days suffering from cancer. We wish them all well; please keep them in your thoughts and prayers.

Now for some good news about some members – did you see the article in the *Spring Car Guide* of the (I believe) *King George Journal* on "Heavy Foot" Harry and Mary Jean Inscoe? Sherry passed it around in an email this past week for those of you with email. I'll bring a print of it to the next meeting for everyone to see. Great article, I really enjoyed it! Congrats Harry and Mary Jean.

Our car show is coming up May 30<sup>th</sup> and Brent is looking for volunteers to help with the show. There are also some supporting events - Bella's car show in Tappahannock April (don't have the date) and the Mechanicsville VFW Car Show May 2<sup>nd</sup> where we will be selling raffle tickets. Please see Brent & Sherry Gatton to get some tickets to either sell or buy some for yourself. This goes along way towards the success of our car show.

Reminder, we will be voting on the final version of the club By-Laws that were distributed to you this past month. Be sure to consult the club website [www.nnkregionaaca.org](http://www.nnkregionaaca.org) often for updates of upcoming events. Hope to see you at the general meeting this month.

## **Meeting Minutes** **By: Sherry Gatton**

March 12, 2015 General Meeting  
Minutes by: Sherry Gatton

-Ward Sevila displayed the trophy that was awarded to our region for the 2014 Regional tour. It was awarded in Philadelphia at the National Region meet. Wayne Burgess stated that this is the 1st National award that our region has ever won.

### **Member News**

-Terry Minter has been under the weather but is here tonight. Bob & Gloria Sydnor and Wayne Burgess, have all had the flu and are all better and with us tonight. Cindy of the Montross Inn is in the hospital after having had a brain aneurysm. She is in a medically induced coma. Keep her in your prayers. Earl Beauchamp has bladder cancer and has had surgery and has come through the procedure with flying colors. Now it will just be routine check-ups.

-Caitlin Thomas' newsletter has gotten another compliment from another club. We will have to get her registered in the national competition.

-Birthdays were recognized for those in attendance – Dave & Cindy Franklin, Brent Gatton, and Terry Minter.

-Minutes were approved with the note from Dwayne Schnakenberg that the minutes erroneously had his name as possibly attending the ODMA meeting.

-Treasurer's report was read and approved.

-Bob Sydnor presented a board approved card and check for \$300 for partial reimbursement to Ward for his expenses to go to the National meeting. This same stipend was approved forward to future presidents of the club. Ward suggested that maybe the leadership seminars could be paid for in the future to new board members. Wayne said that a new person at national, will be organizing seminars, so there is a lot of changes coming. Wayne mentioned a guy in Philly who teaches facebook, etc. Ward said he is not a big fan of it, but maybe we should look into it to attract younger possible new members. If anyone is interested in putting a facebook page together let Ward or Wayne know.

### **Old Business**

-Dave & Cindy talked about T & J's Dairy Barn event coming up April 18, 10-3, \$5 donation welcomed. A trophy will be awarded. Ward said he will send the flyer to the club and to the Colonial Beach club. Jill of T & J's is trying to advertise the event on the radio. Ward asked Dave to write something for the newspapers and he would submit it. Dave said that he has researched handicapped vans at many different places and Richmond Mobility may have a van that is \$20,000 cheaper – making the goal that much easier to reach.

-Brent Gatton spoke about our club's car show coming up May 30th. He passed out the sign-up sheet for volunteers for help to pull off the car show. He said the raffle sales have stagnated since the Asphalt Angels car show sales. The next raffle sales event will be the Mechanicsville VFW May 2nd

and Bella's car show. But, he still encourages members to take tickets to sell on their own please. Bob said he and Peyton are working on Bella's in getting ready for their show. Brent requested the check to pay Creative Visions for the trophies that have been ordered. A discussion transpired regarding having spare trophies on hand for certain situations that may crop up during the show. It was voted on to have the club pay for 5 spare trophies to have on hand. Brent asked advice on how to classify big rigs (should we get any). And it was decided that the big rig would be a great example of using one of the spare trophies previously mentioned. Ward asked if a different pewter car design could be used for muscle cars this year – e.g., for the Corvettes and Mustangs, Camaros, etc. Sherry said that there are different ones available if they have not been discontinued and she would look into it. Brent made a strong request that ALL workers for the car show, be on the grounds by 6:30 a.m. Last year a lot of workers didn't show up until 7:30 and we already had a line of cars waiting to register and get parked. Brent asked if the Junior class should be done away with. Ward said that maybe one of the extra trophies could be on hand for this – should we need it. Sherry Gatton mentioned the Nascar simulator deal where if we got 1 or 2 sponsors for the car to be displayed at the sponsor's place of business, then we would get the proceeds for the simulator, the day of our show. Bob mentioned Chandler and Wayne said he would ask them. Ward said that we should talk about the size of the ads in the car show program. Bob suggested giving a book of raffle tickets to sponsors. Brent said that he would be holding a class for judges, a week before the show at his shop in Montross. Sherry asked if we could announce Colonial Beach club's show dates since they return the favor to our club. Ester Minter wondered why waterboy was not listed on the job list so she could sign Terry up for that position. Brent said he would put it on there.

-Ward announced that the By-laws were completed by the committee and the board. The final version will be mailed out to the general membership. Ward said, if anyone has any comments about the by-laws, to let Dwayne know. Dwayne wants to see them passed and then we can enjoy the club. Brent had a question regarding the procedures of the committee and board as an observer that the same points were voted on back and forth. He saw things passed and then changed. He wanted to know at what point is something final? Ward said he didn't understand what Brent was talking about. Brent said this has happened before on other issues. Bob said it shouldn't happen in the future and that too many people were in the committee and that the committee should have only been 3 people. Ward said that only versions of the by-laws were voted on and not the final version as a whole voted on until tonight. Charlene Schnakenberg asked how the "At Large" person was elected and when was that position voted on? Ward said "when a new member with little understanding of the workings of the club expresses a desire to be on the board, they can be an "At Large" board member without voting power until they gain insight and experience to qualify for a full board position." Charlene asked how the "At Large" position was voted on?

Ward said it was voted on at the annual dinner meeting.  
 -Westmoreland play will be this Sunday and we should meet at 2:30. Sherry had a list of possible restaurants to eat at after the play. Mae Lynne said she had gotten the play tickets, but someone else should make reservations at the restaurant. It was voted to eat at Lowerys afterwards and Sherry volunteered to make the reservations.  
 -Ward went over the proposed event list for the year. He mentioned April 25th for the Northumberland High School Farm and Field Day event 8:30-3. And, the Montross farmers market is the first Saturday each month. Sherry mentioned the Leonardtown, Maryland show is April 26th. She said that some of that club comes to Virginia and have attended OUR show 3 years in a row now. Wayne mentioned a 1-day tour, "Orphan Tour" is June 6th. Wayne also said that the National activity file Pigeon Forge is already full.  
 -Ward mentioned he had been contacted by a Debbie Moore from Gloucester who is getting married, May 25th, Memorial Day and wants someone to drive her a ¼ mile in an antique car to the wedding and Ward asked if there are any volunteers. There were none.  
 -April 30th is the Tidewater Eastern Divisional Spring Meet.  
 -Meeting adjourned

Ward won the 50/50

Q: What was the first official White House car?

A: A 1909 White Steamer, ordered by President Taft

# King George couple has a life-long love affair with cars

## GEORGE WHITEHURST

Harry and Mary Jean Inscoe have lived America's love affair with the automobile.

Their story conjures memories of roaring V-8 engines, polished chrome and the tailfins that once graced America's automobiles.

For more than five decades, the King George couple have collected, restored and even raced Chevy automobiles.

Harry Inscoe developed a fascination for cars early in life.

"I've just loved old cars since I was a kid," he said. "I was working on 'em at 15."

At age 16, he bought his first car, a 1938 Chevrolet. Three years and two trade-ups later, he purchased a new ride - a 1956 Chevy.

He also developed an enthusiasm for drag racing, which took him to tracks in Colonial Beach, Manassas, Summer Duck, Md. and beyond.

For Inscoe, nothing quite equals the feeling of jamming the pedal to the metal at a drag strip. "I loved speed, and still love it," he said with a grin.

As he immersed himself in the racing culture, Inscoe found a new passion while hitchhiking home from a shift at the old FMC plant. Mary Jean spotted the hitchhiker on Route 3 and, on impulse, gave him a lift. While many might hesitate to pick up a stranger, Mary Jean never worried about her safety.

"I was well chaperoned. I had my mother, father and brother with me," she recalled.

The drive back to King George was uneventful but began the ride of a lifetime

for the two young people. "I put him out at his house and thought that was it," Mary Jean said. "I had no idea that I'd be with him for 55 years."

The couple wed in May 1960. Two children and a dozen or more cars later, Harry and Mary Jean are

*"I put him out at his house and thought that was it. I had no idea that I'd be with him for 55 years."*

—Mary Jean Inscoe

still very much in love and still enthusiastic car buffs.

A large garage behind their home, houses a collection of vehicles in various stages of restoration, including a '55 Chevy, a '57 Chevy and the 1964 Chevy Impala in which they brought their first child home from the hospital.

Though she shares her husband's love of cars, Mary Jean decided after one trip down the drag strip that she wasn't cut out for a racing career.

"I did race his car one time at Summer Duck," she recalled with a laugh. "They were having what they called a Powder Puff race. He told me what to do, but he didn't tell me how fast I was going to be going when I shifted into fourth. When I looked down at the speedometer and said I was going 100, I put my foot on the brake. He said, 'Why'd you do that?' I said, 'You didn't tell me how fast I would be going!'"

Harry, on the other hand, never lost a taste for speed,

George Whitehurst

**Top:** Harry and Mary Jean Inscoe posed proudly with their 1964 Chevy Impala, one of many vintage cars they have collected during their nearly 55-year marriage.

**Above:** The Inscoes' 1964 Chevy Impala is a reminder of the days when chrome ruled America's highways and byways.

even after a late-1960s wreck at the Colonial Beach track that left him with a broken foot.

"I thought lightning

had hit the car," he said, recounting the crackup that sent his car spinning into a guardrail. "All I could see was fire. I couldn't do

anything but ride."

For the Inscoes, that ride had been one of a lifetime they wouldn't trade for anything.

**Cruise-in Fundraiser for Surrey Girls Charity**

TJ's Dairy Barn in Burgess has agreed to host a cruise-in on April 18 to help raise funds that will go toward the purchase of a specially equipped handicap van for the Surrey family. Although plans have not been finalized, a trophy will be awarded for TJ's favorite and presented by the White's, owners of the Dairy Barn. The pedal car and popcorn machine will be there and club members will be selling raffle tickets. A portion of the Dairy Barn's proceeds will be donated to the charity.

We hope you will put this on your calendar and plan to attend, both to support this important cause and to support a local business. Look for more details in the coming

**8:30 A.M. TO 3:00 P.M.**

The Farm & Field Day will be at Northumberland High School on April 25<sup>th</sup>. The event begins at 8:30 AM and ends at 3 PM. This event marks the annual opening of the PAES greenhouse and has evolved into a larger fundraising event that will help support not only the Northumberland High School PAES Greenhouse program, but also the NHS yearbook and the NHS literary magazine (both student publications).

The Farm & Field Day is designed to be a community event and is open to the public. No admission is charged for people wanting to come visit the displays, purchase plants, gifts, crafts, or other items which will be on sale that day.

There will be multiple educational and agricultural displays outside and inside, as well as a kids' fun run in the morning which will begin at the elementary school. The high school grounds and the gym will be full of a variety of vendors.

Last year we had pony cart rides, animals for adoption, ducks, rabbits and chicks for sale, and tractors, combines, and rescue vehicles for the kids to explore.

**"Howard County  
 Haycation"**

**Saturday, June 6, 2015**

Spend a delightful day in your Orphan Car exploring the rural back roads of Howard County MD. Your tour begins (and ends) at the Howard County Fairgrounds. Travel at your own pace, follow printed directions. Also there will be a "query" on items observed along the way and at the points of interest.

You will visit Gene Sauters collection of true American and Foreign Classic Cars. Later you will visit the Benjamin Banneker Historical Park & Museum ( The 142-acre site is dedicated to telling an inspiring story.) Your "Haycation" includes a visit to the Howard County Farm Museum, a vintage auto restoration shop, an Alpaca farm and an ice Cream stop! There is a separate charge for ice cream

All prices are quoted per person. There will be prizes awarded for correct answers to the query and for the longest distance driven to the tour. During the Dinner Program there will be a Slide Show featuring pictures of cars and stops on the tour.

Door prizes will be drawn using the dinner tickets.

The Orphan Car Tour is sponsored by:  
 Mid-Atlantic Packards, Inc. (part of  
 The Packard Club), The Chesapeake Bay  
 Chapter of the Hudson-Hamner  
 Navigation Club, The Potomac Chapter  
 of the Steamship Historical Club, The

#### New Hagerty Usage and Mileage Program

Vehicles insured in our program must be used on a limited basis consistent with the operation of something valuable, such as club functions, exhibitions, organized meets, tours and limited pleasure driving. Hagerty has no strict mileage limitation for collector vehicles used in this manner. We want customers to feel comfortable driving their collector cars on a limited basis without watching the odometer. Limited use does

NOT mean that vehicles will be used for normal or backup daily transportation, such as driving to and from work, or school, or for daily errands. We will not insure vehicles used for high-speed racing, or high-speed rallying, or for the commercial transportation of goods and passengers (such as rentals, commercial hauling, etc.).
