DESCRIPTION: This is a really nice Bear Kodiak Special target bow that shoots like a dream. Great looking and performing recurve. Brazilian and Golden Rosewood riser. Comfortable grip. Comes with a 4 pin Bear Premier Sight and brush rest (which generally sells around \$200 by itself when you can find one). Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No crazing or stress cracks; The upper face limb had some scratches and discoloration, and was refinished—see last pic (up close you can tell, but from 2 feet away it looks exactly the same as the other limbs). A few minor scratches and nicks here and there. Decal is in excellent condition. Overall, this is a really nice bow in excellent condition. This bow retailed for \$100.00 in 1966, which translates to \$861 in 2022 inflation adjusted dollars. By comparison, the 1966 Bear Kodiak Magnum was priced at \$64, 35% less than this Kodiak Special.

Comes with a new string.

Limbs are a uniform color, the discoloration you see is from camera glare.
