

Your privacy is important to us

This privacy policy discloses the privacy practices for Megalegends.com. This privacy policy applies to information collected by this web site.

It will notify you of the following:

- What personal information is collected from you through the web site, how it is used and who it is shared with:
 - The security procedures in place to protect the misuse of your information.
 - What choices are available to you regarding the use of your data
 - How you can correct any inaccurate information.

Collecting, using and sharing information

We are the sole owners of the information collected on this site. We only have access to collect information that you voluntarily give us through email or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to communicate with you, regarding the reason you contacted us. Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

If we partner with a third party to provide specific services, you will be notified of such third party. We will share names, or other contact information that is necessary for the third party to provide said services.

These parties are not allowed to use personal information except for the purpose of providing these services.

Your Access and Control over your Information

You may opt out of any future contact from us at any time. You can do the following at any time by contacting us through the email address or phone number given on our website:

- Express any concern you have about our use of your data.
 - See what data we have about you, if any.

- Change or correct any data we have about you.
- Have us delete any data we have about you.

Security

We take precaution to protect your information. When you submit sensitive information through the website, your information is protected both online and offline. However we collect sensitive personal information, that information is transmitted to us in a secure way.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personal information. The computers/servers in which we store personal information are kept in a secure environment.

Updates

Our Privacy Policy may change from time to time and all updates will be posted on this page. If you feel that we are not abiding by this privacy policy, you should contact us immediately through email at:
