

FRIENDS OF CAMANCHE PUBLIC LIBRARY

MEMBERSHIP FORM

Meetings:

A planning meeting, open to all members or those interested, is held bimonthly. See the library calendar for date and time. The meeting is also posted as an event on Camanche Public Library Facebook page.

Mission:

Membership in the Friends of Camanche Public Library is open to any person or organization interested in our mission. Your membership dues help the Friends achieve many goals.

The modest yearly dues from our membership help support the library. Contributions fund the programs of the library for adults, children and teens including summer reading programs.

The time you give is as important as monetary donations. Friends are indispensable to the operation of the book sales, and volunteers lend a hand at library events.

Members have the satisfaction of knowing that they have helped make possible the programs that make the Camanche Public Library a tremendous asset to the community.
