The Daytona Flea Market opened to the public in the spring of 1981. Long before superstores and the internet came to be, the market was a veritable hub of products from around the country and around the world. Take a look at our beginnings!

MARKET FEATURES:

The Daytona Flea Market is one of Florida's largest flea markets. The Market spreads over **forty big acres** and houses hundreds of vendors selling thousands of different items. It is the area's **largest tourist attraction** and has bargains galore - a wonderful place to do your **souvenir shopping** and buy fresh citrus to take home with you.

"Rain or Shine," we have you covered, so come out and browse under our **cool covered bargain areas** with paved floors for easy walking. When you visit, be sure to try our "World Famous Funnel Cakes" and other tasty treats provided throughout the Market.

Handicapped parking and clean restroom facilities are also provided.

Have fun on the **World's Most Famous Beach** - Now visit Florida's Best Flea Market for more fun.

Goblins Cave

Repel into the Corner Shops Mall to go spelunking with

Ted Richards, proprietor at the Goblins Cave. Ted recently retired after 26 years at the Volusia County Sheriff's office. Throughout most of those years Ted took outside detail as the flea market's officer on duty, so he became quite familiar with the staff and vendors. When it came time to turn his passion into a business, he knew right where to go. Ted enjoys the process of hunting down treasures to bring to his customers and enjoys watching their reactions and excitement when they find items that they've long been looking for. There's always something new and exciting to see at the Goblins Cave.

You'll find a huge selection of graded comics from Marvel, DC and independent titles, a large inventory of Warhammer including the black library books. Other treasures

include Matchbox, Hot Wheels, all kinds of plastic model kits and the supplies to build them plus vinyl records, cassette tapes, 8-tracks, CDs, 45's, vintage post cards, music memorabilia, vintage toys and much more.

When Ted is not tending to his store he and wife Crystal enjoy travelling, especially to comic conventions and cosplay events. Business partner Frank takes care of all your vinyl and music needs. You can get in touch with the Goblins Cave at

386-527-0130 or goblin-cavedb@yahoo.com or by stopping by the Corner Shops Mall Friday through Sunday. A warm welcome awaits you at the Goblins Cave! See their ad on page 6 of this edition of the Flea Press.
