

Public Notice

The City of Cisco will charge for all water meters that must be replaced due to damage by the customer. If you damage your water meter, you will be charged the actual amount for replacement of the entire meter or any component parts on your next water bill. Failure to pay for the water meter replacement could result in termination of your utility service. Continued damage to your water meter or its component parts can constitute water meter tampering which is a Class C misdemeanor, punishable by a fine not to exceed \$200.00. **If you need help locating your water meter to avoid damage, please contact City Hall at 254-442-2111** and the Utility Billing Department can issue a work order for a water meter locate. If you have any questions, please feel free to contact the City Manager at 254-442-2111.
