## July 2012 President's Message

Well, for those of us who tried to attend last month's meeting, it was cancelled because there was a power outage along Santa Anita Avenue. Efforts were made by Denise to locate an emergency meeting place but the logistics were too much. Luckily, our speaker had problems getting to the meeting.

The T Shirts are in and will be handed out at this month's meeting. July is also SWAP MEET Month. If you have items to trade, sell swap or are looking for the bargain, please bring it to next month's meeting. Bring in that old reel, rod or equipment you are not using and turn it into cash!

June was a great fishing month. After the Kids trip, I and Denise went to Emeryville in San Francisco to try and get some salmon. It was over the father's day weekend and the seas were a roller coaster. We have turned back from trips in Ventura in calmer seas. Father's day saw a rock fish trip instead of the anticipated salmon trip. After doing a balancing act on the boat we landed a good number of rockfish. Monday we went salmon fishing. The sea was still a little turbulent. Several salmon were caught but I got skunked. We drove from San Francisco to San Diego By to do some bone fishing. We rode all over the bay. I got several spotted bass and one lizard fish but did not get my bone fish. It was great fun and we plan to go back in September and try again.

Finally we found ourselves back on the Pacific Dawn. This trip they had plenty of squid. The seas were churning but I slept like a baby. The white Seabass bite was off so we went rock fishing. I used my "Magic Mikey" lure. Hooked into several aquarium ling cods and was at my limit of rock fish in no time. The week was a great fishing adventure. I lost a magic mikey to the bottom and to a fellow angler after he was curious what I was using.

The kids trip had about 57 kids. After trying for sculpin and barracuda we settled for sand dabs. The kids were bringing them up so fast, it was hard to keep the hooks baited. We had the usual snags but it was a great trip. The kids all went home with fish and the clubs donation was well spent.

Hopefully next year includes a return to Alaska but before then we have several trips planned. Good fishing to all.

### SECRETARIES REPORT

From the Secretaries Office of Denise Davis  
[secretary@turnersrodandreelclub.com](mailto:secretary@turnersrodandreelclub.com)

#### From Ron Coleman

I have a few openings on my two charter trips this summer. First trip is on the Pacific Dawn fishing July 11 and 12. We have the best of both worlds on this trip. First, we will be fishing out of Ventura and hitting all of the islands. At that time of the year we will have many opportunities for different species. If, by chance, the tuna arrive in good numbers, this trip will be moved to San Diego for tuna fishing. Obviously there will be an increase in price for the additional fuel. This trip, including food, costs \$405.

The second trip will be on the Pegasus out of San Diego on August 16 and 17. The cost of this trip is \$540 and that covers meals and Mexican permits. The new thing about Mexican visas is still an unknown at this time; that unknown cost is not included.

If you would like to sign up for one or both trips, or if you have any questions, please call me at 626-355-9216.

The White Sea bass were on the chew and that's what we wanted. Gary Gillingham found out Thursday morning that he had to work Friday so he sent the money he owed with Glenn Bummer. Now we had 10 anglers for tomorrow's trip.

After work I drove up to Glenn's house and we rode up together. When we arrived Warren Harper was the only one there. Nice now we have choice of the good bunks. We loaded the ice chest onboard the boat and filled it with ice. Then it was off to get something for dinner and something for the next day's lunch.

A little while later Chuck showed up then Ernie. He informed

**Pacific Dawn Trip**

We left the dock somewhere between 9:00 and 10:00 Sunday night and headed for Eagles Nest at Santa Rosa Island in hopes of a White Sea Bass flurry. After arriving early Monday morning, we found the weather to be cold and windy, but by 6:00, the wind stopped blowing and the water got calm. We spent the next few hours waiting for croakers to hit. Ron Coleman was the first to get a bite and brought aboard a nice one, Paul Dawson soon pitched in his two cents and added two more Sea Bass to the catch. It was a special knot he was using to enable him the two fish that he is keeping secret. That was all for the morning bite, so Captain Pat took us out for an outstanding display of Rock Fish angling. Everyone loaded up with limits of Chucks,

us that he had just got off the Pacific Dawn and had caught a Halibut. He also said there a couple other Halibut and a few Sea bass caught. Things were looking good for tomorrow. Little by little people started showing up. Finally there were nine of us only one missing was Will Ebersman. Looking around before we all went below to get some shut eye we noticed the Red Flag was flying, not a good sign. Now we were wondering if we would go at all.

Right on time the next morning Steve and Johnny showed up started the engine and off we went. Oh I forgot to tell you we already had a tank of squid so no need to go to the receiver. It was a little bumpy going out but not bad.

Waking up in the morning we found ourselves on the back side of Anacapa Isl. Looking around I did a head count and still no Will. How about that guy wins the trip and doesn't call anybody and doesn't show up. But that's ok we all thank you because now we have more room for the 9 of us that did show up for the trip.

Steve told us to set up with a dropper loop and a squid and drop it to the bottom. It did not take long and Don was hooked up to what turned out to be the Jack Pot other fish. Then Glenn landed a 20 lb YT and Warren landed a 21.9 lb White Sea bass. We hung around for a little while longer and caught a few Barracuda, Dennis 5.8lb and me 6.9lb. We also hooked a few Mud Marlin. So off we went to Santa Cruz and some Calico fishing.

We made a few stops and the currant wasn't right. We caught a few everywhere we went. But nothing near wide open. Finally on the last stop Warren landed a 3.3 lb Calico looked like Jack Pot but then I hooked up and landed a 3.7 lb for the Calico and Hat Jack pot.

All in all it was a nice day and the 9 anglers Ernie, Dennis, Glenn, Chuck, Warren, Mike, Laney, Don and the X Charter Master Rich Jenkins had an enjoyable day with friends. See you all on the water and may all your fishing trip be good.
