Super's Report

Phil Hottmann
Division Superintendent

As this season comes to a close, we are starting to look forward to the next. It looks like we'll be able to rent the Verona Senior Center again. I know it's a little further to drive for most, but I think the layout works well. I have not heard any complaints about the facility. I know I'm looking forward to more summer activities.

We have the Summer Picnic coming up on July 16th. My brother Wendell lives 0.7 miles south of I94 on highway 73. He is an avid model airplane builder and has built about 80 radio controlled planes. He is going to have an open house to tour his planes and his small car collection. He is also planning to have some flight demonstrations. He has done a little N gauge modeling and has a shadow box with some of his equipment. Maybe we can convince him to build a layout. He will be open from 10:30 to 12:00 right before the picnic and is located at 4510 Highway 73 in Deerfield.

It was nice to have a Spring Banquet once again. The folks at the American Legion did a wonderful job setting up and providing the food. They stated their hall rental fees will be increasing next year. All in all this was very economical and convenient. I would like to consider returning to this location for next season. I would appreciate any comments you might have.

Several awards were presented at the banquet: for 2021 we presented the Bob Davis Award for Volunteerism to Kathy Clancy for her many years of publishing the Bad Order. For 2022 we are also presenting the Bob Davis award for Volunteerism to Peter Wigglesworth for Parking Lot Coordinator for our Madison Model Railroad Show and Sale. This cannot be much fun out there in all sorts of February weather. We also

presented the Don Herling "Madison Mac" award to Rusty Dramm. His Herman Lohe's Meat Market received 121 points in a merit award judging. He stated that he spent around 400 hours building this model.

I hope you all enjoy the summer and look forward to seeing you at the picnic.

Clinic Column

by Ken Hojnacki

We had two great clinics to finish out this season. Many thanks to our old friend Dave Nelson, the Frugal Modeler, for a new version of his all-encompassing clinic on trackwork. We never know enough about the track our trains run on so this was a good refresher.

And how about Welch the Wizard? It was inspiring seeing Jon Welch's techniques up close and personal. Stone bridges made easy, pine trees with needles, Yipes-Stripes for our roads. Jon is always full of innovative techniques that make his railroad a treat to see. Jon said he enjoyed the experience (especially the lack of flying tomatoes) and hopefully will be willing to do another clinic in the future.

Also kudos to Rusty Dramm who introduced us to his latest structure project (See AP Corner).

Some interesting programs are already lined up for this fall including a special guest presenter for our September kick-off meeting. And if you have a topic you would like to present at our meetings, please let me know. You have several months to plan and I can help put things in a PowerPoint if you need help. I think everyone enjoys the What Have I Been Doing segments so I encourage you to let us know what you will have done over the summer months. Nothing fancy, some pix or even live models (the scale kind, not.....) about 10-15 minutes.

And again, a big thank you to everyone who presented clinics or WHIBD this season as I dove into my first stint as Clinic Chair. And thanks also to Bob McGeever and Dave Dingman for their expertise in ensuring our programs came in and out over Zoom. From what I have heard and observed from other groups, ours have been relatively gremlin-free.

As the song by the Happenings says, "See you in September."

Contest Column

Dave Down, Chair

Our last popular vote contests for 2021/2022 were held at the May meeting. We had some really good model entries (but no photos). In addition to the regular contest entries, our friends from Rockford brought some non-contest models to share with us. The S scale elevator was a striking model. Thanks to John Mann for sharing it with us.

May contest results: Passenger Cars

Model Contest:

Cat. A. Coach

1st: Ken Mosney: SR&R Combine. (Rockford)

2nd: Dave Casey: CNW #726 Coach

3rd: Don Swinton: NMRA 50th Ann. Coach

Cat. B. Diner

1st: Dave Down: Pullman Diner

2nd: Dave Casey: C&NW #7902 Diner/Lounge

3rd: Don Swinton: NMRA 50th Ann. Diner

Cat. C. Sleeper

2nd: Don Swinton: NMRA 50th Ann. Sleeper

Cat. D. Observation

1st: Dave Casey: CNW #400.

2nd: Don Swinton: NMRA 50th Ann.

We also have our annual contest results to announce. After tallying the points for all the 21/22 contests we have the following results:

Model Contest: Don Swinton 87 points (23 entries)

Photo Contest: Ewing Row 97 points (22 entries)

CONGRATULATIONS!

I would again like to thank everyone who brought in entries over the course of the year. I am continually impressed with the quality, skills and range of interests represented by your modeling and photography.

If you have ideas/suggestions for contest themes for our contests in 2022-23, please send me an email and let me know. (dfdown2000@gmail.com). I look forward to hearing from you and seeing your models and photos next season.

Happy modeling!
Dave

Layout Tours

Phil Hottmann Chair

I would like to thank everyone who had their layout open for the 2021-2022 season.

It was amazing to see the expressions on the faces of visitors touring Bill Weber's and Dr. Bill Clancy's layouts for the first time. They all seemed to be utterly amazed. I know most of us see these layouts quite often, so we forget how wonderful they are. We also got to see John Schaffer's layout for the first time. John is doing a beautiful job on this N-scale layout. I'm looking forward to another visit in a couple of years to see what's next to be completed. Great job guys!

We are getting tours set up for next season and hoping to get to see a few layouts for the first time. Please let me know if you are interested in having your layout open.

AP Corner

It has been a while since there has been news from the Achievement Program but one member has been busy working on a number of certificates. In addition to logging hours in various operating positions for his Chief Dispatcher certificate, Rusty Dramm has been building. I'll let Rusty tell us about it.

Herman Lohe's Meat Market in O Scale began as the 2020 SCWD modeling project. The challenge was to build a diorama using the DPM Birdie's Tavern in HO-, N- or O-scale of a maximum of 200 squares inches of area. Herman Lohe's meat market is representational of my family's style butcher shop in Manitowoc as I remember it as a small boy. I come from a long line of '*Schlachtermeisters*' (that's German for 'Master Butcher') – two great-great grandfathers, great grand uncle and grand uncle Herman. As a little boy I used to explore the shop, play with the hand crank meat slicer and snoop around the slaughterhouse, smokehouse and stock barn on the property. Uncle Herman used to carve dried beef tongue with his big butcher's knife and give it to my brother Peter and me as a treat. We thought it very tasty while he laughed at us. The following describes how I constructed and detailed Uncle Herman's meat market.

Two Design Preservation O-scale building kits were used as the starting point for the meat market. The project includes a complete super detailed interior with butch shop store front retail room, meat prep room and complete upstairs living quarters. Detail items are mostly scratchbuilt from styrene, wood, paper and postcard stock, microscope slide glass, brass shapes and white metal castings. The marble countertop is a photo print of the actual marble countertop used in Uncle Herman's Meat Market. Meats, sausages and pig carcass were made from plastic pigs butchered with an X-Acto knife. Total build time – about 400 hours.

Modifications to DPM walls from the two kits were done a table saw with inserted tooth carpentry finishing blade, making smooth cuts. Doorway opening were done with a Dremel Tool and cutting disc. Modifications included making openings for the meat cooler and new doorways on the Birdie's tavern kit. From the Kristen's Corner Café, the rear and sidewall were sawn into wall parts for the cooler and residence side of the structure. Rear walls were sawn for accommodating gutter and downspouts.

The walls were assembled using Walther's Goo and clamped while curing. The sub-assemblies' walls/floors were first spray painted with black Krylon followed by white and camo/tan to prevent light leakage from the LED and incandescent lighting.

Window glazing is glass cut from microscope slides using a Micro-Mark Genuine Diamond Tip Scriber and affixed with Walther's Goo. Window shades are masking tape. Herman's meat market had 3/4 inch thick plate glass windows. On at least one occasion, one of the plate glass store front windows was smashed by of all things a deer that had wandered into town and crashed through the plate glass window. So, I included a large crack in the right pane window so I could tell the story.

The three roofs were all tarpapered. This was simulated using blue painters masking tape painted with a warm gray paint and glossy black tar lines.

The sidewalk, street and gutter are styrene sheet and strip scribed and painted with Floquil concrete and weathered with Pan Pastels.

Scenery is Woodland Scenic ground foam with smokey tan grout for the dirt. The tree is a lead bendable Woodland Scenic hardwood tree kit with Silflor red maple foliage. The doghouse is a GC Laser kit with 600 grit emery cloth shingles. The German Sheppard dog's name is Chief.

In April, Rusty entered this model in the Structure contest at the Chicago O Scale Meet. By chance, Jim Landwehr, MidWest Region AP Chairman was one of the judges. Jim and his crew judged Rusty's Lohe's Meat Market under NMRA rules and awarded it 121 out of a possible 125 points---an amazing feat. This earned Rusty his first Merit Award toward his AP Structures certificate in addition to taking First Place in the Structures contest.

And the accolades didn't stop there. At the annual SCWD banquet, Rusty was honored with the Madison Mac Award for Modeling Achievement. Congratulations, Rusty.

The meat market is super detailed with complete room interiors using several scratchbuilt and commercial detail parts, figures and fixtures. Butcher's counter top is from a photo of Uncle Herman's actual counter.

The meat and sausage prep room. It includes a desk, chair, file cabinet, sausage making table with meat grinder and sausage extruder. The Fairbanks and Morris platform scale is the exact model that Uncle Herman had in the meat market. The meat rack has wieners made from lead solder, smoked hams and beef cuts created from plastic toy pigs fashioned (butchered) with an X-Acto knife.

A Word about Constant Contact e-mail

Each Constant Contact e-mail includes links to update or unsubscribe your e-mail address. **Please do not use these links.** If you unsubscribe using the Constant Contact link, your e-mail address will be removed from the NMRA membership database, from the Midwest Region e-mail database and probably from your Division's records. If you get an e-mail that you don't want, just hit the delete key. Furthermore, if you use the update link, your change may not be timely posted to the NMRA membership database.

If you need to change your email address with the NMRA please follow these directions:

The direct way is to log on to the "Members" page of the NMRA website, choose the "View your NMRA membership" box on the right side of the screen, scroll down to the bottom of the page and select "Update". Enter the new email address in the appropriate box and click "Submit".

SCWD Electronic Red Book

A revision to the SCWD Electronic Red Book has begun! The first edition was sent to all members two years ago. I hope to have the second edition to the membership by September 2022.

The Electronic Red Book is a benefit of your NMRA/SCWD membership which means if you are not in good standing with the NMRA during the month of publication, **YOU WILL NOT BE INCLUDED in the Electronic Red Book, nor will you receive one!** So please keep your NMRA membership in good standing by renewing your NMRA membership if it is lapsed. This is your responsibility.

For those members that joined after the first edition, you should have received a “Welcome Email” from me which included an opt-in form for the Electronic Red Book, the Constitution and Bylaws, and the Electronic Red Book. If you did not return your opt-in form to me, I will be sending you an email with another form to opt-in. You must return the form to me to be placed in the Electronic Red Book.

All members in good standing with the NMRA will receive the Electronic Red Book whether you opt-in or not, it is benefit of your membership. So don't be left out, stay current on your NMRA dues and opt-in!

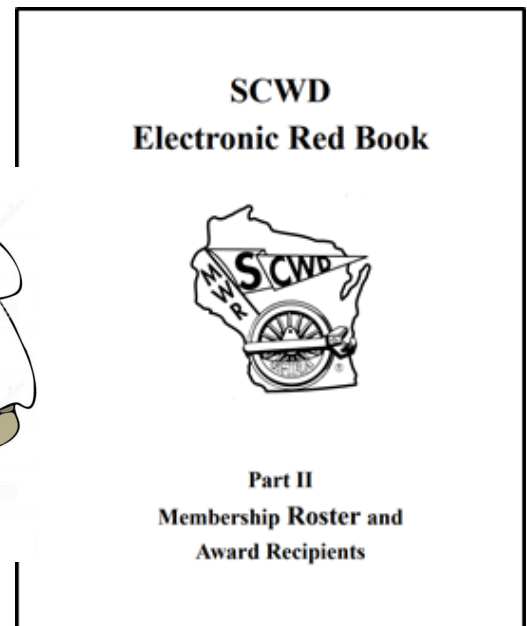

Any member that did not opt in the first time and would like to be included in the upcoming Electronic Red Book, please print, complete, and mail to me the opt in form on the next page. All members that were in the first edition do not need to do anything, unless your information has changed. If it has, please send me an email with the changes.

Thanks everyone, more information will be coming in future Bad Orders.

SCWD 2022 Annual Summer Picnic Saturday, July 16, 2022

For the past several years, except for 2020, the SCWD has held a catered picnic at Little Amerricka Park in Marshall on their “Whiskey River Railway Day”. The SCWD Board has agreed to do so again this summer on Saturday, July 16th. Reservations have been made with the amusement park for use of their Blue Rose Pavilion and catering is being arranged. The park opens at noon and closes at 5 pm. Lunch will be served starting at 1 pm. As was done in 2019, the Board has decided to defray part of the catering cost by charging a \$5.00 fee for each attendee six years old and above. Five and under get the meal for free. Railway equipment can be viewed for free, but train and other rides require purchased tickets from the Park. SCWD members, their direct families and other Division invited guests can attend the picnic. To determine the food quantities for the caterer, you will have to sign up and pay by Saturday, July 2, 2022.

Little Amerricka is located on STH 19 on the east edge of Marshall. Parking directly at the Blue Rose Pavilion can be reached off Box Elder Rd. intersecting USH 19 just east of the Park’s regular entrance.

A Puzzle for You

You like trains, or train watching, but have you ever wanted to go to an OPS (Operating Session) and run trains on someone else's layout, but were afraid you wouldn't know what to do?

Model Railroad Operation is a fun and interesting role-playing game where the players (operators) use model trains to simulate the movements of the prototype railroad. Operators fill the roles of railroad employees like engineers, conductors, yardmasters, dispatchers, and more. Many of our SCWD members participate each month at multiple layouts to enjoy this fun and stimulating practice of critical thinking and problem solving in the context of railroad operations.

Now, there is a way for you to get your feet wet in this critical thinking and problem-solving railroad environment in the privacy of your own home through the use of railroad switching puzzles.

In July 2020, a group of SCWD members started a project to introduce more of our members to the enjoyment of railroad operations, or as our wives call it, playing trains. Some of us have been engaged in operating sessions for 20 years or more, and would like to get more of you involved.

The project involves getting one to solve a series of train switching puzzles (on paper, or your computer) in the least number of moves possible. You can then submit your solution to see if yours was done in the least number of moves.

Beginners can start with **3 introductory puzzles** to show the kinds of skills used in railroad switching operations. Then, you can advance to a series of more advanced puzzles written and based on actual SCWD member area layouts. Or, if you have already been to an OPS session, you could do an introductory puzzle, and jump right into the more challenging ones.

Join the SCWD listserv now and begin learning what this is all about!

Email Steve Lanphear at scwdmemberlist@frontier.com to be added to the list and start receiving your puzzles now!

Happy Railroading!
Steve

Enjoy receiving interesting rail photos, model railroad tips, Operating puzzles, and challenging Mystery Photos??

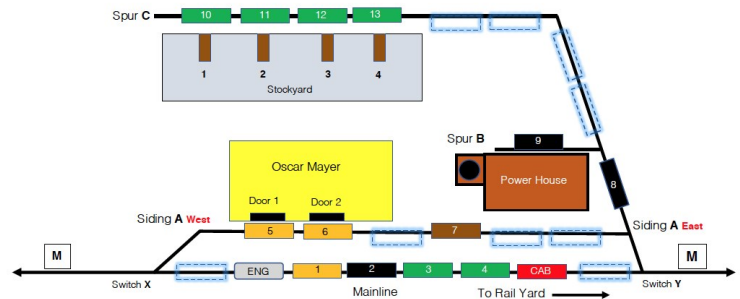

Join The 120+ SCWD members and members from other Midwest Regional Divisions who are participating in the SCWD listserv. You can expect 5 - 10 photos of railfan photos or model railroad photos or other items per week on average, as well as SCWD announcements, monthly Mystery Photo contests, Modelers Corner, and OPS Corner Puzzles. The listserv has been running this since April 2012, and it has been quite popular.

The listserv is a one-way email broadcast to you, not a social media type service. The emails are sent in bulk, but as a BCC: type email.

Minutes SCWD Board Meeting 7:00 pm, 11 April 2022 via Zoom meeting

The meeting of the South Central Wisconsin Division Board of Directors was called to order at 7:05 pm by Superintendent Phil Hottmann. Phil Hottmann, Bob McGeever, Dr. Bill Clancy, John Kosobucki, Dave Down, Dave Dingman, Steve Preston, and Bill Mitchell were present.

BOD Meetings: Members of the SCWD are invited to join a Board of Directors meeting. Meeting dates are published in the **Bad Order**. Send a request to Phil Hottmann or another member of the SCWD Board for a ZOOM link to the upcoming meeting. The members' contact information is in the **RED BOOK**.

Minutes

Motion by McGeever, second by Dingman, to approve the minutes of the March 14, 2022, meeting. Motion carried.

Paymaster Report

Bob McGeever presented the high points of the March Paymaster Report.

Motion by Mitchell, second by Dingman, to approve the March Paymaster Report as presented. Motion carried.

Committee Reports

Achievement Program - nothing to report.

Advertising - nothing to report.

Bad Order - Kathy Clancy, **Bad Order** Editor, will be including announcements about having members update their preferences for being listed in the electronic version of the **RED BOOK** that will be published sometime in September 2022.

The new members have the option of being listed or not listed in the publication. Opt-in or Opt-Out forms for new members are in circulation and will need to be returned or communicated to Kathy at the **SCWDKATHY@AOL.com** electronic mail address.

Special Note 1: The email list comes directly from the NMRA membership list, so please keep your membership active and your email current with the NMRA. All SCWD members are requested to inform the NMRA when their email address changes.

Special Note 2: Kathy, our newsletter editor, is always in need of articles. Please submit articles as soon as possible to have them included in the next publication of the Bad Order to SCWDKATHY@AOL.com via email with attachments in a WORD formatted document.

Clinics - Clinics are being lined up for our May membership meeting.

Contests - Model and Photography - Dave Down is still looking for new ideas and categories for the 2022 - 2023 contests. Contest winners will be announced and awards will be presented at the May 6th SCWD Banquet.

Modeling Project - Possible ideas for the 2022 - 2023 modeling project have been submitted to Mike Vivion. These ideas include a snow scene, water, and animation. Cost to enter the project will be considered in the project selection.

Door Prizes - Door prizes have been mailed out to the winners who have not picked up the gift certificates from the **HOBBY STOP** in a timely manner. Beginning with the September membership meeting, gift certificates will be given at the meeting so that Chris at the **HOBBY STOP** will not have to do any book keeping.

Layout Tours - 3 or 4 layout tours are being lined up for May. Layout tours are being lined up for September and October.

Our SCWD organization is always looking for more people to host virtual or in-person layout tours. Please contact Phil Hottmann about the possibility of opening up your layout for a virtual or in-person tour. Phil's contact information is in the REDBOOK.

Membership - The membership roster is current. Steve Preston is waiting for a few responses from inactive members.

The current SCWD membership list is sent to Steve Preston on a monthly basis. The email address of the SCWD members associated with the membership list is used for the Constant Contact electronic communications system. Each member is responsible for making sure that their email address is valid. If someone has problems renewing their NMRA-SCWD membership using the ON-LINE systems, please contact Steve Preston. His contact information is in the RED BOOK.

Picnic - Please send in your reservations for the July 16th SCWD Summer Picnic using the reservation form published in the **Bad Order**.

Publicity - nothing to report.

Rail School - January 2023 - Dr. Clancy has requested that an inventory of the "BLUE BOX" model kits be taken to make sure that there are enough kits on hand, that the switching layouts be tested before January 2023, and also make sure that the "HO" portable layout is ready to used. SCWD members are needed to provide "Blue Box Railroad Car" assembly assistance and to provide demonstrations and hands-on activities.

Rail Show - Bob McGeever is waiting for the final invoice from the Dane County Exposition Center management.

Clerk's Note - Train-Fest (<https://www.train-fest.com/>) will be held in November in the Milwaukee area. The November date and location have yet to be announced. This event could be an opportunity to promote the SCWD February 2023 show.

Website - www.nmra-scwd.org - Voting ends for the SCWD video contest on April 15. Winners will be announced at the May SCWD Membership Meeting.

The www.nmra.org website is *UNDERUSED* by its members. There is a direct link from our SCWD website to the National Model Railroad Association website. You will need to register your NMRA membership to view the "members only" information on the different pages of the NMRA website.

Old Business:

Youth Group - Steve Preston, Dave Down, and Bill Mitchell had nothing to report. A facility is needed to host the meeting as well as provide some storage space for the youth model railroad layout and equipment. Phil Hottman is investigating a possible location.

Banquet - The SCWD Spring Banquet will be held on Friday evening, May 6, at the American Legion Hall located in Verona. Please send your registration form and fees as soon as possible. The reservation form published in the April **BAD ORDER**.

Door Prizes - Door prizes are a drain on the SCWD treasury. Modelers sometime win a door prize that is not appropriate for their scale and gauge. A motion was made by Dr. Clancy, second by Down, to eliminate door prizes at the annual banquet. Motion carried.

Table Cloths - Phil Hottman will be investigating table cloths for use at the American Legion Hall in Verona

Name Tags - Bob McGeever will be printing name tags for the attendees.

Awards - A motion was made by Preston, second by Kosobucki, to award Volunteer Spirit awards to
2021 - **Kathy Clancy - Bad Order Editor** (The SCWD did not host a Spring 2021 SCWD banquet due to COVID-19 guidelines)
2022 - **Peter Wigglesworth - Parking Lot Coordinator for our Madison Model Railroad Show and Sale for the past few years**
Motion carried.

New Business:

ZOOM - Members joining our Monthly Membership Meetings are still having problems with ZOOM connections. Dave Dingman and Phil Hottman will be investigating. ZOOM meeting notices will be including more details for making a good ZOOM connection. Meeting notices may be sent out more than once. (Upon receipt of the ZOOM meeting notice, the link to the ZOOM connection should be tested even though the meeting is not occurring at the time of the test.)

Bylaws - Our **BAD ORDER** editor raised a question on when the April SCWD election summary that was received by the Board of Directors from the Clerk should be published. Waiting until the 2023-2024 Annual Election meeting was quite a bit late for our members to receive the information. The names of the Board of Directors and Officers of the SCWD are published in the next **BAD ORDER** following the annual election. Changes to the bylaws in accordance to the SCWD Constitution and existing Bylaws to allow the Board of Directors to approve the annual meeting minutes was discussed.

A motion was made by McGeever, second by Mitchell, to table the Bylaws discussion changes until a written description of these possible changes are presented at the next Board of Directors meeting. Motion carried.

The April 2022 Annual Election Summary will be published in the next **BAD ORDER**.

Adjournment:

A motion was made by McGeever, second by Kosobucki, to adjourn the meeting. Motion carried. The meeting was adjourned at 8:21 pm.

Bill Mitchell - Clerk
