**OCTOBER 2019**

## **BNC Phoenix Presents**

# **Our Fall Event**

**Friday, October 11<sup>th</sup> - 10:00 am**

**Our Fall Event features Josh Trachtenberg, Neuroscientist and Professor of Neurobiology at UCLA as our speaker.**

Dr. Trachtenberg, a Brandeis alum, is a leader in studying the living brain in action using advanced imaging technology. After establishing his research laboratory at UCLA, he founded a company – Neurolabware – in order to build the sophisticated custom research microscopes that are needed to help understand how the brain develops and how diseases and injuries interrupt its normal functioning. Dr. Trachtenberg will discuss how the new Brandeis microscope is a game-changer in the field of neuroscience.

Just about everyone has been touched by neurodegenerative diseases. This past year, our chapter worked to support the Magnify the Mind Initiative. Thanks to your generosity, we met our goal and Brandeis University is now in the process of obtaining a two-photon microscope, which can be reconfigured as techniques evolve.

**Starfire Golf Club - Palmer Ballroom**  
**11500 N. Hayden Rd, Scottsdale, AZ 85260**  
**10:00 am - 1:00 pm**  
**RSVP by Friday, October 4, 2019**

## Co-Presidents' Message

Dear Fellow Brandeis Members,

The snowbirds are returning and we gladly welcome them back. Our fundraising events have been planned and we hope we have put the Fun into Fundraising. We, BNC, are a philanthropic fundraising organization; we support Brandeis University.

As you know, we are a member volunteer organization. Without our members "stepping up to the plate" and volunteering their unique services, there would be no BNC. On September 16<sup>th</sup>, there was a Volunteer Outreach Program held at Temple Chai. Here was your opportunity to learn about all the various aspects of our organization that could benefit from your participation. We are grateful to Terriann Kleiner, Hillary Kaminsky and Jenny Glassman for organizing this wonderful event. Missed it, but you would like to get involved? Please let us know.

We are proud to announce that on October 11<sup>th</sup>, Josh Trachtenberg will be our speaker at our Fall Event. Josh Trachtenberg and his company created the two-photon microscope that will help researchers understand and image large networks of neurons in order to visualize which cells and networks are involved with specific memories. Previous technologies dimmed the image of the cells, but the two-photon microscope is a major breakthrough because it gives scientists the brightest, most highly resolved images that can be obtained without damaging the cells. This approach is unparalleled. We thank our Programming VP's – Bonnie Clewans and Judy Krockey, along with their committee, for planning this worthwhile event.

Enjoy your study groups and we hope to see you around, learning, growing and participating.

Marcia Langer & Judy Levine

# STUDY GROUP UPDATE

We have had an amazing response to study groups already this year. In the first nine days of registration we had 545 people register. This is much higher than previous years. We are also finding that people are signing up for many more study groups than in the past. More men are signing up as a result of our having a number of groups that are of interest to men and to couples. We have twelve new study groups this year, all attracting participants. This will result in our meeting our chapter's administrative needs, as well as making more money for Brandeis to date than we have in the past. All good news.

On the challenging side, while we have 59 groups, almost half the study groups were filled by August 31<sup>st</sup>. The facilitators have been as helpful and accommodating as possible, but at some point every group reaches its maximum capacity. We are so lucky to have such fabulous facilitators and we are always looking for new ideas and more facilitators to meet the demands of our growing organization.

More than half of the Study Groups are still available. Consider trying one of those!  
**Click [HERE](#)** to download a current Registration Form.

## New Facilitators

We have twenty brand new volunteer facilitators this season. They are being paired with members of the Study Group team who will act as mentors as new facilitators launch their study group season.

### REGISTRATION

There are still many study groups that have space available for more participants. For details and to sign up for available study groups, see the Guide and Registration Form on our website:  
<http://www.brandeisphoenix.com/StudyGroups.html>

For more information about Study Groups, please contact the Study Group Vice Presidents Joellyn Pollock and Kathleen Witkin at [phxstudygroups@gmail.com](mailto:phxstudygroups@gmail.com)

## MEN OF BRANDEIS

Wednesday, October 16<sup>th</sup>

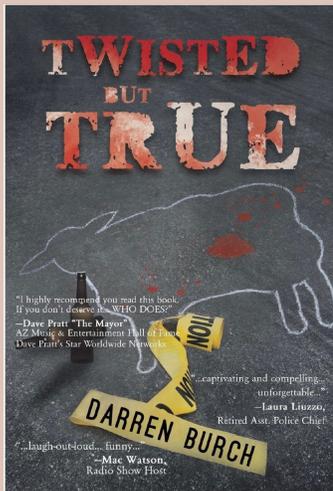

Bill Colter will be speaking to Men of Brandeis at the Valley of the Sun JCC at 1:00 pm on Wednesday, October 16. Bill will be speaking to us about his vast experiences as a member of the US Secret Service.

Bill Colter was born and raised in Detroit, Michigan. He served as an enlisted US Marine for three years before attending and graduating from college with degrees in Political Science and History.

He entered the US Secret Service in 1971 and retired in 1992. During that time he helped protect Presidents Nixon, Ford, Carter, Reagan, and G. W. Bush. His Secret Service duties included protection, protective intelligence, criminal investigations and stints in headquarters staff positions.

He was assigned to posts in Washington, DC, Detroit, Hawaii and Phoenix. His job took him to every continent but Antarctica, and to every state in the USA. Along the way he traveled to many foreign countries and to practically every major city in America.

## ARIZONA AUTHORS

Monday, October 21<sup>st</sup> - 12:30 - 2:30 pm, Scottsdale JCC

Our speaker for the October meeting is retired Police Sergeant Darren Burch. Sergeant Burch spent 30 years in law enforcement, mostly in Phoenix, and has seen some incredibly rough, tough and laugh-out-loud stuff on the force. During his many years of service, he was Detective Supervisor with the Crimes Against Children Unit, Night Detective Supervisor with the Homicide Unit and Detective with the Adult Sex Crimes Unit. His book, *Twisted But True*, is a collection of funny, dark and powerful true crime stories, ending in unforgettable twists. Proceeds from his book sales go to a Crime Stoppers program.

Guests are welcome with a \$5 fee.
