

Alaska Chamber Singers For Hire

Brighten holiday gatherings with expertly sung carols. Groups of singers are available to add merriment to festivities at home, the office or community settings. Is your business or organization planning a holiday function? Alaska Chamber Singers would like to offer you the opportunity to include heartwarming holiday entertainment for your event and support the Anchorage Arts Community at the same time.

You are seeing and hearing the fine vocal quality of the Alaska Chamber Singers in concert and now we can offer this same talent to add that special seasonal touch that will be long remembered by all who attend – and all for a nominal fee!
