

# Give the gift of FOOD!!

Answer John's call in Luke 3:10-11

"What should we do then?" the crowd asked. John answered, "Anyone who has two shirts should share with the one who has none, and anyone who has food should do the same."

## TiManje Food Program

**Sponsor a child for just \$25 per month!!**

The *TiManje Food Program* feeds kids so they can stay in school and don't have to drop out to feed themselves. Haitians believe that the only way for their children to gain a better lifestyle is through education. Many of these kids come down from the mountains to go to school. It is important for them to have a consistent option for food. When they have no food, it is difficult to concentrate at school, stay healthy and literally survive. The light is gone from their eyes.

**Hands for Haiti** wants to help bring that light back in their eyes with their bellies full!

For just \$25 per month, you can provide food, a uniform, a good pair of shoes, and books for school.

**Our monthly ration includes:**

*1 mamete beans  
2 mametes rice  
1 liter oil  
Herb & spice pack*

Please consider sponsoring one of these beautiful children. You will receive a photo of the child you sponsor and a letter from them about their life in Haiti at least yearly. Thank you very much for any support you can give – whether financial or spiritual. ~ *God bless!! Jeff and Debbi Gischia, Hands for Haiti*
